

THE REMARKABLE STORY OF BRIAN CLOUGH'S
EUROPEAN CUP-WINNING TEAM

I BELIEVE IN MIRACLES

DANIEL TAYLOR FOREWORD BY
JOSE MOURINHO

Nice Book Believe Miracles Remarkable European Cup Winning

Guillem Balague

Nice Book Believe Miracles Remarkable European Cup Winning:

I Believe In Miracles Daniel Taylor, Jonny Owen, 2015-11-12 On January 6 1975 Nottingham Forest were thirteenth in the old Second Division five points above the relegation places and straying dangerously close to establishing a permanent place for themselves among football's nowhere men. Within five years Brian Clough had turned an unfashionable and depressed club into the kings of Europe beating everyone in their way and knocking Liverpool off their perch long before Sir Alex Ferguson and Manchester United had the same idea. This is the story of the epic five year journey that saw Forest complete a real football miracle and Clough brilliantly restore his reputation after his infamous 44 day spell at Leeds. United Forest won the First Division championship two League Cups and back to back European Cups and they did it incredibly with five of the players Clough inherited at a club that was trying to avoid relegation to the third tier of English football. **I Believe In Miracles** accompanies the critically acclaimed documentary and DVD of the same name. Based on exclusive interviews with virtually every member of the Forest team it covers the greatest period in Clough's extraordinary life and brings together the stories of the unlikely assortment of free transfers, bargain buys, rogues, misfits and exceptionally gifted footballers who came together under the most charismatic manager there has ever been. **Angels With Dirty Faces** Gary Clarke, Paul D.

Lowe, 2023-02-04 In 1938 in the Depression with WWII on the horizon movie going audiences were riveted by **Angels with Dirty Faces** the morality tale of a priest trying to stop a gangster from corrupting street kids. Flash forward to 1960s and 1970s Nottingham England the home of Robin Hood where two lads who never met each other until later in life grew up humbly and with many challenges. They both took paths that like the gangster in the movie led them to an extraordinary destiny as world game changers. What did they decide to do next? Create a series of podcasts that became the basis for a book. **Missional Architect** author, educator, podcaster and Nottingham Forest fan Paul D Lowe sits down with Nottingham Forest fan, author, sports figure and former football hooligan Gary Boatsy Clarke to compare childhoods, ponder fatherhood, share favourite music, they both jam to Sinatra and reveal never before shared secrets and of course to talk football. Lots of it. There are life lessons and bouts of philosophy about the beautiful game of football and the beautiful game of life. Gary and Paul are joined by a few friends as guest interviewers: Kristin Johnson, Keith Amoss, Mick Garton, Rebecca Wheele, Darryl Claypole, Jason Kehoe and Andrew Batt. Think of it as a group of friends having a series of intimate chats over a cup of tea and a slice of cake. And along the way the dirty faces fall away to reveal the angels underneath. **Quiet Genius** Ian Herbert, 2017-05-04 SHORTLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR 2017 SHORTLISTED FOR THE FOOTBALL BOOK OF THE YEAR SPORTS BOOK AWARDS 2018 The full story of the man who brought unprecedented and since unmatched success to Liverpool FC. Bob Paisley was the quiet man in the flat cap who swept all domestic and European opposition aside and produced arguably the greatest club team that Britain has ever known. The man whose Liverpool team won trophies at a rate per season that dwarfs Sir Alex Ferguson's achievements at Manchester United and who remains the only Briton to lead

a team to three European Cups From Wembley to Rome Manchester to Madrid Paisley's team was the one no one could touch Working in a city which was on its knees in deep post industrial decline still tainted by the 1981 Toxteth riots and in a state of open warfare with Margaret Thatcher he delivered a golden era never re attained since which made the city of Liverpool synonymous with success and won them supporters the world over Yet thirty years since Paisley died the life and times of this shrewd intelligent visionary modest football man have still never been fully explored and explained Based on in depth interviews with Paisley's family and many of the players whom he led to an extraordinary haul of honours between 1974 and 1983 *Quiet Genius* is the first biography to examine in depth the secrets of Paisley's success It inspects his man management strategies his extraordinary eye for a good player his uncanny ability to diagnose injuries in his own players and the opposition and the wicked sense of humour which endeared him to so many It explores the North East mining community roots which he cherished and considers his visionary outlook on the way the game would develop *Quiet Genius* is the story of how one modest man accomplished more than any other football manager found his attributes largely unrecorded and undervalued and in keeping with the gentler ways of his generation did not seem to mind It reveals an individual who seemed out of keeping with the brash celebrity sport football was becoming and who succeeded on his own terms Three decades on from his death it is a football story that demands to be told

Keane: Origins Eoin O'Callaghan, 2020-08-21 Pick your favourite Roy Keane moment The header against Juventus The tunnel clash with Patrick Vieira The bone crunching challenge on Marc Overmars at Lansdowne Road All worthy choices that complement his aggressive combative warrior persona But that was Version 2.0 *Keane Origins* delves into the inexplicable story of what came before Focusing on the period between 1988 and 1993 charting Keane's journey from an economically ravaged Cork to a spectacular three season spell under Brian Clough at Nottingham Forest via a memorable stint on a government funded training scheme and brief spell in the League of Ireland With contributions from former team mates coaches and those who knew him best *Keane Origins* examines a largely over looked under appreciated and unheralded time in the legendary midfielder's career that set him on the path to immortality
