Theology and the Science of Moral Action American Academy of Religion. Conference, 2012 The past decade has witnessed a renaissance in scientific approaches to the study of morality Once understood to be the domain of moral psychology the newer approach to morality is largely interdisciplinary driven in no small part by developments in behavioural economics and evolutionary biology as well as advances in neuroscientific imaging capabilities among other fields To date scientists studying moral cognition and behaviour have paid little attention to virtue theory while virtue theorists have yet to acknowledge the new research results emerging from the new science of morality **Theology and the Science of Moral Action** explores a new approach to ethical thinking that promotes dialogue and integration between recent research in the scientific study of moral cognition and behaviour including neuroscience moral psychology and behavioural economics and virtue theoretic approaches to ethics in both philosophy and theology More particularly the book evaluates the concept of moral exemplarity and its significance in philosophical and theological ethics as well as for ongoing research programs in the cognitive sciences **Proceedings and Addresses of the American Philosophical Association** American Philosophical Association, 2010 List of members in v 1

Cutting Through the Surface Tuija Takala, Peter Herissone-Kelly, Søren Holm, 2009 This book examines the role of philosophy and philosophers in bioethics Academics often see bioethical studies as too practical while decision makers tend to see them as too theoretical The purpose of this collection of new essays by an international group of distinguished scholars is to explore the troubled relationship between theory and practice in the ethical assessment of medicine health care and new medical and genetic technologies The book is divided into six parts In the first part philosophers consider the definition of bioethics the nature of applied ethics more generally and the possibility of combining utilitarian and liberal strands of thinking in moral and political studies In the second part authors discuss the place and justification of principles in bioethics and the significance of medical and nursing experience in moral decision making The third part addresses the complementary or contradictory as the case may be principles of dignity autonomy precaution and solidarity and their use in theoretical and practical settings In the fourth part public health measures and experimental research are defended against traditional moral concerns Part five scrutinizes parental responsibilities in bearing and rearing children especially the reasons for and against human reproduction in individual cases In part six enhancements to human nature by various means are analyzed Following in the footsteps of four previous collections in the

Values in Bioethics special series by the same editorial team Scratching the Surface of Bioethics Bioethics and Social Reality Ethics in Biomedical Research and Arguments and Analysis in Bioethics this book compiled in honor of Professor Matti Häyry's 50th birthday drills into the core of the discipline to show the philosophical depths that lie under the polished surface of policy driven everyday bioethics

The Implications of Evolution for Metaphysics David H. Gordon, 2023-08-22 After the nineteenth century turn from idealism when idealist philosophies were largely abandoned for materialist ones many analytic philosophers have adhered to scientific naturalism as the new orthodoxy largely due to the success of scientific advancements The New Atheists such as Daniel Dennett and Richard Dawkins claim it is Darwin who deserves much of the credit for repudiating the traditional Mind first world view In *The Implications of Evolution for Metaphysics* Theism Idealism and Naturalism David H Gordon explores questions such as Is it true that evolution is incompatible with theism and necessarily results in naturalism Is it possible as naturalism maintains that everything can be reduced to physical processes Or are there too many recalcitrant phenomena that defy reduction Can the epistemological conditions for metaphysical knowledge be met If the underdetermination of theory allows for multiple metaphysical theories to cover the same phenomena with each offering an epistemically adequate explanation then neither naturalism nor theism can be asserted to be objectively true Nevertheless it is possible to favor one over the other based on overall coherence and explanatory power

Imagination in Inquiry A. Pablo Iannone, 2022-09-08 *Imagination in Inquiry A Philosophical Model and Its Applications* investigates the nature kinds component elements functions scope and uses of the imagination involved in inquiry It further discusses how these kinds and functions vary and interact depending on the context of inquiries carried out in philosophy and its branches from the philosophy of science and the philosophy of technology to ethics sociopolitical philosophy and aesthetics and institutions like science technology art and education Using a homeostatic model A Pablo Iannone advances a conception of the imagination as a disposition to search for answers to various types of problems abstract or concrete theoretical or practical faced in inquiry The book treats this as a working characterization though it develops progressively clearer more precise and less ambiguous meanings All along the primary concern of the author as well as of contributors Alejandra Iannone and Rocci Luppigini is with the moral aesthetic logical communicative scientific technological artistic literary and philosophical uses and roles of the imagination The book's primary focus is not just on such things as the capacity to generate mental images but especially on the ability to discover and create anticipate and envision entertain and manage

AS Critical Thinking for AQA Oliver McAdoo, 2014-01-14 *AS Critical Thinking for AQA* is the definitive textbook for students of the current AQA Advanced Subsidiary Level syllabus Structured very closely around the AQA specification it covers the two units of the AS level in an exceptionally clear and student friendly style The chapters are helpfully subdivided into short digestible passages and include intended learning objectives at the beginning of each chapter student exercises at the end of each section with a stretching activity for more advanced learners exam orientated questions

key point summaries at the end of each section cross references In line with the AQA specification there is a heavy emphasis on more imaginative forms of source material for example music film artwork historical documents adverts moral dilemmas and scientific debates as a means of illustrating key points A great deal of emphasis is also placed on live or real arguments taking topical examples from the world of science politics entertainment and sport The book is accompanied by a companion website with extensive resources for both instructors and students

The Justice of War Richard Hall, 2019-11-06 The Justice of War Its Foundations in Ethics and Natural Law puts normative ethical theory at the forefront in its discussion of the justice of war Situating the modern theory of just war in its historical context Richard A S Hall gives full attention to natural law a mainstay of just war theory Hall considers the American philosopher Josiah Royce's implicit theory of just war with its suggestion of a fourth component of just war theory in addition to *jus ad bellum* *jus in bello* and *jus post bellum* namely *jus ad pacem* justice law for or about peace concerning the prevention of war and the maintenance of peace This book addresses and answers affirmatively the following questions raised by just war theory Can just war theory be rationally defended against its *realpolitik* critics Can there be such a thing as a just or moral war The book aims at showing the doubters and critics that just war theory is a viable alternative to both the political realism of *realpolitik* and pacifism In brief war can be morally justified though under very restrictive conditions
