The Palm Beach Way Brigitte M. Britton, Layne D. Nisenbaum, 2005-11 This book is a collection of works discoveries gained through Clyde Anthony's dreams and visions But more than that through Carolyn Frances it's a communication with a consciousness that comes directly from the realm of dreams and visions a conscious awareness that proclaims their power bearing testimony to their place in human history and their worth in the human search for meaning a search that is borne by individual abilities the strength of the species called Human This book is an affirmation of that search a testimony to the fertility of humankind's inner life and consciousness which though it is fueled by beliefs

exists in life's fecund grounds of being beyond life itself directly to its great sources No other book goes deeper into this direct experience which is a dance with Earth itself the direct power of life Past on memory sky seed of Creature Universe moving the black winds of centuries to come Oh creature Human great gifts you bear on the vastness of time Together Earth and Human sings the life proclaiming its destined desires dancing through space hungry for the knowledge truth who are we We come together to light the spark in the dark hours of time *The illustrated London cookery book* Frederick
