**Herbal and Magical Medicine** James K. Kirkland, Holly F. Matthews, Charles W. Sullivan III, Karen Baldwin, 1992-01-30 Herbal and Magical Medicine draws on perspectives from folklore anthropology psychology medicine and botany to describe the traditional medical beliefs and practices among Native Anglo and African Americans in eastern North Carolina and Virginia In documenting the vitality of such seemingly unusual healing traditions as talking the fire out of burns wart curing blood stopping herbal healing and rootwork the contributors to this volume demonstrate how the region's folk medical systems operate in tandem with scientific biomedicine The authors provide illuminating commentary on the major forms of naturopathic and magico religious

medicine practiced in the United States Other essays explain the persistence of these traditions in our modern technological society and address the bases of folk medical concepts of illness and treatment and the efficacy of particular practices The collection suggests a model for collaborative research on traditional medicine that can be replicated in other parts of the country An extensive bibliography reveals the scope and variety of research in the field Contributors Karen Baldwin Richard Blaustein Linda Camino Edward M Croom Jr David Hufford James W Kirland Peter Lichstein Holly F Mathews Robert Sammons C W Sullivan III Interpretive Studies on Bilingual Education Horacio Ulibarri, 1970 **Traditional Storytelling Today** Margaret Read MacDonald, 2013-12-16 Traditional Storytelling Today explores the diversity of contemporary storytelling traditions and provides a forum for in depth discussion of interesting facets of contemporary storytelling Never before has such a wealth of information about storytelling traditions been gathered together Storytelling is alive and well throughout the world as the approximately 100 articles by more than 90 authors make clear Most of the essays average 2 000 words and discuss a typical storytelling event give a brief sample text and provide theory from the folklorist A comprehensive index is provided Bibliographies afford the reader easy access to additional resources **Journal of American Folklore**, 1916 Living Folklore, 2nd Edition Martha Sims, Martine Stephens, 2011-10-31 Living Folklore is a comprehensive straightforward introduction to folklore as it is lived shared and practiced in contemporary settings Drawing on examples from diverse American groups and experiences this text gives the student a strong foundation from the field's history and major terms to theories and interpretive approaches Living Folklore moves beyond genres and classifications and encourages students who are new to the field to see the study of folklore as a unique approach to understanding people communities and day to day artistic communication This revised edition incorporates new examples research and theory along with added discussion of digital and online folklore *Unlearning* Charles L. Briggs, 2021-05-03 A provocative theoretical synthesis by renowned folklorist and anthropologist Charles L Briggs Unlearning questions intellectual foundations and charts new paths forward Briggs argues through an expansive look back at his own influential works as well as critical readings of the field that scholars can disrupt existing social and discourse theories across disciplines when they collaborate with theorists whose insights are not constrained by the bounds of scholarship Eschewing narrow Eurocentric modes of explanation and research foci Briggs brings together colonialism health media and psychoanalysis to rethink classic work on poetics and performance that revolutionized linguistic anthropology folkloristics media studies communication and other fields Beginning with a candid memoir that credits the mentors whose disconcerting insights prompted him to upend existing scholarly approaches Briggs combines his childhood experiences in New Mexico with his work in graduate school his ethnography in Venezuela working with Indigenous peoples and his contemporary work which is heavily weighted in medical folklore Unlearning offers students emerging scholars and veteran researchers alike a guide for turning ethnographic objects into provocations for transforming time worn theories and objects of analysis into sources of scholarly creativity deep

personal engagement and efforts to confront unconscionable racial inequities It will be of significant interest to folklorists anthropologists and social theorists and will stimulate conversations across these disciplines *The Journal of American Folklore* ,1895
