Teachable Moments James V. Colubiale,2023-10-12 While preparing his classroom for his first day as a teacher Jason discovered his deceased predecessor s 180 day digital lesson plan journal on a computer file entitled A Classroom Compendium to Whimsy and Delirium and the 5 Other Dwarfs Out of sheer curiosity he began to read from the log and quickly realized that he was learning more about teaching from this journal than from any college education class he ever took

I'd Like to Apologize to Every Teacher I Ever Had Tony Danza,2013-09-03 I d Like to Apologize to Every Teacher I Ever Had is television screen and stage star Tony Danza s absorbing account of a year spent teaching tenth grade English at Northeast High Philadelphia s largest high school with 3600 students Entering Northeast s crowded halls in September of 2009 Tony found his way to a classroom filled with twenty six students who were determined not to cut him any slack They cared nothing about Mr Danza s showbiz credentials and they immediately put him on the hot seat Featuring indelible portraits of students and teachers alike I d Like to Apologize to Every Teacher I Ever Had reveals just how hard it is to keep today s technologically savvy and often alienated students engaged how impressively committed most teachers are and the outsized role counseling plays in a teacher s day given the psychological burdens many students carry The book also makes vivid how a modern high school works showing Tony in a myriad of roles from lecturing on *To Kill a Mockingbird* to coaching the football team to organizing a talent show to leading far flung field trips to hosting teacher gripe sessions A surprisingly poignant account I d Like to Apologize to Every Teacher I Ever Had is sometimes laugh out loud funny but is mostly filled with hard won wisdom and feel good tears

after his last book of poems we have a glorious new volume from Richard Kenney who has been hailed by The New York Review of Books as one of the most gifted and multifaceted and original of American poets In The One Strand River Kenney has tales to tell of loves births and confounding politics in lively quicksilver language that surprises at every turn We meet the poet as a middle aged husband walking the dog confiding Churlish thoughts bedevil me often Sunshine girls half my age

the future unseen perishing armies He swings between surreal dawn vistas and the unsettling sight of seventh grade girls circling his teenage son between the pleasure of a New Year s celebration with Nipperkin and striking a note that is rare in contemporary poetry satirical attack with an eye on the news of the day A master of many tones Kenney recalls a nursery rhyme in the title poem Gray goose and gander How long have we together and ponders the one strand river that is the sea with its one encircling shore and its tidal pull on both the landscape and the human heart Kenney is never a confessional poet yet we meet a powerful mind here that of a man who is always responding to provocations seen and unseen taking pleasure in the possibilities of words themselves tossing them up into the daily storm of our vexations and our perilous happiness

Beginning Teachers Michael Crowhurst, 2015-04-27 In this collection of narratives beginning teachers describe and reflect on critical incidents classes that didn t quite go to plan These experiences are recalled in a general way and all names and locations are fictionalized Each narrative while situated in a classroom focuses on the experience of the teacher author and sheds light on their thinking as they work through the complex event they are remembering Beginning teachers then imagine how they might approach a similar situation in the future While developing reflective practice techniques can support and enhance individual practice when these accounts are shared with others there is some scope for enhancing educative experiences generally There is a long tradition of reflective practice writing in education and this small workbook aims to make a contribution to this genre Each reflective practitioner narrative is followed with an invitation to discussion section and periodically through the workbook sideline methodologies are introduced that readers can use to support further analysis The beginning teacher narratives are authentic complex and alive and as a consequence they will generate lively discussion in tutorial spaces with beginning teachers The materials are informed by various strands of poststructural and critical theory and therefore they are intended to reflect a dialogic stance rather than signpost specific directions
