Romagnoli, Gian S. Pagnucci, 2013-06-20 Ever since the first appearances of Superman and Batman in comic books of the late 1930s superheroes have been a staple of the popular culture landscape Though initially created for younger audiences superhero characters have evolved over the years becoming complex figures that appeal to more sophisticated readers While superhero stories have grown ever more popular within broader society however comics and graphic novels have been largely ignored by the world of academia In *Enter the Superheroes: American Values, Culture and the Canon of Superhero Literature* Alex S. Romagnoli and Gian S. Pagnucci argue that superheroes merit serious study both within the academy and beyond By examining the kinds of graphic novels that are embraced by the academy this book explains how superhero stories are just as significant Structured around key themes within superhero literature the book delves into the features that make superhero stories a unique genre The book also draws upon examples in comics and other media to illustrate the sociohistorical importance of superheroes from the interplay of fans and creators to unique narrative elements that are brought to their richest fulfillment within the world of superheroes A list of noteworthy superhero texts that readers can look to for future study is also provided In addition to exploring the important roles that superheroes play in children's learning the book also offers an excellent starting point for discussions of how literature is evolving and why it is necessary to expand the traditional realms of literary study *Enter the Superheroes* will be of particular interest to English and composition teachers but also to scholars of popular culture and fans of superhero and comic book literature **Marvel Universe Vs. The Punisher** Jonathan Maberry, 2011-01-05 Collects Marvel Universe vs Punisher 1 4 A terrible plague has swept the Earth turning everyone into sadistic cannibal predators including heroes like Spider-Man and the Hulk Now five years later one man stands against the hordes of monsters who hunt the night He is the Punisher the Last Gun on Earth And he has an endless supply of ammunition **House of M** Peter David, 2006-02-08 In the Australian outback Bruce Banner has found a peace he's never known among a tribe of Aborigines But when their safety is threatened by a battle between a sect of AIM and the ruling totalitarian mutant government the Hulk is forced to intervene in a big way A House of M tie-in as the aforementioned House discovers that there is one mortal in the entire world that can stand against it and he's drawing an
