My Book Of Rhymes Poem Stories From A Hip Hopped Mind:

My Book of Rhymes Kiss, Marcus Davis, 2013-11-02 My Book of Rhymes is a personal exploration through my life broken down into haikus ballads prose short stories and more creating imaginative fables with hidden allegories and life lessons intertwined in the raw unforgiving wordplay influenced by hip hop music in its height of lyricism Each poem story feeds off of the last as a domino effect to the climax of each chapter which in turn influences the start of the following chapter about a seemingly unrelated facet of life In all it is an enjoyably moving read creating one collective story with twists and turns not allotted with standard novel writing Read with an open mind and it may change your vantage point if only one chapter at a time [Similes, Puns and Counterfactuals in Literary Narrative](#) Jennifer Riddle Harding, 2017-04-21 In this study Jennifer

Riddle Harding presents a cognitive analysis of three figures of speech that have readily identifiable forms similes puns and counterfactuals Harding argues that when deployed in literary narrative these forms have narrative functions such as the depiction of conscious experiences allegorical meanings and alternative plots uniquely developed by these more visible figures of speech Metaphors by contrast are often invisible in the formal structure of a text With a solid cognitive grounding Harding s approach emphasizes the relationship between figurative forms and narrative effects Harding demonstrates the literary functions of previously neglected figures of speech and the potential for a unified approach to a topic that crosses cognitive disciplines Her work has implications for the rhetorical approach to figures of speech for cognitive disciplines and for the studies of literature rhetoric and narrative **How to Write Anything** John J.
