

NEW WORLD NEW MIND

**"A rare book that changes people's lives,
rarer still a book that changes the world."**

— *San Francisco Chronicle*

"The world may be going to pot or up in smoke, and all because our miserably unprepared yet powerful brains can unleash forces beyond our moral and political control. We shall have to bring mind and world together, with proper respect and understanding of both, if we are to maintain any hope for human salvation on a beautiful planet. This book by two great humanists—one an expert on mind, one on the natural world—points the way...

Let us all listen, read and act...

—Stephen Jay Gould

"If we don't act on this information, our grandchildren may never forgive us."

— *Daniel Goleman*, author
of Emotional Intelligence
