*Out of the Closet, Into the Archives* Amy L. Stone, Jaime Cantrell, 2015-11-20 The first book to focus on the experience of LGBT archival research *Out of the Closet Into the Archives* takes readers inside the experience of how it feels to do queer archival research and queer research in the archive The archive much like the closet exposes various levels of public and privateness recognition awareness refusal impulse disclosure framing silence cultural intelligibility each mediated and determined through subjective insider outsider ways of knowing The contributors draw on their experiences conducting research in disciplines such as sociology African American studies English communications performance studies anthropology and women s and gender studies These essays challenge scholars to engage with their affective experience of being in the archive illuminating how the space of the archive requires a different kind of deeply personal embodied research

*The Hirschfeld Archives* Heike Bauer, 2017-05-15 This work examines how death suicide and violence shaped modern queer culture arguing that negative experiences as much as affirmative subculture formation influenced the emergence of a collective sense of same sex identity Bauer looks for this history of violence in the work and reception of the influential sexologist Magnus Hirschfeld 1868 1935 and through Hirschfeld s work examines the form and collective impact of anti queer violence in the first half of the twentieth century Hirschfeld s archive his library at the Institute for Sexual Sciences in Berlin was destroyed by the Nazis in 1933 so the archive of Bauer s title is one that she s built from over a hundred published and unpublished books articles films and photographs

Preservation and Place Katherine Crawford-Lackey, Megan E. Springate, 2019-09-04 Significant historic and archaeological sites affiliated with two spirit lesbian gay bisexual transgender and queer history in the United States are examined in this unique volume The importance of the preservation process in documenting and interpreting the lives and experiences of queer Americans is emphasized The book features chapters on archaeology and interpretation as well as several case studies focusing on queer preservation projects The accessible text and associated activities create an interactive and collaborative process that encourages readers to apply the material in a hands on setting

**LGBTQ Film Festivals** Antoine Damiens, 2025-10-01 While scholars have theorized major film festivals they have ignored smaller ephemeral events In taking seriously minor European and North American LGBTQ festivals which often only exist as traces within archival collections this book revisits festival studies methodological and theoretical apparatuses As the first critique of festival studies from within LGBTQ Film Festivals argues that both festivals and queer film cultures are by definition ephemeral The book is organized around two concepts First critical festival studies examines the political project and disciplinary assumptions that structure festival research Second the festival as a method pays attention to festivals role as producers of knowledge it argues that festivals are not mere objects of research but also actors already shaping academic industrial and popular cinematic knowledge Drawing on the author s experience on the festival circuit this book pays homage to the labour of queer organizers critics and scholars and opens up new avenues for festival

research     **Performing Folk Songs** Elizabeth Bennett,2023-12-14 Performing Folk Songs is the first full length volume to explore English folk singing from the perspective of performance studies Using archival sources family repertoire and recorded performances of interviewees this book argues that archives and repertoires are produced in sensory environments and through embodied encounters Autoethnography sensory ethnography life writing and landscape writing are used to explore the affective and emotional aspects of learning songs by heart Drawing on her experience as a folk singer Bennett contributes to discourse on English folk traditions in the 21st century and brings performance scholarship to the contemporary folk song resurgence In analyzing the performance of English folk songs in the affective context of the archive and the landscape the book engages with and contributes original insights to scholarship on folk music performance studies affect theory cultural geography and intangible cultural heritage studies     **A Companion to Literary Biography** Richard Bradford,2018-09-18 An authoritative review of literary biography covering the seventeenth century to the twentieth century A Companion to Literary Biography offers a comprehensive account of literary biography spanning the history of the genre across three centuries The editor an esteemed literary biographer and noted expert in the field has encouraged contributors to explore the theoretical and methodological questions raised by the writing of biographies of writers The text examines how biographers have dealt with the lives of classic authors from Chaucer to contemporary figures such as Kingsley Amis The Companion brings a new perspective on how literary biography enables the reader to deal with the relationship between the writer and their work Literary biography is the most popular form of writing about writing yet it has been largely neglected in the academic community This volume bridges the gap between literary biography as a popular genre and its relevance for the academic study of literature This important work Allows the author of a biography to be treated as part of the process of interpretation and investigates biographical reading as an important aspect of criticism Examines the birth of literary biography at the close of the seventeenth century and considers its expansion through the eighteenth nineteenth and twentieth centuries Addresses the status and writing of literary biography from numerous perspectives and with regard to various sources methodologies and theories Reviews the ways in which literary biography has played a role in our perception of writers in the mainstream of the English canon from Chaucer to the present day Written for students at the undergraduate level through postgraduate and doctoral levels as well as academics A Companion to Literary Biography illustrates and accounts for the importance of the literary biography as a vital element of criticism and as an index to our perception of literary history     **What's the Use?** Sara Ahmed,2019-10-25 In What s the Use Sara Ahmed continues the work she began in The Promise of Happiness and Willful Subjects by taking up a single word in this case use and following it around She shows how use became associated with life and strength in nineteenth century biological and social thought and considers how utilitarianism offered a set of educational techniques for shaping individuals by directing them toward useful ends Ahmed also explores how spaces become restricted to some uses and users with specific reference to universities She notes

however the potential for queer use how things can be used in ways that were not intended or by those for whom they were not intended Ahmed posits queer use as a way of reanimating the project of diversity work as the ordinary and painstaking task of opening up institutions to those who have historically been excluded [The Routledge Handbook of Male Sex Work, Culture, and Society](#) John Geoffrey Scott, Christian Grov, Victor Minichiello, 2021-03-21 Panoramic and provocative in its scope this handbook is the definitive guide to contemporary issues associated with male sex work and a must read for those who study masculinities male sexuality sexual health and sexual cultures This groundbreaking volume will have a powerful impact on our understanding of this challenging elusive subject While the internet has brought the previously hidden worlds of male sex work more starkly into public view academic research has often remained locked into descriptions of male sex workers and their clients as perverse Drawing from a variety of regions the chapters provide insights into the historical popular cultural social and economic aspects of sex work as well as demographic patterns health outcomes and policy issues This approach shifts thought on male sex work from a hidden social problem to a publicly acknowledged social phenomenon The book challenges myths and reconceptualizes male sex work as a discrete field Importantly it provides a vehicle for the voices of male sex workers and new and established scholars This richly detailed humane and innovative collection retrieves male sex work from silence and invisibility on the one hand and its association with scandal and stigma on the other The findings within have profound implications for how governments approach public health and regulation of the sex industry and for how society can make sense of the complexities of human sexualities A compelling scholarly read and a major contribution to a commercial sector that is often neglected in policy debates on sex work this handbook will be of great interest to scholars of criminology sociology gender studies and cultural studies and all those interested in male sex work *Other, Please Specify* D'Lane Compton, Tey Meadow, Kristen Schilt, 2018-07-31 This provocative collection showcases the work of emerging and established sociologists in the fields of sexuality and gender studies as they reflect on what it means to develop practice and teach queer methods Located within the critical conversation about the possibilities and challenges of utilizing insights from humanistic queer epistemologies in social scientific research *Other Please Specify* presents to a new generation of researchers an array of experiences insights and approaches revealing the power of investigations of the social world With contributions from sociologists who have helped define queer studies and who use a range of interpretative and statistical methods this volume offers methodological advice and practical strategies in research design and execution all with the intent of getting queer research off the ground and building a collaborative community within this emerging subfield

*Re/Orienting Writing Studies* William P. Banks, Matthew B. Cox, Caroline Dadas, 2019-04-15 *Re Orienting Writing Studies* is an exploration of the intersections among queer theory rhetoric and research methods in writing studies Focusing careful theoretical attention on common research practices this collection demonstrates how queer rhetorics of writing composing textual analysis history assessment and embodiment identity significantly alter both methods and methodologies in writing

studies The chapters represent a diverse set of research locations and experiences from which to articulate a new set of innovative research practices While the humanities have engaged queer theory extensively research methods have often been hermeneutic or interpretive At the same time social science approaches in composition research have foregrounded inquiry on human participants but have often struggled to understand where lesbian gay bisexual transgender and queer people fit into empirical research projects Re Orienting Writing Studies works at the intersections of humanities and social science methodologies to offer new insight into using queer methods for data collection and queer practices for framing research Contributors Chanon Adsanatham Jean Bessette Nicole I Caswell Michael J Faris Hillery Glasby Deborah Kuzawa Maria Novotny G Patterson Stacey Waite Stephanie West Puckett

**Love Don't Need a Reason** Matthew J. Jones, 2020 From a stage erected in front of the US Capitol on April 25 1993 Michael Callen surveyed the throng an estimated one million people stretched across the National Mall in the largest public demonstration of queer political solidarity in history What a sight he told the crowd his earnest Midwestern twang reverberating through loudspeakers You re a sight for sore eyes Being gay is the greatest gift I have ever been given and I don t care who knows about it He then launched into a gorgeous rendition of Love Don t Need a Reason the AIDS anthem he composed with Marsha Malamet and the late Peter Allen As Callen finished singing people stood cheering and flashing the familiar American Sign Language symbol for I Love You For they knew the song s sentiment rang true for Callen who had recently announced his retirement from music and activism after a living for more than a decade with what was then called full blown AIDS After the March on Washington Callen returned to his recently adopted West Coast home Los Angeles In the ensuing months his health rapidly declined and on 27 December 1993 Callen died of AIDS related pulmonary Kaposi s sarcoma Love Don t Need a Reason focuses on Callen s most important and lasting legacy his music A witness to the overlooked last years of Gay Liberation and a major figure in the early years of the AIDS crisis Michael Callen chronicled these experiences in song A community organizer activist author and architect of the AIDS self empowerment movement he literally changed the way we have sex in an epidemic when he co authored one of the first safe sex guides in 1983 A gifted singer songwriter and performer he also made gay music for gay people and used music to educate and empower people with AIDS Listening again to his music allows us to hear the shifting dynamics of American families changing notions of masculinity gay migration to urban areas the sexual politics of Gay Liberation and HIV AIDS activism Using extensive archival materials and newly conducted oral history interviews with Callen s friends family and fellow musicians Matthew J Jones reintroduces Callen to the history of LGBTQIA music and places Callen s music at the center of his important activist work
