Bieringer, Didier Pollefeyt, 2012-03-08 This volume presents contributions from leading European scholars considering Paul and his Jewish context and considering the implications for contemporary Jewish Christian dialogue **Paul and the**

Vocation of Israel Lionel J. Windsor, 2014-04-01 The Apostle Paul was the greatest early missionary of the Christian gospel He was also by his own admission an Israelite How can both these realities coexist in one individual This book argues that Paul viewed his mission to the Gentiles in and of itself as the primary expression of his Jewish identity The concept of Israel s divine vocation is used to shed fresh light on a number of much debated passages in Paul s letter to the Romans **Paul**

and Judaism Revisited Preston M. Sprinkle, 2013-08-01 How far did Paul stray from the view of salvation handed down to him in the Jewish tradition Following a hunch from E P Sanders s seminal book Paul and Palestinian Judaism Preston Sprinkle finds buried in the Old Testament s Deuteronomic and prophetic perspectives a key that starts to turn the rusted lock on Paul s critique of Judaism **Reading Acts Today** Steve Walton, Thomas E. Phillips, Lloyd Keith Pietersen, F. Scott

Spencer, 2011-09-15 Reading Acts Today provides a state of the art view of study of Acts from a variety of perspectives and

approaches It is a fresh and stimulating collection of scholarly essays at the cutting edge of the discipline The contributions come at Acts from many different angles including historical theological socio economic literary narrative and exegetical approaches This enables a thorough examination of the way that other ancient writings illuminate Acts and locates the book in its ancient context The wide range of contributors features some of the most influential names in modern New Testament studies providing a remarkable assessment of current scholarship on the book of Acts These include James D G Dunn I Howard Marshall and Richard Burridge It was formerly the Journal for the Study of the New Testament Supplement a book series that explores the many aspects of New Testament study including historical perspectives social scientific and literary theory and theological cultural and contextual approaches *Imagining Religion* Jonathan Z. Smith, 2024-07-31 With this influential book of essays Jonathan Z Smith has pointed the academic study of religion in a new theoretical direction one neither theological nor willfully ideological Making use of examples as apparently diverse and exotic as the Maori cults in nineteenth century New Zealand and the events of Jonestown Smith shows that religion must be construed as conventional anthropological historical and as an exercise of imagination In his analyses religion emerges as the product of historically and geographically situated human ingenuity cognition and curiosity simply put as the result of human labor one of the decisive but wholly ordinary ways human beings create the worlds in which they live and make sense of them These seven essays display the critical intelligence creativity and sheer common sense that make Smith one of the most methodologically sophisticated and suggestive historians of religion writing today Smith scrutinizes the fundamental problems of taxonomy and comparison in religious studies suggestively redescribes such basic categories as canon and ritual and shows how frequently studied myths may more likely reflect situational incongruities than vaunted mimetic congruities His final essay on Jonestown demonstrates the interpretive power of the historian of religion to render intelligible that in our own day which seems most bizarre Richard S Sarason Religious Studies Review

God, Grace, and Righteousness in Wisdom of Solomon and Paul's Letter to the Romans Jonathan A. Linebaugh, 2013-09-12 In *God Grace and Righteousness in Wisdom of Solomon and Paul's Letter to the Romans* Jonathan A Linebaugh places the Wisdom of Solomon and the Letter to the Romans in conversation Both texts discuss the relationship of Jew and Gentile the meaning of God's grace and righteousness and offer readings of Israel's scripture These shared themes provide talking points initiating a dialogue on anthropology soteriology and hermeneutics By listening in on this conversation Linebaugh demonstrates that while these texts have much in common the theologies they articulate are ultimately incommensurable because they think from different events Wisdom from the pre-creational order crafted by Sophia and exemplified in the Exodus Paul from the incongruous gift of Christ which justifies the ungodly *Baptism on Account of the Dead (1 Cor 15:29)* Michael F. Hull, 2005 This volume reviews and critiques the over forty different interpretations of 1 Cor 15 29 then examines the verse anew in terms of its literary historical and theological contexts within the writings of Paul *40 Questions about Christians and Biblical Law* Thomas R.

Schreiner, 2010-10-08 This volume by Dr Thomas R Schreiner on the interplay between Christianity and biblical law is an excellent addition to the 40 Questions Answers series Schreiner not only coherently answers the tough questions that flow from a discussion about the Old Testament Levitical Law but also writes clearly and engagingly for the student The pastor student and layperson can easily understand Schreiner's biblical theology of the Law *Rabbinic Political Theory* Jacob Neusner, 1991-06-18 In *The Economics of the Mishnah* Jacob Neusner showed how economics functioned as an active and generative ingredient in the system of the Mishnah With this new study *Rabbinic Political Theory* he moves from the economics to the politics of the Mishnah placing that politics in the broader context of ancient political theory Neusner begins his study with a modification of Weber's categories for a theory of politics myth institutions administration passion responsibility and proportion Detailing the Mishnah's conception of politics Neusner considers what he calls the stable and static structure and system through comparison with Aristotle Although Aristotle's *Politics* and the Mishnah share a common economic theory based on the fundamental unit of the householder they diverge in their conceptions of political structure and order Aristotle embeds economics within political economy while Neusner argues the Mishnah presents the anomaly of an economics separated from politics Using modern political terms this study explicates the complicated politics developed by the philosopher theologians of the Mishnah It is a first rate contribution to our understanding of the intersection of politics political philosophy and the Mishnaic system **The Concept of the Covenant in the Second Temple Period** Stanley E. Porter, J.C.R. de Roo, 2021-11-22 During the reign of Cyrus the Great founder of the Achaemenid Empire the Jews returned to Jerusalem to rebuild the temple This Second Temple period is characterised by a changing mode of thinking This volume traces the development of the concept of the covenant during this important era by discussing relevant texts among the Apocrypha such as *Wisdom of Solomon* the *Pseudepigrapha* especially the *Dead Sea Scrolls* and *Jubilees* and the New Testament such as the *Pauline Letters* The authors deal with interesting concepts related to the idea of the covenant such as law wisdom election grace the kingdom of God and even the role of food This is an important piece of work for understanding the notion of the covenant in Judaism and Christianity useful for theologians and historians as well as students of the respective disciplines **Did Jesus Teach Salvation by Works?** Alan P. Stanley, 2006-09-20 Jesus teaches that regardless of one's profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e.g. Rom 3:21-4:25 Gal 2:16-21 Eph 2:8-9 there is every good reason to understand that Jesus' teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one's life **Reading Paul in Context:**

Explorations in Identity Formation Kathy Ehrensperger, J. Brian Tucker, 2010-12-02 *Targum and New Testament* Martin McNamara, 2011 The relevance of the Targums Aramaic translations of the Hebrew Bible for the understanding of the New Testament has been a matter of dispute over the past three hundred years principally by reason of the late date of the Targum manuscripts and the nature of the Aramaic The debate has become more focused by reason of the Qumran finds of pre Christian Aramaic documents 1947 and the identification of a complete text of the Palestinian Targum of the Pentateuch in the Vatican Library Codex Neofiti 1956 Martin McNamara traces the history of the debate down to our own day and the annotated translation of all the Targums into English He studies the language situation Aramaic and Greek in New Testament Palestine and the interpretation of the Scriptures in the Targums with concepts and language similar to the New Testament Against this background relationships between the Targums and the New Testament are examined A way forward is suggested by regarding the tell like structure of the Targums with layers from different ages and a continuum running through for certain texts Paul's Language of Grace in its Graeco-Roman Context James R. Harrison, 2017-01-03 Paul's Language of Grace in Its Graeco Roman Context was originally published by Mohr Siebeck in 2003 and is now reprinted by Wipf and Stock with a new introduction by its author James R Harrison The book was the first major investigation of charis grace favor in its social political and religious context since G P Wetter's pioneering 1913 monograph on the topic Focusing on the evidence of the inscriptions papyri philosophers and Greek Jewish literature Harrison examined the operations of the eastern Mediterranean benefaction system probing the dynamic of reciprocity between the beneficiary and benefactor whether human or divine Before Paul's converts were first exposed to the gospel they would have held a variety of beliefs regarding the beneficence of the gods The apostle therefore needed to tailor his language of grace as much to the theological and social concerns of the Mediterranean city states in his missionary outreach as to the variegated traditions of first century Judaism In terms of human grace although Paul endorses the reciprocity system he redefines its rationale in light of the gospel of grace and transforms its social expression in his house churches The explosion of grace language that occurs in 2 Corinthians 8 9 regarding the Jerusalem collection is unusual in its frequency in comparison to the honorific inscriptions underscoring the apostle's distinctive approach to giving Regarding divine beneficence Paul accommodates his gospel to contemporary benefaction idiom But he retains a distinctiveness of viewpoint regarding divine charis it is non cultic it is mediated through a dishonored and impoverished Benefactor it overturns the do ut des expectation I give so that you may give regarding divine blessing in antiquity Harrison's book still remains the authoritative coverage of the Graeco Roman context of charis **Jesus, Gospel Tradition and Paul in the Context of Jewish and Greco-Roman Antiquity** David Edward Aune, 2013 Collection of texts published previously *The New Testament in Comparison* John M.G. Barclay, B.G. White, 2020-01-23 The nine essays in this volume written by leading international scholars in New Testament studies examine in new depth the method of comparison so frequently deployed in the study of the New Testament They raise and reflect on

deep questions on the possibility and validity of such comparative exercise on the methods that are most effective and intellectually defensible on the purpose of such comparison and on the perils and pitfalls in such exercises Addressing these questions at both a theoretical hermeneutical level and through case studies of actual examples the book provides a much needed and up to date methodological resource for the numerous comparative projects spawned by New Testament studies throughout the world
