**Economics: A Contemporary Introduction** William A. McEachern, 2008-01-08 Easy to understand and filled with lively real world examples ECONOMICS A CONTEMPORARY APPROACH Eighth Edition is your ideal introduction to the principles of economics McEachern approaches the course by using many economic concepts that you ve likely encountered in your own life experiences These life experiences are then explained as economic concepts through interesting case studies and a clean focused design The case studies are found throughout the text giving you genuine insight into how economic principles work in the real world McEachern s approachable style is enhanced by the powerful learning tools you ll find on Aplia a web based educational program designed to improve your understanding and your grade Important Notice Media content referenced within the product description or the product text may not be available in the ebook version

**Microeconomics** William A McEachern, 2017 **Microeconomics: A Contemporary Introduction + Macroeconomics: A Contemporary Introduction** Paul Crompton, Michael Swann, 2006-12-01 Microeconomics Michael J. Swann, William A. McEachern, 2003 Offers a broad non threatening approach to the core principles of microeconomics cover **Microeconomics** Michael J. Swann, John Lunn, 2003 **Microeconomics** Michael J. Swann, William A. McEachern, 2006 Microeconomics is the study of the decisions of individual people and businesses and the interaction of those decisions in markets The strengths of the 2nd edition have been the basis for the evolution of the text from a simple principles approach to a more integrated and focused approach with the content now rearranged into six parts Economic efficiency is a core theme throughout and there is the addition of new material on market applications producer choice government and markets and competition policy and microeconomic reform Examples and case studies are also drawn from Australia and the Asia Pacific region ensuring relevance to local students There is also major improvement in the design

especially the presentation of graphs making the text more accessible and engaging for students The familiar features of the 2nd edition also remain including text linked learning objectives full colour graphics margin definitions chapter summaries review questions and problem sets
