Methods, Sex and Madness Dr Derek Layder, Julia O'Connell Davidson, 2012-08-21 Social research yields knowledge which powerfully affects our daily lives The facts it generates shape not just how we see ourselves and others but also whether or not we see the existing status quo as normal just and legitimate This book examines and questions the methods used by social researchers to produce such knowledge It focuses chiefly on research into human sexuality and madness It introduces and critically assesses everything from survey methods to participant observation It opens up broader philosophical debates about the nature of knowledge and highlights issues surrounding the ethics and politics of research The book looks at the research community and the research process in detail before moving on to examine the main techniques used in social research the use of official statistics the survey method interviewing laboratory observation ethnography the use of documentary sources textual analysis By exploring both technical and conceptual problems in the work of researchers like Freud and Kinsey and by considering the difficulties faced by researchers concerned with phenomena such as rape witch hunts and prostitution this book makes methodological issues both interesting and accessible

Sexuality, Human Rights, and Public Policy Chima J. Korieh, Elizabeth O. Onogwu, 2019-11-12 Sexuality Human Rights and Public Policy explores the intersection of public policy human rights and sexuality as they relate to inclusion and exclusion across diverse cultural settings It examines how knowledge is formed and experienced at the intersections of culture sexuality race and other axes of identity This volume engages an array of questions including how public policy shapes the conceptualization of sexuality and rights and by extension the phenomena of inclusion and exclusion in contemporary society across the world By evaluating how public discourse is employed to reinscribe differences of gender sexuality and rights of citizens this book provides a comparative analysis of how these processes and dynamics resemble each other or differ cross culturally This book demonstrates that in the realm of sexualities approached from the ideal of human rights as a predominantly Western notion is increasingly challenged by diverse views and new interpretations of human rights in non Western societies such as Africa and the Middle East

Sexual Violence Against Children in Britain Since 1965 Nick Basannavar, 2021-11-30 This book investigates the changes and continuities in the ways in which sexual violence has been interpreted and represented in Britain since 1965 It explores the representational trail of the Moors murders and subsequent trial of 1966 the emergence of age of consent abolitionism in the 1970s Cleveland's child sexual abuse crisis of 1987 8 and 2010 and 20s contemplations on the Jimmy Savile scandal Harnessing research into popular media forms and a huge range of personal political and professional records Nick Basannavar carefully parses and illustrates the ways in which journalists medical workers politicians lobbyists and other groups assembled and animated their narratives revealing complex rhetorical and emotional processes This book challenges problematic conceptual dichotomies such as silence noise or ignorance knowledge It shows instead that although categories such as child sexual abuse and paedophilia may be

relatively recent linguistic value constructs sexual violence against children has existed and been represented across historical moments in changeable and challenging ways

Negotiating Sex Work Carisa R. Showden, Samantha Majic, 2014-04-01 Globally discussions about sex work focus on exploitation The media regularly provides us with stories about teen girls coerced to perform sexual acts for money frequently beaten and robbed by their pimps or traffickers While one would have to be hard pressed to deny that sex workers are victimized the popular media and our political leaders emphasize sex work as exclusively exploitative In *Negotiating Sex Work* Carisa R Showden and Samantha Majic present a series of essays that depict sex work as an issue far more complex than generally perceived Positions on sex work are primarily divided between those who consider that selling sexual acts is legitimate work and those who consider it a form of exploitation Organized into three parts *Negotiating Sex Work* rejects this either/or framework and offers instead diverse and compelling contributions that aim to reframe these viewpoints Part I addresses how knowledge about sex work and sex workers is generated The next section explores how nations and political actors who claim to protect individuals in sex work often further marginalize them Finally part III examines sex workers own political organizational efforts to combat laws and policies that deem them deviant sinful or total victims A timely and necessary intervention into sex work debates this volume challenges how policy makers and the broader public regard sex workers capacity to advocate for their own interests Contributors Cheryl Auger Sarah Beer Dawson College Montreal Michele Tracy Berger U of North Carolina Chapel Hill Thaddeus Gregory Blanchette Federal U of Rio de Janeiro Raven Bowen Gregg Bucken Knapp U of Gothenburg Sweden Ana Paula da Silva Federal U of Vi o sa Valerie Feldman Gregor Gall U of Bradford Kathleen Guidroz Georgetown U Annie Hill U of Minnesota Johan Karlsson Schaffer U of Oslo Edith Kinney Mills College Yasmin Lalani Pia Levin Alexandra Lutnick Tamara O Doherty U of the Fraser Valley British Columbia Joyce Outshoorn U of Leiden Francine Tremblay Concordia U Montreal
