Andrews, 2020-02-08 THE BIBLE ERRORS MISTAKES INCONSISTENCIES CONTRADICTIONS Critics claim that the Bible is filled with so called errors mistakes inconsistencies and contradictions Some even speak of thousands of errors The truth is there is not even one demonstrated error in the original text of the Bible Of course we would never say that there are no difficulties in our Bibles The Bible is loaded with thousands of difficult challenging passages many of which become obstacles in the development of our faith These difficulties arise from differences in culture language religious and political organizations not to mention between 2 000 to 3 500 years of separation between the Bible author and the modern day reader Calling attention to these difficulties and sifting out the misconceptions Andrews defends the full or absolute inerrancy of Scripture He clarifies the so called errors or mistakes and what might seem like apparent contradictions He arms the Christian with what they need to defend their faith in the Bible Honestly whenever Christians find difficulty in the Bible acknowledge it Do not try to obscure it Do not try to dodge it The best way to deal with Bible critics and the Bible Difficulties is to understand all the ways that Bible Difficulties can come about And then have dozens of Bible difficulties answered as examples Herein is the defense of God's Word that Christians have been waiting for BIBLE DIFFICULTIES Genesis Edward D. Andrews, 2016-09-02 Encyclopedia of Bible Difficulties Gleason Leonard Archer, 1986 Jesus on Trial David Limbaugh, 2014-11-17 In Jesus on Trial New York Times bestselling author David Limbaugh applies his lifetime of legal experience to a unique new undertaking making a case for the gospels as hard evidence of the life and work of Jesus Christ Limbaugh a practicing attorney and former professor of law approaches the canonical gospels with the same level of scrutiny he would apply to any legal document and asks all the necessary questions about the story of Jesus told through Matthew Mark Luke and John His analysis of the texts becomes profoundly personal as he reflects on his own spiritual and intellectual odyssey from determined skeptic to devout Christian Ultimately Limbaugh concludes that the words Christians have treasured for centuries stand up to his exhaustive enquiry including his examination of historical and religious evidence beyond the gospels and thereby affirms Christian faith spirituality and tradition The Greatness of God Charles Frank Thompson, 2016-02-08 With each passing day our world seems to drift further and further away from the God of the Bible divine creation and Christian belief This societal shift toward postmodernism and secularism is not a new development however the expanding and intensifying revolt against the biblical God and Christianity traces its roots back to the modern philosophies of the Enlightenment and Romanticism which have given rise to many divergent views during the past three centuries and become even more extreme in recent postmodernism The Greatness of God How God Is the Foundation of All Reality Truth Love Goodness Beauty and Purpose

stands as an intellectual counterweight to the prevailing winds of a secular postmodern world Author Charles Frank Thompson argues that the consequences of this rejection of God and divine creation have not been benign He traces the modern revolution in detail and describes its deleterious consequences including the loss of the ultimate basis for universal truth knowledge meaning and purpose In *The Greatness of God* Thompson explores a wide range of topics including Christian theology metaphysical philosophy and an analysis of modern thought and art He examines the rich history of Christian poetry prose and art and takes a look at recent scientific discoveries that help us understand Christian teachings about God s creation He concludes with an exploration of the millennium the eternal kingdom of God and the spiritual state of America and Europe today [On the Resurrection, Volume 2](#) Gary Habermas,2024-09-15 In *On the Resurrection Volume 2 Refutations* Gary Habermas offers detailed analyses and rebuttals of the alternate theories surrounding Jesus s resurrection This is the second volume of four in his magnum opus *On the Resurrection* **Preaching Difficult Texts of the Old Testament** Bryan Murawski,2021-08-03 Practical homiletical advice for preachers on some of the most challenging genres of Scripture What should a preacher do when facing a genealogy while preaching the book of Genesis How should one handle the geographically rich chapters of Joshua What about all those laborious architectural details on the tabernacle in Exodus From the theologically complex to the well worn narrative from the long pericopes to the tiniest archaeological details this book seeks to give honest practical advice that will better equip preachers to tackle such topics Each chapter includes an introduction of the difficult passages definition and examples of the difficult passages function purpose of the difficult passages and how to preach the difficult passages Chapter topics include Preaching the Genealogies Preaching the Law Preaching the Lists and Construction Details Preaching the Violent Texts and Imprecations Preaching the Sexually Explicit Texts Preaching the Geography Preaching Intertextuality and Complex Language Issues Preaching the Well Worn Stories Preaching Theologically Complex or Controversial Passages Preaching Long Pericopes **Surviving a Spiritual Mismatch in Marriage** Lee Strobel,Leslie Strobel,2002 The author of *The Case for Christ* now presents thoughts on the spiritual aspects of marriage **The Mark Mittelberg Collection: The Questions Christians Hope No One Will Ask / Confident Faith** Mark Mittelberg,2017-03-07 This collection bundles 2 of Mark Mittelberg s nonfiction titles into one e book for a great value *Questions Christians Hope No One Will Ask* 2011 Retailers Choice Award winner Why are Christians against same sex people getting married Why do you believe God exists at all Why would God allow evil and suffering Why trust the Bible when it s full of mistakes How could a loving God send people to hell What makes you think Jesus was more than just a good teacher Why are Christians so judgmental Some questions can stop a conversation Today more than ever people are raising difficult penetrating questions about faith God and the Bible Based on an exclusive new Barna survey of 1 000 Christians *The Questions Christians Hope No One Will Ask* presents compelling easy to grasp answers to ten of the most troubling questions facing Christians today These include everything from the existence of heaven to the issues of abortion

and homosexuality as well as the question of whether evolution eliminates our need for a God Confident Faith In Confident Faith Mark Mittelberg assures Christians that we can be confident in our beliefs There s no reason to be timid about what we believe because our beliefs can stand up to the test Truth isn t dependent on how a person feels or one s own point of view as so many assert On the contrary we can determine truth through our five senses and that truth reliably points to a deeper and unseen reality Mark walks readers through twenty arrows that point towards Christian beliefs from the intricate design of the universe to archaeological proofs from the consistent testimony of changed lives to the reliability of the ancient documents of the Bible After studying these arrows you ll put this book down with a renewed confidence in what you believe and why it matters for eternity

**Stand Your Ground** Dean Hardy,2007-04-01 My freshman year of college was a battle writes Katie a college student and a strong Christian The transition from high school to

college is one of the most pivotal times in a young person's life. After departing from under the protective wings of their parents, young adults often have trouble holding firm to the Christian faith. *Stand Your Ground* is an introduction to apologetics for young adults in high school or college. The book includes thirteen chapters that confront the overwhelming intellectual attacks Christian college students face on university campuses. Dean Hardy takes readers on a spiritual and intellectual journey addressing such issues as the nature of truth and reality, the investigation of other worldviews, the evidence for Christianity, critics' arguments against Christianity, and the relationship between apologetics and evangelism.

**Divine Frustrations** Jason L. Moore, 2023-11-21 The Bible encourages believers to love God with all their hearts. Interestingly enough, there is no command to like God. Is the admonition to like God conspicuously absent due to its inherent difficulty? If we are honest, we can safely affirm that there are unlikable realities about our world that critics allege reflect poorly on the perceived nature of God. However, there is a lack of awareness regarding alternative ways to understand such realities. *Divine Frustrations* is an attempt to bridge that gap by providing a balanced, engaging approach to revisiting the unpleasant aspects of God's dealings with humanity. Drawing on decades of interactions with students, atheists, critics, inmates, and church members, as well as people from all walks of life, Moore offers reflections on both sides of the most common complaints leveled against God. Whether you are a believer or a skeptic, your approach to various topics will be challenged. If you are open to considering alternatives to what you believe, as well as new insights into your own views, read on.
