Party Politics In New Democracies Comparative Politics

Petr Kopecký, Peter Mair, Maria Spirova

Party Politics In New Democracies Comparative Politics:

Party Politics in New Democracies Paul Webb, Stephen White, 2007-09-20 Comparative Politics is a series for students and teachers of political science that deals with contemporary government and politics. The General Editors are Professor Alfio Mastropaolo, University of Turin and Kenneth Newton, University of Southampton and Wissenschaftszentrum Berlin. The series is published in association with the European Consortium for Political Research. The sister volume to Political Parties in Advanced Industrial Democracies, this book offers a systematic and rigorous analysis of parties in some of the world's major new democracies. Drawing on a wealth of expertise and data, the book assesses the popular legitimacy, organizational development and functional performance of political parties in Latin America and postcommunist Eastern Europe. It demonstrates the generational differences between parties in the old and new democracies and reveals contrasts among the latter. Parties are shown to be at their most feeble in those recently transitional democracies characterized by personalistic, candidate-centred forms of politics, but in other new democracies, especially those with parliamentary systems, parties are more stable and institutionalized, enabling them to facilitate a meaningful degree of popular choice and control. Wherever party politics is weakly institutionalized, political inequality tends to be greater, commitment to pluralism less certain, clientelism and corruption more pronounced, and populist demagoguery a greater temptation. Without party democracy's hold is more tenuous.

Political Parties in New Democracies Ingrid van Biezen, 2003-07-01 Ingrid van Biezen provides a comprehensive comparative analysis of party formation and organizational development in recently established democracies. She focuses on four democracies in Southern and East Central Europe and addresses political parties from a cross-regional perspective. Featuring a wealth of new information on party organization, this book provides a valuable theoretical and empirical contribution to our understanding of political parties in both old and new democracies.

Party Patronage and Party Government in European Democracies Petr Kopecký, Peter Mair, Maria Spirova, 2012-07-26 Party Patronage and Party Government in European Democracies brings together insights from the worlds of party politics and public administration in order to analyze the role of political parties in public appointments across contemporary Europe. Based on an extensive new data gathered through expert interviews in fifteen European countries, this book offers the first systematic comparative assessment of the scale of party patronage and its role in sustaining modern party governments. Among the key findings are: First, patronage appointments tend to be increasingly dominated by the party in public office rather than being used or controlled by the party organization outside parliament. Second, rather than using appointments as rewards as used to be the case in more clientelistic systems in the past, parties are now more likely to emphasize appointments that can help them to manage the infrastructure of government and the state. In this way, patronage becomes an organizational rather than an electoral resource. Third, patronage appointments are increasingly sourced from channels outside of the party, thus helping to make parties look increasingly like network organizations primarily constituted by their leaders and their personal and

political hinterlands Comparative Politics is a series for students teachers and researchers of political science that deals with contemporary government and politics Global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.essex.ac.uk/ecpr The Comparative Politics series is edited by Professor David M Farrell School of Politics and International Relations University College Dublin Kenneth Carty Professor of Political Science University of British Columbia and Professor Dirk Berg Schlosser Institute of Political Science Philipps University Marburg

Party Vibrancy and Democracy in Latin America Fernando Rosenblatt,2018-05-01 In Party Vibrancy and Democracy in Latin America Fernando Rosenblatt sheds new light on why some parties remain lively organizations that generate intense attachment over time He concentrates on party performance in three of the region s more stable countries Chile Costa Rica and Uruguay because they are regarded as consolidated democracies with records of good governance Even in some of these countries he shows party instability is a problem

Parliamentary Opposition in Old and New Democracies Ludger Helms,2013-10-18 Previously published as a special issue of the Journal of Legislative Studies this volume offers a broad comparative assessment of the many faces of parliamentary opposition in different political legal and cultural settings Issues of political opposition and of parliamentary opposition in particular are at the very heart of the study of democratic processes in different parts of the world Written by leading scholars in the field this book looks both at the core features of the parliamentary opposition itself and its role in the legislative and wider political process This includes an inquiry into the manifold challenges that the parliamentary opposition in many countries has come to face in the more recent past in particular the rise of different non parliamentary opposition actors The countries covered in this volume include the old democracies of the Anglo Saxon world continental Europe and Japan and the new democracies and democratizing regimes in Central and Eastern Europe Latin America and South Africa Another chapter looks at the manifestations of parliamentary opposition within the multi level system of the European Union

Competition and Cooperation in Social and Political Sciences Isbandi Rukminto Adi,Rochman Achwan,2017-12-01 The book contains essays on current issues in Social and Political Sciences such as the issues of governance and social order social development and community development global challenges and inequality civil society and social movement IT based community and social transformation poverty alleviation and corporate social responsibility and gender issues Asia and the Pacific are the particular regions that the conference focuses on as they have become new centers of social and political development Therefore this book covers areas that have been traditionally known as the social and political areas such as communication studies political studies governance studies criminology sociology social welfare anthropology and international relations

Party Organization and Electoral Volatility in Central and Eastern Europe Sergiu Gherghina,2014-10-17 Political parties in post communist countries have very high levels of electoral volatility In these environments political factions fail to establish long term connections with the

electorate and thus regularly rise and fall from the political arena This book provides an organizational explanation for the variations in party level electoral volatility It looks comparatively at 29 political parties in six Central and Eastern European democracies between 1990 and 2008 to examine how political parties can influence their electoral environment Using empirical evidence Gherghina tests the effect of candidate selection procedures membership organizations and re nomination of incumbent MPs on voters loyalty and in doing so demonstrates how party organization greatly affects electoral stability Including case studies from Bulgaria Czech Republic Hungary Poland Romania and Slovakia this book will be of interest to students and scholars of comparative politics party politics democratization elections and Central and Eastern European politics

Political Parties and the State in Post-Communist Europe Petr Kopecky, 2007-10-11 Previously published as a special issue of The Journal of Communist Studies and Transition Politics this volume analyzes the party state linkages in post communist Europe alongside three analytical dimensions

Democracy Within Parties Reuven Y. Hazan, Gideon Rahat, 2010-07 This text presents a new approach to understanding political parties It sheds light on the inner dynamics of party politics and offers a comprehensive analysis of one of the most important processes any party undertakes its process of candidate selection

Semi-Presidentialism Robert Elgie, 2011-08-25 This book examines the relationship between semi presidentialism and democratic performance Semi presidentialism where a constitution provides for both a directly elected president and a prime minister and cabinet responsible to the legislature has become the regime type of choice for new democracies There are now over 50 countries in the world with a semi presidential constitution and the vast majority of these countries have chosen this form of government since the early 1990s This book operationalises Shugart and Carey s distinction between president parliamentarism where the prime minister is responsible to both the legislature and to the directly elected president and premier presidentialism where the prime minister is responsible to the legislature alone The book shows that all else equal the president parliamentary sub type is more likely to be associated with a poorer democratic performance than its premier presidential counterpart The evidence is based on a mixed method approach including large n comparative statistical studies of all semi presidential democracies since 1919 as well as in depth case studies Comparative Politics is a series for students teachers and researchers of political science that deals with contemporary government and politics Global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.essex.ac.uk/ecpr

Against All Odds Max Bader, 2025-10-01 As part of a wider democracy promotion effort political parties in Georgia and Ukraine as in most other post communist states have received assistance from a number of non governmental but governmentfunded western organizations for most of the post communist period This assistance however has persistently failed to contribute to making parties in the two former Soviet republics substantially more stable democratic and representative In searching for an answer to why the assistance has not been more effective this thesis looks

both at the nature of the assistance and the particularities of party politics in Georgia and Ukraine The thesis argues that as a consequence of domestic constraints on party development political parties in Georgia and Ukraine were essentially unsuitable as recipients of party assistance and that therefore party assistance was poorly positioned to make an impact

The Deinstitutionalization of Western European Party Systems Alessandro Chiaramonte, Vincenzo

Emanuele, 2022-04-18 This book offers a systematic and far reaching account of party system institutionalization in Western Europe Drawing upon a wide array of data and through a comparison of 20 countries from the end of WWII to 2019 across three arenas of party competition electoral parliamentary and governmental ones the empirical analysis shows that over the past decade the level of institutionalization in the Western European party systems has dramatically declined compared with previous decades Electoral parliamentary and in some cases governmental instability and unpredictability have reached record high levels Although the impact of the 2008 Great Recession has certainly worked as a catalyst this process of deinstitutionalization has been mainly driven by long term factors such as cleavage decline and length of democratic experience Moreover its consequences are relevant not only for the relationship between parties and voters but also for the very quality of democracy as party system deinstitutionalization causes a decline in the citizens satisfaction of the way democracy works and even an erosion of the objective democratic standards In a nutshell Western Europe once seen as the land of stability and the cradle of democracy may have become the land of party system deinstitutionalization and incipient democratic backsliding

Party Systems in Latin America Scott Mainwaring, 2018-02-08 This book generates a wealth of new empirical information about Latin American party systems and contributes richly to major theoretical debates about party systems and democracy

How Party Activism Survives Verónica Pérez Bentancur, Rafael Piñeiro, Rafael Piñeiro Rodríguez, Fernando Rosenblatt, 2020 Explores the value of an organization centered approach to understanding parties and their role in democratic representation

Democracy and Political Change in the Third World Jeff Haynes, 2003-09-02 This book examines the experience of democracy in developing countries such as Mexico Zambia India and Indonesia The book will be of interest to scholars of Comparative Politics Third World Politics and Development studies

Party System Change, the European Crisis and the State of Democracy Marco Lisi, 2018-08-06 Party systems are crucial elements for the functioning of political systems and representative democracies With several European countries experiencing significant changes recently it is necessary to update our knowledge This volume analyses party system changes in Europe in the 21st century by considering several dimensions such as interparty competition the cleavage structure electoral volatility and the emergence of new actors The book describes the principal continuities and changes in party systems in Europe analyzes the main explanations for these trends and assesses the impact of the crisis on the patterns observed By considering a wide range of Western and Eastern European countries and focusing on the parameters of party system change this book seeks to fill an important gap in the literature through a comparative analysis of the evolution of party systems in Europe over the last

decades This book will be of key interest to scholars and students of political parties party systems and politics electoral behavior as well as more broadly to European politics comparative politics political representation and the quality of democracies *Political Opposition and Democracy in Sub-Saharan Africa* Elliott Green, Johanna Söderström, Emil Uddhammar, 2016-04-08 This book takes a closer look at the role and meaning of political opposition for the development of democracy across sub Saharan Africa Why is room for political opposition in most cases so severely limited Under what circumstances has the political opposition been able to establish itself in a legitimate role in African politics To answer these questions this edited volume focuses on the institutional settings the nature and dynamics within and between political parties and the relationship between the citizens and political parties It is found that regional devolution and federalist structures enable political opposition to organize and gain local power as a supplement to influence at the central level Generally however opposition parties are lacking in organization and institutionalization as well as in their ability to find support in civil society and promote the issues that voters find most important Overall strong executive powers unchecked by democratic institutions in combination with deferential values and fear of conflict undermine legitimate opposition activity This book was originally published as a special issue of Democratization *Democratization and Competitive Authoritarianism in Africa* Matthijs Bogaards, Sebastian Elischer, 2016-02-26 The special issue revisits Levitsky and Way s seminal study on Competitive Authoritarianism 2010 The contributions by North American European and African scholars deepen our understanding of the emergence trajectories and outcomes of hybrid regimes across the African continent Bankrupt Representation and Party System Collapse Jana Morgan, 2011 Explores the phenomenon of party system collapse through a detailed examination of Venezuela s traumatic party system decay as well as a comparative analysis of collapse in Bolivia Colombia and Argentina and survival in Argentina India Uruguay and Belgium Provided by publisher **Party System Closure** Fernando Casal Bértoa, Zsolt Enyedi, 2021 This book maps trends in inter party relations in Europe from 1848 until 2019 It investigates how the length of democratic experience the institutionalization of individual parties the fragmentation of parliaments and the support for anti establishment parties shape the degree of institutionalisation of party systems

Reviewing **Party Politics In New Democracies Comparative Politics**: Unlocking the Spellbinding Force of Linguistics

Party Politics In New Democracies Comparative Politics Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Party Politics In New Democracies Comparative Politics PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and

pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Party Politics In New Democracies Comparative Politics PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Party Politics In New Democracies Comparative Politics free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Party Politics In New Democracies Comparative Politics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Party Politics In New Democracies Comparative Politics is one of the best book in our library for free trial. We provide copy of Party Politics In New Democracies Comparative Politics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Party Politics In New Democracies Comparative Politics. Where to download Party Politics In New Democracies Comparative Politics online for free? Are you looking for Party Politics In New Democracies Comparative Politics PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then

search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Party Politics In New Democracies Comparative Politics. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Party Politics In New Democracies Comparative Politics are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Party Politics In New Democracies Comparative Politics. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Party Politics In New Democracies Comparative Politics To get started finding Party Politics In New Democracies Comparative Politics, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Party Politics In New Democracies Comparative Politics So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Party Politics In New Democracies Comparative Politics. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Party Politics In New Democracies Comparative Politics, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Party Politics In New Democracies Comparative Politics is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Party Politics In New Democracies Comparative Politics is universally compatible with any devices to read.
