### **Metric Pattern Cutting For Women S Wear 5th Edition:**

*Metric Pattern Cutting for Women's Wear* Winifred Aldrich, 2009-03-16 *Metric Pattern Cutting for Women s Wear* first published in 1975 provides a straightforward introductory book for students beginning courses in flat pattern cutting This fifth edition continues to offer an introduction to the principles of pattern cutting with a range of good basic blocks and examples of their application to garments New for this edition is the inclusion of colour to help students recognize the different sections of the book and to enhance the garment illustrations Colour illustrations also offer a new dimension to the updated material on computer aided design and the CAD chapter now provides students with a clear guide to the technology The size charts have been revised to reflect the changes in body sizing the co ordination with European size charts and to the way that clothes are now marketed to different sectors The great expansion of casual wear has led to the growth of flat cutting with no darting and the section devoted to this type of cutting has been further expanded This best selling textbook with its tried and tested presentation of authoritative text and clear diagrams remains the essential purchase for students of fashion and design

**Metric Pattern Cutting for Menswear** Winifred Aldrich, 2012-06-27 Since the first edition was published in 1980 *Metric Pattern Cutting for Menswear* has become established as the standard work on this subject and has proved invaluable as both a textbook for students and a reference source for the practising designer In this fifth edition the chapter on computer aided design now has full colour illustrations and reflects the growing importance of CAD to the industry and as a part of fashion and design courses The rest of the book has been updated where necessary in particular new blocks for tailored shirts new details on how to adapt men s blocks for women s wear and a revision of sizing and labelling information Colour is now used to differentiate the main groups of patterns and with its tried and tested layout with clear text and diagrams *Metric Pattern Cutting for Menswear* is an essential purchase for students of fashion and design

**Metric Pattern Cutting for Women's Wear** Winifred Aldrich, 2015-04-06 *Metric Pattern Cutting for Women s Wear* provides a straightforward introduction to the principles of form pattern cutting for garments to fit the body shape and flat pattern cutting for casual garments and jersey wear This sixth edition remains true to the original concept it offers a range of good basic blocks an introduction to the basic principles of pattern cutting and examples of their application into garments Fully revised and updated to include a brand new and improved layout up to date skirt and trouser blocks that reflect the changes in body sizing along with updates to the computer aided design section and certain blocks illustrations and diagrams This best selling textbook still remains the essential purchase for students and beginners looking to understand pattern cutting and building confidence to develop their own pattern cutting style

**Metric Pattern Cutting for Children's Wear and Babywear** Winifred Aldrich, 2012-06-27 This fourth edition of *Metric Pattern Cutting for Children s Wear and Babywear* remains the standard text book but has three major improvements First the sections have been re organised to reflect changes in producing and marketing children s clothes Today s popularity of easy fitting styles and knitted fabrics

means that basic flat pattern cutting is used to construct the majority of children's wear and babywear and this type of cutting is therefore emphasised in this new edition Shaped blocks and garments cut to fit the body form are still included and are placed in chapters covering some school uniform garments or more expensive fashion or formal clothes The book now clearly separates the sections useful to student beginners Parts One Two and Three and also offers more advanced or specialist sections for students who wish to pursue a career in children's wear or for designers working in the different manufacturing sectors of the trade The second change in this fourth edition is the introduction of colour coding to the sections this makes it easier to identify specific processes in the book and enhances the illustrations Finally the size charts have been revised to reflect the changes in body sizing The clear division of the boys and girls measurements in the charts has been in response to the way clothes are marketed and to co-ordinate with European size charts Plus charts for heavier children have also been added [Metric Pattern Cutting \(Women\)](#) Winifred Aldrich,1991-01-01 **Metric Pattern**
