Bill Wennington's Tales From the Bulls Hardwood Bill Wennington, 2011-12-27 Chicago Bulls fans thought they had it so good From 1991 through 1993 the Bulls won three consecutive NBA titles behind the talents of Michael Jordan and Scottie Pippen When Jordan retired in the fall of 1993 those fans thought the good times were over In the fall of 1995 however Jordan was ready to make a full return to NBA action Pippen was still the best number two man in basketball and then bad boy Dennis

Rodman was signed to join the franchise that had grown to hate him Suddenly the Bulls had the greatest team in NBA history Bill Wennington's *Tales from the Bulls Hardwood* tells some of the inside stories from that team the one that won three more NBA titles from 1996 through 1998 Seen from the eyes of three time NBA champion center Bill Wennington the Bulls come to life differently from an insider's point of view The 1995-96 Bulls won an NBA record 72 games and became the Beatles of professional sports Followed everywhere and talked about endlessly they captured a national and international audience and kept all eyes upon them for three seasons even though everyone knew they were going to win Fans will read about some of the most famous names in basketball history Jordan the demanding team leader Pippen the true teammate Rodman the reckless rebounder Toni Kukoc the outsider Ron Harper the former star turned role player Luc Longley the affable Aussie Steve Kerr the John Paxson sequel all playing for Phil Jackson the Zen master coach These are stories fans have not heard before but it's not their fault They just weren't there the way Bill Wennington was Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you root for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

Basketball and Philosophy Jerry Walls, 2007-03-09 What can the film *Hoosiers* teach us about the meaning of life How can ancient Eastern wisdom traditions such as Taoism and Zen Buddhism improve our jump shots What can the Zen Master Phil Jackson and the Big Aristotle Shaquille O'Neal teach us about sustained excellence and success Is women's basketball better basketball How ethically should one deal with a strategic cheater in pickup basketball With NBA and NCAA team rosters constantly changing what does it mean to play for the same team What can coaching legends Dean Smith Rick Pitino Pat Summitt and Mike Krzyzewski teach us about character achievement and competition What makes basketball such a beautiful game to watch and play Basketball is now the most popular team sport in the United States each year more than 50 million Americans attend college and pro basketball games When Dr James Naismith the inventor of basketball first nailed two peach baskets at the opposite ends of a Springfield Massachusetts gym in 1891 he had little idea of how thoroughly the game would shape American and international culture Hoops superstars such as Michael Jordan LeBron James and Yao Ming are now instantly recognized celebrities all across the planet So what can a group of philosophers add to the understanding of basketball It is a relatively simple game but as Kant and Dennis Rodman liked to say appearances can be deceiving Coach Phil Jackson actively uses philosophy to improve player performance and to motivate and inspire his team and his fellow

coaches both on and off the court Jackson has integrated philosophy into his coaching and his personal life so thoroughly that it is often difficult to distinguish his role as a basketball coach from his role as a philosophical guide and mentor to his players In Basketball and Philosophy a Dream Team of twenty six basketball fans most of whom also happen to be philosophers proves that basketball is the thinking person s sport They look at what happens when the Tao meets the hardwood as they explore the teamwork patience selflessness and balanced and harmonious action that make up the art of playing basketball **Interdisciplinary Analyses of Professional Basketball** Till Neuhaus,Niklas Thomas,2024-01-03

of March college basketball is often called madness and is well deserving of the title Most NCAA basketball coaches fail however the special few profiled in this book didn't just succeed where others failed they influenced the game changed it and altered its very course The ten men featured in this anthology went about coaching differently each bringing their own approach and mindset to the hardwood and their success is unprecedented John Wooden UCLA Bobby Knight Indiana University Adolph Rupp University of Kentucky Dean Smith University of North Carolina Phog Allen University of Kansas Mike Krzyzewski Duke University Jerry Tarkanian UNLV Jim Boeheim Syracuse University Lou Carnesecca St John's University Jim Calhoun University of Connecticut

Blood in the Garden Chris Herring, 2024-11-12 For nearly an entire generation the New York Knicks have been a laughingstock franchise But in the 1990s they had earned respect not only by winning but also through brute force The Knicks fought opponents They fought each other They even fought their own coaches at times and coach Pat Riley encouraged the nastiness They never won a championship in those years but endeared themselves to millions of fans Herring delves into the origin evolution and eventual demise of the iconic club in eye opening detail He pulls no punches which is just how those rough and tumble Knicks would like it adapted from jacket
