evident here as it is in any of his writing for a literary readership Listening to Heaney's voice we find ourselves in the same room as a man whose presence when he lived enriched the world immeasurably and whose legacy continues to deepen our sense of what truly matters The Haw Lantern Seamus Heaney, 2010-11-25 Widely and justly celebrated for his flawless handling of the lyric Seamus Heaney is here shown venturing into new imaginative territory Poems exploring the theme of loss and in particular a sonnet sequence concerning the death of the poet's mother are joined in *The Haw Lantern* by meditations on the conscience of the writer and exercises in an allegorical vein that will both surprise and delight the many admirers of his previous work More than other poet since Wordsworth he can make us understand that the outside world is not outside but what we are made of John Carey Sunday Times *Soundings* Seamus Heaney, 1972 *Seeing Things* Seamus Heaney, 1991-12 Collection of poems whose themes deal with memories textures and sensations of the world
