Patriarchal Moments Reading Textual Political:

Patriarchal Moments Cesare Cuttica, Gaby Mahlberg, 2015-12-17 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com Patriarchalism is omnipresent in Western culture and it pervades the texts that have shaped this culture From the creation story in the Bible to the ancient authors from the Church fathers to the treatises of Enlightenment philosophers right up to modern fiction male authority over women children and other dependents has shaped the nature of human relationships and the discourses about these relationships This collection of short essays offers fresh and novel readings of key texts in the history of patriarchy as a concept of power The texts selected are from political religious and literary works and together the readings add new insights to a tradition that has never gone uncontested yet is unlikely to disappear soon Patriarchal Moments Cesare Cuttica, Gaby Mahlberg, 2015

Liberal Moments Ewa Atanassow, Alan S. Kahan, 2017-09-07 Liberalism today has perhaps more supporters and adversaries than any other political movement This volume traces liberalism's global ascent through essays about some of the thinkers and actors who participated in its rise and spread The essays included here present for the first time in one place the geographic and ideological diversity of liberal thought and practice as it developed since the eighteenth century By exploring thinkers as diverse as Montesquieu Abraham Lincoln Jacob Burckhardt Khayr al Din Hu Shih John Rawls and Czeslaw Milosz this volume contributes toward a better understanding of liberalism's past and present Each chapter opens with a critical passage from the author under consideration and explores the author's significance for liberalism By facilitating a direct encounter with influential authors and texts the volume serves as an introduction both to the multiple dimensions of liberalism and to reading texts in political thought By engaging with particular liberal moments the essays allow readers to create and explore conversations among liberalisms across time and space It thus encourages a broader and more nuanced understanding of the nature and history of liberalism Stimulating accessible and interdisciplinary Liberal Moments will appeal to students and scholars in the history of political thought intellectual history and beyond

Conservative Moments Mark Garnett, 2018-08-23 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com As a complex and multifaceted world view conservatism is often pigeonholed and partially understood And while the nature of conservative ideology is warmly contested among scholars no one can deny its prominence in contemporary debates and its effects on the politics of everyday life These 16 essays written by expert scholars and specialists offer a broad survey of conservative thought that extends beyond typical historical and geographic boundaries to include past thinkers like Plato and Edmund Burke non-European conservative traditions such as Japan and Russia and political practitioners including Margaret Thatcher Ronald Reagan and Charles de Gaulle Each essay grapples with short primary source extracts while offering instructive criticism and commentary Conservative Moments offers students a useful accessible and comprehensive exposition of this political

ideology Feminist Moments Susan Bruce, Katherine Smits, 2015-12-17 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com The challenges presented by feminism to traditional understandings of representation normative values power relations and the political are not simply the product of late 20th century thinking Feminist Moments in examining some of the pivotal texts in the history of feminist thought demonstrates that these challenges emerge from a long and varied history of feminist writing The volume brings together texts from literary and analytical works written by women and men and from inside and outside the Western tradition including Mary Wortley Montagu Anna Wheeler and William Thompson Nazira Zeineddine Betty Friedan Andrea Dworkin and Luisa Valenzuela The volume is unique in offering close readings of key passages from the selected texts making it ideal for classroom use its original essays all authored by specialists will also be of interest to more advanced scholars In juxtaposing and analysing a wide range of texts which despite their significance are rarely discussed together Feminist Moments provides a fascinating historical narrative of feminist thought which will be highly valuable to students and scholars of the history of political thought political philosophy and gender and literary studies **Censorship**

Moments Geoff Kemp, 2014-11-20 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com Censorship in varying forms has been part of human experience for 2 500 years and has proved itself to be a recurring presence for political thought whether as active repression a shaping context for expression or as itself a subject for analysis and argument From the death of Socrates to the fatwa against Salman Rushdie attempts to silence thinkers and writers have provoked passionate and often penetrating responses that speak of their historical moment Censorship Moments will provide short accessible and stimulating access to a variety of these responses Each chapter will couple a short textual moment of writing on censorship and freedom of expression by a past writer with analysis by an expert current scholar The book's main focus is the public political dimension of censorship in its relation to political authority and political thought while also reflecting on the porous boundary to literature and other areas such as law and the media Democratic Moments Xavier Márquez, 2018-02-08 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com This collection of short essays on texts in the history of democracy shows the diversity of ideas that contributed to the making of our present democratic moment The selection of texts goes beyond the standard Western centric canonical history of democracy with its beginnings in ancient Athens and its climax in the French and American revolutions recovering some of the significant body of democratic and anti democratic thought in Latin America Asia and elsewhere It includes discussions of well known philosophers like Plato and Aristotle but also of a variety of thinkers much less well known in English as writers on democracy Al Farabi Bol var Gandhi Radishchev Lenin Sun Yat sen and many others The essays thus de center our understanding of the moments where the idea of democracy was articulated rejected and appropriated Spanning antiquity to

the present and global in scope with contributions by key scholars of democracy from around the world **Democratic Moments** is the ideal text for all students wishing to expand their understanding of the ways in which this contested concept has been understood

Revolutionary Moments Rachel Hammersley, 2015-10-22 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com Since at least the mid seventeenth century the concept of revolution has been an important tool both for those seeking to bring about political change and for those trying to understand it And it is as relevant today as it has ever been This volume re evaluates our understanding of the history of revolutionary thought by examining a selection of key texts These range from the 17th to the 20th century and are carefully chosen to include both constitutional documents and theoretical works by figures such as James Harrington Jean Jacques Rousseau Maximilian Robespierre Peter Kropotkin and Deng Xiaoping Each chapter engages with a particular revolutionary moment via a specific text usually an extract of around 300 words and considers the significance of the text for the history of revolutionary thought The structure of the book allows readers to make connections and comparisons across the different revolutionary texts and moments thereby providing a broader deeper and more nuanced understanding of revolutions Stimulating accessible and interdisciplinary **Revolutionary Moments** will appeal to students and researchers in the history of political thought and intellectual history and beyond

Constitutional Moments, 2024-03-18 Constitution is a rich term in Western political culture encompassing political and juridical doctrine as well as government practices through the ages This volume examines constitutional moments in history those occasions or episodes when significant steps were taken in the definition or redefinition of polities Their actors were writers or politicians rulers or ruled who found inspiration in a distant past or instead looked towards a future to be drawn anew This book sheds light on such moments from Ancient Greece to the present day mostly in Europe but also in the Ottoman world and the Americas thereby uncovering a revealing variety of constitutional thinking and action throughout history Contributors are Jon Arrieta Niall Bond Luc Brisson Peter Cholakov Nora Chonowski Angela De Benedictis F Sinem Eryilmaz Hakon Evju Pablo Fern ndez Albaladejo Javier Fern ndez Sebasti n Merieke Gebhardt Xavier Gil Mark J Hill Ferenc H rcher Jaska Kainulainen Thomas Lorman Adriana Luna Fabritius Ere Nokkala Brian Kjaer Olesen Andr s Pap Nikola Regent Alberto Mariano Rodr guez Mart nez Pablo S nchez Le n Jos Reis Santos and Ersin Yildiz

Democracy and Anti-Democracy in Early Modern England 1603-1689 Cesare Cuttica, Markku Peltonen, 2019-07-18 Listen to the podcast here This cross disciplinary collection of essays examines for the first time and in detail the variegated notions of democracy put forward in seventeenth century England It thus shows that democracy was widely explored and debated at the time that anti democratic currents and themes have a long history that the seventeenth century is the first period in English history where we nonetheless find positive views of democracy and that whether early modern writers criticised or advocated it these discussions were important for the subsequent development of the concept and practice democracy By offering a new historical account of such development the book provides an

innovative exploration of an important but overlooked topic whose relevance is all the more considerable in today's political debates civic conversation academic arguments and media talk Contributors include Camilla Boisen Alan Cromartie Cesare Cuttica Hannah Dawson Martin Dzelzainis Rachel Foxley Matthew Growhoski Rachel Hammersley Peter Lake Gaby Mahlberg Markku Peltonen Edward Vallance and John West **Republicanism and Democracy** Skadi Siiri Krause, Dirk

Jörke, 2022-11-28 This book discusses whether democracy and republicanism are identical complementary or contradicting ideas The rediscovery of classic republicanism a few decades ago made it clear how profoundly modern notions of democracy had been shaped by the republican tradition But defining these two concepts remains difficult and the views diverge widely The overarching aim of this book is to discuss the extent to which democracy and republicanism are identical complementary or mutually contradicting ideals ideas Pursuing this open approach to the subject means calling into question a widely used formula according to which modern democracy is composed of liberal principles such as individualism the rule of law and human rights on the one hand and of republican principles such as focusing on the common good and popular sovereignty on the other This book will appeal to students researches and scholars of political science interested in a better understanding of political theory and political history Cultural Politics--Queer Reading Alan Sinfield, 2015-10-09 Was Shakespeare gay Is

The Merchant of Venice anti Semitic How does mainstream reading differ from that of subcultural groups In this lively and readable book Alan Sinfield challenges the assumptions of English literature and investigates the principles and practices that may inform lesbian and gay reading *Back Over the Sexual Contract* Lorenzo Rustighi, 2021-12-27 Is patriarchy an illness of democratic societies or a structural problem To answer this dilemma Back Over the Sexual Contract A Hegelian Critique of Patriarchy examines the dilemma of patriarchy in modern European political theory by reopening the question of the sexual contract Through a study of the thought of Thomas Hobbes John Locke Jean Jacques Rousseau and Immanuel Kant Lorenzo Rustighi argues that the conceptual roots of male patriarchal entitlement should be sought in the logic of authorized power that underpins the modern understanding of both the state and the family Challenging the mainstream distinction between the private and the public Rustighi provocatively suggests that patriarchy is not something that undermines democracy as an alien threat but is rather inscribed in the intrinsically anti democratic effects of the concept of democracy construed by the modern rationale of the social contract He puts forward a Hegelian argument to propose an unconventional constitutional approach to feminist political theory that helps us rethink democracy beyond its inherent impasses *The*

Palgrave Handbook of German Idealism and Feminist Philosophy Susanne Lettow, Tuija Pulkkinen, 2023-01-04 This book gives a comprehensive overview of the ways in which the relation between German Idealism and feminist philosophy has been explored It demonstrates the significance of German Idealism for feminist philosophy and simultaneously brings out the relevance of feminist readings and interpretations for a critical understanding of German Idealism Key Features Presents original work on the German Idealists and considers their legacy within feminist thought from different philosophical

perspectives Incorporates perspectives from queer theory new materialism and critical philosophy of race and so explores German Idealism through the subversion and transformation of meanings and conceptual arrangements Challenges the epistemic boundaries of philosophy by engaging the thought of women contemporary with the German Idealists such as Bettina von Arnim and Karoline von Gunderode Places the work of the German Idealists on gender sexuality marriage and family within the wider contexts of colonialism and European nation building Considers how several key concepts of German Idealism such as subject reason enlightenment autonomy and the sublime have been central targets of feminist theory Includes a Black feminist critique of Kantian universalism Fully reflecting the diversity that characterizes feminist thinking today The Palgrave Handbook of German Idealism and Feminist Philosophy is essential reading for scholars and graduate students of German idealism feminist philosophy and feminist theory Chapter s The Taxonomy of Race and the Anthropology of Sex Conceptual Determination and Social Presumption in Kant is are available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com)

[In Defiance of History](#) Victoria Leonard, 2022-02-16 This volume offers a counterbalance to the dismissal that Orosius's Histories Against the Pagans has suffered in most recent criticism Orosius is traditionally considered to be a mediocre scholar and an essentially worthless historian This book takes his literary endeavour seriously recognizing the unique contribution the Histories made at a crucial moment of debate and uncertainty where the present was shaped by restructuring the past The significance of the Histories is recognised intrinsically rather than only in comparison with other texts and authors principally Augustine of Hippo Orosius's mentor The approach of the book is historiographical exploring the form purpose and meaning of the Histories The themes of divine providence monotheism and imperial authority are examined and the subjects of war and the sack of Rome receive extended analysis The book foregrounds Orosius's significant historiographical innovations that are seldom explored such as the subversion of imperial history within a Christian spectrum in the synchronization of the emperor Augustus and Christ Each chapter contributes to the progression of knowledge about Orosius's Histories and the wider literary and historiographical culture of disruption that characterised the late fourth and early fifth centuries CE

[Seeing Films Politically](#) Mas'ud Zavarzadeh, 1991-01-01 In this bold political rethinking of contemporary film theory Zavarzadeh overturns the dominant concepts that fetishize film as a work of art or simple entertainment He demonstrates how aesthetic notions obscure the ideological effects produced by viewing films particularly the production of the spectator as the subject of social class Seeing films he argues is part of the political struggle over cultural intelligibilities subjectivities and representations One of the book's analytical innovations is its concept of renarrating a reading strategy that displays the logic of the film showing that it is not so much a unique aesthetic articulation as it is the common logic of the dominant ideology In a series of brilliant readings of recent films the book constructs a critical space for the reader to not only see the culturally visible tale of the film the one that legitimates the existing reality the status quo but also to see the other suppressed tale that de narrates the social

contradictions arising from exploitation and class rule *Political Physics* John Protevi, 2001-08-01 *Political Physics* analyses the work of two of the most influential thinkers of our time Jacques Derrida and Gilles Deleuze The book takes the reader on a transversal journey crossing the boundaries of philosophy and science *Political Physics* explores the limits and strengths of Derridean and Deleuzian philosophical approaches Focussing on their differing approaches to the question of the body politic in all its registers from the physical chemical body to the economic the social and the political body the book reveals a profound difference in ontological commitment The book argues that the straightforward materialism of Deleuzian philosophy can operate across the range of analysis whereas Derridean deconstruction effectively operates at the level of reason consciousness and culture Cross cutting a Derridean analysis of the history of philosophy with a Deleuzian approach to creative dialogue and complexity theory *Political Physics* illuminates the value of both approaches to the analysis of contemporary culture politics and science and to the rereading of the history of ideas **In the Name of the Father** Francois Furstenberg, 2007-04-24 In this revelatory and genuinely groundbreaking study Francois Furstenberg sheds new light on the genesis of American identity Immersing us in the publishing culture of the early nineteenth century he shows us how the words of George Washington and others of his generation became America's sacred scripture and provided the foundation for a new civic culture one whose reconciliation with slavery unleashed consequences that haunt us still A dazzling work of scholarship from a brilliant young historian *In the Name of the Father* is a major contribution to American social history **Faith and Public Life** Alfred Sebahene, 2025-05-31 God's love in Jesus Christ for the salvation and recreation of all things is still the hope of the world This Christian affirmation is the reality that holds all things and holds all things together Yet in today's world it is easy to understand why the church is in pain and declining in its Christian and moral influence *Rethinking Church in the 21st Century* is the culmination of three years of exploration into the condition of the church around the world today Bringing together a diverse community of Christian voices these essays offer reflections and admonitions to ignite the hearts of pastors and leaders during the dynamic vulnerable and hopeful times we face In this third volume the contributors explore how the church should be engaged in the public space in the face of the new opportunities and fundamental challenges confronting the global church today These realities missional expansion persistent barriers to human progress shifts in the composition and centre of gravity of world Christianity and a growing attention to the need for the church to embrace a radically different way of life call for a new approach to the role of faith in our public life to the different ways of witnessing to Christ and stewarding the mysteries of Christian faith With solid grounding in Scripture and critical reflection for authentic Christian public witness and mission this book speaks of how the gospel of Jesus Christ endlessly relates to the whole world and its reconciliation with God Film As Ethnography Peter Ian Crawford, David Turton, 1992-11-15 This work examines the reasons why anthropologists have not used the camera as a research instrument or film as a means of communicating ethnographic knowledge It suggests that images and words in this discipline operate on

different logical levels that they are hierarchically related that whereas writings may encompass the images produced by film the inverse of this cannot be true The author argues for this position further by suggesting that the visual is to the written mode as thin description giving a record of the form of behaviour is to thick description giving an account of meaning

This is likewise one of the factors by obtaining the soft documents of this **Patriarchal Moments Reading Textual Political** by online. You might not require more era to spend to go to the book commencement as without difficulty as search for them. Patriarchal Moments Reading Textual Political Introduction

In the digital age, access to information has become easier than ever before. The ability to download Patriarchal Moments Reading Textual Political has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Patriarchal Moments Reading Textual Political has opened up a world of possibilities. Downloading Patriarchal Moments Reading Textual Political provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Patriarchal Moments Reading Textual Political has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Patriarchal Moments Reading Textual Political. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Patriarchal Moments Reading Textual Political. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Patriarchal Moments Reading

Textual Political, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Patriarchal Moments Reading Textual Political has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
