Brewer, Stephen Colclough, Sian Echard, Zachary Lesser, 2019-03-11 Introduces readers to the history of books in Britain their significance influence and current and future status Presented as a comprehensive up to date narrative The Book in Britain A Historical Introduction explores the impact of books manuscripts and other kinds of material texts on the cultures and societies of the British Isles The text clearly explains the technicalities of printing and publishing and discusses the formal elements of books and manuscripts which are necessary to facilitate an understanding of that impact This collaboratively authored narrative history combines the knowledge and expertise of five scholars who seek to answer questions such as How does the material form of a text affect its meaning How do books shape political and religious movements How have the economics of the book trade and copyright shaped the literary canon Who has been included in and excluded from the world of books and why The Book in Britain A Historical Introduction will appeal to all scholars students and historians interested in the written word and its continued production and presentation Speech and Silence in Contemporary Children's Literature Danielle E. Price, 2023-10-31 Speech and Silence in Contemporary Children's Literature brings a fresh perspective to a central literary question Who speaks by examining a variety of represented silences These include children who do not speak do not yet speak effectively or speak on behalf of others A rich and unexamined literary archive explores the problematics of children who are literally silent or metaphorically so because they cannot communicate effectively with adults or peers This project centers children's literature in the question of voice by considering disability gender race and ecocriticism Children's literature rests on a paradox at the root of its own genre it is produced by an adult author writing to a constructed idea of what children should be By reading a range of contemporary children's literature this book scrutinizes how such texts narrate the child's journey from communicative alterity to a place of empowered adult speech Sometimes the child's verbal enclosure enables privacy and resistance At other times silence is

coerced or imposed or arises from bodily impairment Children may act as intermediaries speaking on behalf of species that cannot Recently we have seen children exercise their voices on the world stage and as authors In all cases the texts analyzed here reveal speech as a minefield to be traversed Children who talk too much too little or with insufficient expertise pose problems to themselves and others Implicitly and sometimes explicitly they attempt to hold adults to account inside and outside the text Speech and Silence in Contemporary Children's Literature addresses this underconceptualized subject in what will be an important text for scholars of children's literature childhood studies English disability studies gender studies race studies ecopedagogy and education Opening Doors to a Richer English Curriculum for Ages 6 to 9 (Opening Doors series) Verity Jones, Leah Crawford, Bob Cox, 2019-10-14 Opening Doors to a Richer English Curriculum for Ages 6 to 9 takes Bob Cox s award winning Opening Doors series into bold new territories providing a treasury of techniques and strategies all carefully selected to support the design of a deeper more creative and more expansive curriculum Together with Leah Crawford and Verity Jones Bob has compiled this rich resource to help teachers enhance their learners engagement with challenging texts and develop their writing skills as budding wordsmiths It includes 15 ready to use units of work covering a range of inspiring poetry and prose from across the literary tradition complete with vivid illustrations by Victoria Cox Bob Leah and Verity s innovative ideas on theory best practice and how to cultivate a pioneering classroom spirit are all integrated into the lesson suggestions which have been designed for both the teacher's and the learners immediate benefit Together they empower teachers to explore with their learners the scope and depth of literature capable of inspiring high standards and instilling a love of language in its many forms Furthermore they help teachers to lay down intricate curricular pathways that will prompt their pupils to better enjoy literature read and analyse texts with a greater sense of curiosity and write with more originality. The book includes a great range of texts both as the core of each unit and as link reading incorporating some contemporary texts to show how past and present co exist and how various literary styles can be taught using similar principles all of which are open to further adaptation. The authors have also suggested key concepts around which the curriculum can be built with the units providing examples with which you can work All of the extracts and illustrations you will need in order to begin opening doors in your classroom are downloadable and the book also includes a helpful glossary of key terms Metaphysics of Children's Literature Lisa Sainsbury, 2021-01-28 Metaphysics of Children's Literature is the first sustained study of ways in which children's literature confronts metaphysical questions about reality and the nature of what there is in the world In its exploration of something and nothing this book identifies a number of metaphysical structures in texts for young people such as the ontological exchange or nowhere in extremis demonstrating that their entanglement with the workings of reality is unique to the conditions of children's literature Drawing on contemporary children's literature discourse and metaphysicians from Heidegger and Levinas to Bachelard Sartre and Haraway Lisa Sainsbury reveals the metaphysical groundwork of children's literature Authors and illustrators
