Partners Healing Health Recovery Alkalized:

Soul Gifts Barbara Gill, 2006 *Soul Gifts* is for all women and for men who are not afraid to connect to that vulnerable place of soul. It is a book to talk about over coffee to share with partners, mates, friends, and family. It is a self-help book that does not tell the reader what to do; that responsibility rests with every soul. The Voices Within are the string of the book. Not only the author's voice is heard, Barbara speaks of how we are all connected, The Human Chain, and how we can use this connection for peace and prosperity, not by organizing for the cause but by living it one at a time. You, You can, You will. Soul Rubbing Exercises. A Personal Vision Quest is the companion book. Complementary Downloads Available. Barbara J. Gill. Artwork and Song. Harry L. Gill. Balance and heal your mind, body, and soul by tapping into the connections between your chakras and your diet. *Chakras Food and You* is a revolutionary approach that customizes health assessments based on the chakras, the ancient system that modern-day yogis exalt and the ancients across all cultures and periods embraced as the secret to enlightenment. After first taking the Chakra Type Quiz within the pages, you will learn which foods and supplements, exercises, and movements mesh to enable your individual body's peak performance. Then you'll be equipped to make eating and lifestyle choices that synchronize with your real self. If you're a First Chakra Manifestor, you'll boost your adrenals by eating plenty of protein and taking extra minerals; you'll eat when you are hungry and drive down stress by moving around. If you are a Third Chakra Thinker, you have to graze at set times. All twelve chakras, Manifestor, Creator, Thinker, Relator, Communicator, Visualizer, Spiritualist, Mystic, Harmonizer, Naturalist, Commander, as well as a twelfth special chakra unique to each individual, are thoroughly covered. With additional tips and thoughts on meditation and spiritual practices, sleep protocols, stress busters, and relaxation practices, and self-care rituals and activities. Cyndi Dale and Dana Childs's *Chakras Food and You* is an accessible and straightforward health and life changer. [Medical-Surgical Nursing - E-Book](#) Donna D. Ignatavicius, M.
