The Ashgate Research Companion to Critical Geopolitics Merje Kuus, 2016-04-01 Since the late 1980s critical geopolitics has gone from being a radical critical perspective on the disciplines of political geography and international relations theory to becoming a recognised area of research in its own right Influenced by poststructuralist concerns with the politics of representation critical geopolitics considers the ways in which the use of particular discourses shape political practices Initially critical geopolitics analysed the practical geopolitical language of the elites and intellectuals of statecraft Subsequent iterations have considered the role that popular representations of the international political world play As critical geopolitics has become a more established part of political geography it has attracted ever more critique from feminists for its apparent blindness to the embodied effects of geopolitical praxis and from those who have been uncomfortable about its textual focus while others have challenged critical geopolitics to address alternative resistant forms of geopolitical practice Again critical geopolitics has been reworked to incorporate these challenges and the latest iterations have encompassed normative agendas non representational theory emotional geographies and affect It is against the vibrant backdrop of this intellectual development of critical geopolitics as a subdiscipline that this Companion is set Bringing together leading researchers associated with the different forms of critical geopolitics this volume produces an overview of its achievements limitations and areas of new and potential future development The Companion is designed to serve as a key resource for an interdisciplinary group of scholars and practitioners interested in the spatiality of politics

Queering Knowledge Paul Boyce, E.J. Gonzalez-Polledo, Silvia Posocco, 2019-08-28 This volume draws on the significance of the work of Marilyn Strathern in respect of its potential to

queer anthropological analysis and to foster the reimagining of the object of anthropology The authors examine the ways in which Strathern's varied analytics facilitate the construction of alternative forms of anthropological thinking and greater understanding of how knowledge practices of queer objects subjects and relations operate and take effect Queering Knowledge offers an innovative collection of writing bringing about queer and anthropological syntheses through Strathern's oeuvre It will be relevant to scholars from anthropology as well as a number of other disciplines including gender sexuality and queer studies Winner of the 2020 Ruth Benedict Prize for Outstanding Edited Volume Routledge Handbook on Middle East Cities Haim Yacobi, Mansour Nasasra, 2019-07-01 Presenting the current debate about cities in the Middle East from Sana'a Beirut and Jerusalem to Cairo Marrakesh and Gaza the book explores urban planning and policy migration gender and identity as well as politics and economics of urban settings in the region This handbook moves beyond essentialist and reductive analyses of identity urban politics planning and development in cities in the Middle East and instead offers critical engagement with both historical and contemporary urban processes in the region Approaching Cities as multi-dimensional sites products of political processes knowledge production and exchange and local and global visions as well as spatial artefacts Importantly in the different case studies and theoretical approaches there is no attempt to idealise urban politics planning and everyday life in the Middle East which as with many other cities elsewhere are also situations of contestation and violence but rather to highlight how cities in the region and especially those which are understudied revolve around issues of housing infrastructure participation and identity amongst other concerns Analysing a variety of cities in the Middle East the book is a significant contribution to Middle East Studies It is an essential resource for students and academics interested in Geography Regional and Urban Studies of the Middle East

Protest Camps in International Context Gavin Brown, Anna Feigenbaum, Fabian Frenzel, Patrick McCurdy, 2017-03-29 From the squares of Spain to indigenous land in Canada protest camps are a tactic used around the world Since 2011 they have gained prominence in recent waves of contentious politics deployed by movements with wide-ranging demands for social change Through a series of international and interdisciplinary case studies from five continents this topical collection is the first to focus on protest camps as unique organisational forms that transcend particular social movements contexts Whether erected in a park in Istanbul or a street in Mexico City the significance of political encampments rests in their position as distinctive spaces where people come together to imagine alternative worlds and articulate contentious politics often in confrontation with the state Written by a wide range of experts in the field the book offers a critical understanding of current protest events and will help better understanding of new global forms of democracy in action
