Solution-Focused Pastoral Counseling Charles Allen Kollar, 2010-06-15 This groundbreaking book now updated and expanded furthers its original effective time saving approach that benefits pastors overtaxed by counseling demands Dr Charles Kollar presents a departure in pastoral counseling showing that counseling need not be long term or depend on psychological manipulation to produce dramatic results In most cases the solution lies with the counselees themselves Using the tested methods found in Solution Focused Pastoral Counseling pastors apart from counselors will be well equipped to help their counselees discover a solution and put it in motion speedily and productively SFPC is short term typically one to five sessions in which the counselor seeks to create solutions with not for the counselee The focus is on the possibility of life without the problem through an understanding of what is different when the problem does not occur or is less intrusive The goal is healthy change sooner rather than later by helping the counselee see and work on the solution with God s activity already present in his or her life The solution focused approach does not require the counselor to be a highly trained psychological expert It requires biblically based sensitivity and common sense Yet this approach also recognizes its limitations and understands that there are situations in which other professional and or medical help is required

Transformative Encounters David W. Appleby, George Ohlschlager, 2013-07-12 What would it mean for Christian counseling and pastoral care to take seriously the idea that God intervenes in the world In this volume more than twenty of the best pastoral counselors clinicians and counselor educators introduce us to the models that they use to integrate the Scriptures and the work of the Holy Spirit into their daily practice **Who's who in America** ,2003 **Pastoral Care and Counseling** Helsel, Philip Browning, 2019 Addresses the critique that pastoral care is indistinguishable from secular psychotherapy by placing a person's relationship to God at the center of pastoral care **Who's who of Emerging Leaders in America** ,1993 **Who's who in the South and Southwest** ,1993 *Pastoral Counseling: A Ministry of the Church* John H. Patton, 2002-08-27 Pastoral counseling is unique and John Patton widely known practitioner and teacher explains that uniqueness in the context of other forms of therapy available He then determines what pastoral counseling is and how it is done His theory focuses on the centrality of the pastoral relationship reclaiming pastoral counseling as a legitimate ministry of the church He shows that the pastoral relationship is common to both the generalist and the specialist in counseling and explains how his concept of relational humanness is the norm for Christian pastoral counseling The accountability of the pastoral counselor in regard to the story of Jesus in terms of his/her role and function as minister and in relation to the community the church which ordains and the peers in ministry is discussed How to structure a pastoral counseling interview how to determine the unit of care and how healing occurs in pastoral counseling are all important facets of this excellent book Case studies an index and notes are included Pastoral counseling - A ministry of the Church John Patton, 1983

Introduction to Pastoral Counseling Loren Townsend, 2009-06-01 Grounded in empirical research and richly illustrated with case studies this introduction continues the theoretical practical and theological expansion of Pastoral Care and Counseling Because of increasing cultural diversity and the fact that more training is done outside of seminaries in non seminary related colleges and universities there is fragmentation in the discipline This makes a coherent orientation to pastoral care and counseling as a ministry increasingly difficult To address this confusion author Loren Townsend calls us to readdress basic understandings He also makes the case that pastoral identity can function as a unifying concept

Gospel-Centered Family Counseling Robert W. PhD Kellemen, 2020-09-15 Pastors and counselors regularly minister to people whose marriages or families are in crisis Tempers run high and feelings are brought low when a marriage is hurting or a family is in disarray Pastors and counselors need practical biblical help in order to connect their theological training to the reality of modern messy relationships These how to training manuals provide relevant user friendly equipping for pastors counselors lay leaders educators and students enabling them to competently and compassionately relate God's Word to marriage and family life Pastoral Counseling in a Global Church Robert J. Wicks, Barry K. Estadt, 2005-12-28 Pastoral counseling is one of the fastest growing ministry specialties in the emerging world church Pastoral Counseling in a Global Church vividly presents the experiences of people involved in ministry in different cultures in Asia Africa and Latin America

as well as Europe and Australia Its practical narrative style approach complements more theoretical treatments of cross cultural counseling In our increasingly global and multicultural world sensitivity to the ways in which families and cultures are central to growth in Christian life is essential for pastoral counselors This is especially true since in many cultures the pastoral ministry is the first one people turn to for help before mental health or other professionals Those who can apply culturally relevant and sensitive pastoral skills can provide real help to those in need whether in a multicultural parish in North America or anywhere in the world
