New Worlds For Old A Plain Account Of Modern Socialism:

New Worlds for Old - A Plain Account of Modern Socialism (The original unabridged edition) H. G. Wells, 2013-09-05 New Worlds for Old which appeared in some later editions with the subtitle A Plain Account of Modern Socialism was one of several books and pamphlets that H G Wells wrote about the socialist future in the period 1901 1908 while he was engaged in an effort to reform the Fabian Society New Worlds for Old H. G. Wells, 2022-04-06 New Worlds for Old is a highly celebrated non fiction book about socialism by H G Wells The book was written by Wells due to the success and praise of his earlier political writings and it is the most insightful and comprehensive portrayal of the author s socialist views With a unique and balanced approach Wells argues for a just and equitable society built on collectivism instead of individualism However the book is not simply reiterating Marx as Wells criticises armed revolution and praises constructive socialism New Worlds for Old was incredibly successful at the time of its release and was praised by authors and activists such as Joseph Conrad and Helen Keller This book remains highly influential and relevant and should be read by anyone interested in politics and especially socialism H G Wells 1866 1946 was a celebrated English writer remembered mostly for his science fiction works Often described as a futurist H G Wells influence cannot be overstated for his works foresaw many technological innovations such as space travel the atomic bomb and the Internet A four time Nobel Prize in Literature nominee Wells explored a wide array of themes in his works from religion to social criticism and beyond Some of his best works include the time travel novel The Time Machine the sci fi adventure novel The Island of Dr Moreau and the mankind versus aliens novel The War of the Worlds Wells occupies one of the central seats in the canon of science fiction literature and his writing inspired other celebrated authors such as Ray Bradbury and Philip K Dick Wells stories are still widely read to this day and have had numerous cinematic adaptations including The Invisible Man starring Elisabeth Moss **New Worlds for Old** Herbert G. Wells, 1912 *New Worlds for Old* H. G. Wells, 1914 *New Worlds for Old a Plain Account of Modern Socialism* H Wells, 2018-03-30 New Worlds For Old A Plain Account of Modern Socialism is presented here in a high quality paperback edition This popular classic work by H G Herbert George Wells is in the English language and may not include graphics or images from the original edition If you enjoy the works of H G Herbert George Wells then we highly recommend this publication for your book collection **New Worlds for Old [eBook - NC Digital Library]** Herbert George Wells, 2009 *New Worlds for Old* Wells H. G. (Herbert George), 2016-06-23 **New Worlds for Old** H. G. Wells, 2013-12-06 This is the extended annotated edition including the rare biographical essay by Edwin E Slosson called H G Wells A Major Prophet Of His Time This is the twentieth book from the fertile pen of a writer equally entertaining and ingenious in the short story the romance the novel and the sociological essay He is an Englishman with a Gallic literary style is well acquainted with America and though a champion of good will is a joyous and irresponsible critic of all things human The underlying purpose of this book perhaps more serious than that in any of the other nineteen he has written is to present

and defend the creed of socialism in a manner to convince and convert the public The author begins with the assertion of his belief in the betterment of things and in the growth of good will yet he finds much misery and many evils calling for change The fundamental idea of socialism is to introduce constructive design into social action First the blundering and unsuccessful rearing of children must be remedied by taking much of the task into the hands of the state and secondly the mischievous exaggeration of private property must be reduced These reforms can be brought about by the spirit of service which is to replace the spirit of gain Objections are then taken up in detail the author arguing that the best in home life need not be destroyed that many kinds of private property would best be retained and that efficiency and progress would not be arrested That socialism is not a fixed program but a developing doctrine he seeks to show by a glance at the earlier utopian ideas by a sarcastic and dissenting critique of the revolutionary socialism of Marx and by a sketch of the older Fabian which he calls administrative socialism and by arguments on constructive socialism mainly emphasizing the need of education and spiritual change as a condition for the socialist state The book concludes with an appeal to all to become a part of that moral and intellectual process which in the author's belief is the essence of socialism

New Worlds for Old Herbert George Wells, 1908 An account of socialism

New Worlds for Old H. G. Wells, 2016-12-31 New Worlds for Old 1908 which appeared in some later editions with the subtitle A Plain Account of Modern Socialism was one of several books and pamphlets that H G Wells wrote about the socialist future in the period 1901-1908 while he was engaged in an effort to reform the Fabian Society As a result of Wells's earlier books and articles he was bombarded with requests for pieces on socialism Many of the chapters of New Worlds for Old are reworked versions of these pieces He told an American publisher that his intended audience was intelligent young people especially those living in the United States New Worlds for Old identifies two Main Generalizations of Socialism

- 1 The ideas of the private individual rights of the parent and of his isolated responsibility for his children are harmfully exaggerated in the contemporary world
- 2 The idea of the private ownership of things and the rights of owners is enormously and mischievously exaggerated in the contemporary world

Wells advocates the replacement of a social system based on Private Ownership with one based on the spirit of service arguing that this will be more productive as well as more just He devotes several chapters to addressing objections to socialism then analyzes the history of socialism New Worlds for Old was very successful and went through many editions it was reprinted several times over the next six years and later went through two revisions Leopold Bloom cites it in the Night Town section of James Joyce's Ulysses The book influenced an entire generation of British socialists It was praised by William Archer John Galsworthy Ray Lankester Joseph Conrad and many others in a review Arnold Bennett called it a masterly work This classic title has been published by RADLEY BOOKS Each RADLEY CLASSIC is a meticulously restored luxurious and faithful reproduction of a classic book produced with elegant text layout clarity of presentation and stylistic features that make reading a true pleasure Special attention is given to legible fonts and adequate letter sizing correct line length for readability generous margins and
