Readers can't get enough of the Metro series. What can I say once you pick up this book and start reading, it's just amazingly hard to actually put it down until you finish. And after that, you just want MORE.

Goodreads reviewer: This does everything right in its additions to the metro world. A great story with super fleshed-out characters who have all been warped by the new life humanity leads underground.

Goodreads reviewer: The author is particularly good at character development and world building. I've read a lot of dystopian novels, but nothing like Metro 2033 and Metro 2034.

Goodreads reviewer: What a sequel! From page 1 on, you get soaked into this dark, creepy, and yet beautiful universe.

Goodreads reviewer: Metro 2034 is an amazing book; it shows tremendous amount of thought. The post-apocalyptic sci-fi feel of the book makes it very exciting.
