The Deacon Ministry Handbook Alan Witham, 2023-01-31 If you ask any pastor what keeps their church moving forward, they will likely point to the serving work of the deacon. These special men are the foundation of healthy churches because of their unique servant leadership role, no matter the church size. Typically, they visit the homebound and the sick, as they care and pray for those in need. Seeing the actions of these servants assists aspiring deacons in understanding what a deacon does, but it does not equate to understanding what a deacon is. Through this book, Alan Witham, Steve Rice, and their teammates bring clarity to the role of deacon by providing a practical guide that serves as *The Deacon Ministry Handbook*. The authors bring decades of local church experience, having served as deacons, pastors, and consultants. **Leadership Handbook of Management and Administration** James D. Berkley, 2008 This revised and expanded edition of a proven ministry resource contains new contributions from Leith Anderson, Rick Warren, Brian McLaren, Luis Palau, John Ortberg, Aubrey Malphurs, and many others. **Issachar File**, 1999 **A Complete Manual for the Ministry of Church Music** Lindsay Terry, 2002
