Jail Blazers Kerry Eggers,2018-11-20 In the late 90s and early 2000s the Portland Trail Blazers were one of the hottest teams in the NBA For almost a decade they won 60 percent of their games while making it to the Western Conference Finals twice However what happened off court was just as unforgettable as what they did on the court When someone asked Blazers general manager Bob Whitsitt about his team s chemistry he replied that he d never studied chemistry in college And with that the Jail Blazers were born Built in a similar fashion to a fantasy team the team had

skills but their issues ended up being their undoing In fact many consider it the darkest period in franchise history While fans across the country were watching the skills of Damon Stoudamire Rasheed Wallace and Zach Randolph those in Portland couldn't have been more disappointed in the players off court actions This many have mentioned included a very racial element which carried over to the players as well As forward Rasheed Wallace said We're not really going to worry about what the hell the fans think about us They really don't matter to us They can boo us every day but they're still going to ask for our autographs if they see us on the street That's why they're fans and we're NBA players While people think of the Detroit Pistons of the eighties as the elite Bad Boys the Trail Blazers were actually bad Author Kerry Eggers who covered the Trail Blazers during this controversial era goes back to share the stories from the players coaches management and those in Portland when the players were in the headlines as much for their play as for their legal issues
