Religious Leadership Sharon Henderson Callahan, 2013-05-20 This 2 volume set within The SAGE Reference Series on Leadership tackles issues relevant to leadership in the realm of religion. It explores such themes as the contexts in which religious leaders move leadership in communities of faith, leadership as taught in theological education and training, religious leadership impacting social change and social justice, and more. Topics are examined from multiple perspectives, traditions, and faiths. Features Benefits: By focusing on key topics with 100 brief chapters, we provide students with more depth than typically found in encyclopedia entries but with less jargon or density than the typical journal article or research handbook chapter. A detailed index, cross-references between chapters, and an online version enhance accessibility for today's student audience.

The Leadership Book Charles J. Keating, 1982 Examines theories of management and shows their practical application in areas of Church leadership. Laity, American and Catholic William V. D'Antonio, 1996 The authors summarize existing data on Catholic laity's views toward the Church itself as measured using nationwide polls. Based on a 1993 national survey, Laity, American and Catholic reports important trends in the attitudes of Catholic laity regarding church teachings, their participation in church ministry, and the Church's overall role in their lives. **Women Called to Catholic Priesthood** Sharon Henderson Callahan, Jeanette Rodriguez, 2024 Callahan and Rodriguez explore the contexts, calls, journeys, spirituality, and theology of women called to priesthood in the Roman Catholic Church in this compelling and carefully crafted ethnographic work. The authors encourage readers to thoughtfully engage the ecclesial challenges and spiritual renewal uncovered in these women-priests' stories. *Pluralism Comes of Age* Charles H. Lippy, 2015-05-20 This acclaimed work surveys the varied course of religious life in modern America. Beginning with the close of the Victorian Age, it moves through the shifting power of Protestantism and American Catholicism and into the intense period of immigration and pluralism that has characterized our nation's religious experience. Religious Organizations in Community Services Terry Tirrito, Toni Cascio, 2003-01-16 This book explores the scope and breadth of religious organizations in social work practice. It begins by tracing the origins of the social work profession back to the earliest civilizations and their religious traditions, establishing the precedent for a fruitful commingling of religion and social welfare. The contributors propose that religious faith organizations can assume responsibilities for social welfare in the 21st century, using the Korean Church as one example of an effective provider of social services. A 12-step model for religious organizations to use to develop community action programs is also presented. **American Catholic** Charles Morris, 2011-08-24 A cracking good story with a wonderful cast of rogues, ruffians, and some remarkably holy and sensible people. Los Angeles Times Book Review. Before the potato famine ravaged Ireland in the 1840s, the Roman Catholic Church was barely a thread in the American cloth. Twenty years later, New York City was home

to more Irish Catholics than Dublin Today the United States boasts some sixty million members of the Catholic Church which has become one of this country's most influential cultural forces In American Catholic The Saints and Sinners Who Built America's Most Powerful Church Charles R Morris recounts the rich story of the rise of the Catholic Church in America bringing to life the personalities that transformed an urban Irish subculture into a dominant presence nationwide Here are the stories of rogues and ruffians heroes and martyrs from Dorothy Day a convert from Greenwich Village Marxism who opened shelters for thousands to Cardinal William O Connell who ran the Church in Boston from a Renaissance palazzo complete with golf course Morris also reveals the Church's continuing struggle to come to terms with secular pluralist America and the theological sexual authority and gender issues that keep tearing it apart As comprehensive as it is provocative American Catholic is a tour de force a fascinating cultural history that will engage and inform both Catholics and non Catholics alike The best one volume history of the last hundred years of American Catholicism that it has ever been my pleasure to read What's appealing in this remarkable book is its delicate sense of balance and its soundly grounded judgments Andrew Greeley

Same Call, Different Men Mary L. Gautier, Paul M. Perl, Stephen J. Fichter, 2012-05-01 Far reaching changes continue to take place in the American priesthood Building on insights gained from four previous surveys Same Call Different Men uses fresh data from a 2009 survey jointly implemented by the National Federation of Priests' Councils and the Center for Applied Research in the Apostolate in which 900 priests shared attitudes and stories about their lives and ministry Among topics covered are the challenges of ministry with fewer ordinations and larger parishes ministering to an increasingly multicultural laity collaboration with lay leaders and personal reflections on the sexual abuse issue It also relates the many satisfactions of being a priest one who brings Christ to others and who is invited into many profound moments of individual lives

The Catholic Periodical and Literature Index, 2005

God's New Man Paul Collins, 2005-10-20 The dramatic events leading up to the appearance of white smoke over the Vatican and the public declaration from the balcony of St Peter's Habemus Papam has been the most remarkable yet in the election of any Pontiff The demise of Pope John Paul II was anticipated ever since he was rushed to Gemelli hospital on February 1st Now he has died the legacy of this outstanding Pontiff is already the matter of fierce debate A number of his closest advisers like Cardinals Ratzinger and Sodano are already fairly powerless as the Conclave has chosen a Pontiff more interested in the North-South axis than that of East-West The final part of this important new book is an in-depth profile of the new Pope His Holiness Pope XXX The middle part of the book is an account of the Conclave the politicking and the jockeying for position But it also contains character sketches of those who have been serious contenders for the See of Peter Cardinal Walter Kasper Cardinal Tetramanga of Florence Cardinal Christoph von Schonborn of Vienna Cardinal Arinze of Nigeria Cardinal Claudio Hummes of Sao Paulo and Cardinal Rodriguez Madariaga of Honduras There is also a sketch of some of the complete outsiders Nobody could be more suited than Paul Collins to write this incisive and informative account he has already
