Mexico: a Country Guide Tom Barry,1992 **Country Guides: Mexico** Anita Ganeri,2015 *Campbell's New Revised Complete Guide and Descriptive Book of Mexico* Reau Campbell,1899 It is the early traveler in a country who knows the real need of a guide and descriptive book from the fact that his journeys are made perforce without one and he is compelled to find the places and things as best he can To find these places and things of which one may have only heard is not unattended by difficulties The native does not always regard them as out of the ordinary or of special interest and however courteous and willing he may be is not always able to show the way to objects of even considerable importance I have known these difficulties as an early traveler in Mexico and while I rejoiced in seeing what others had not seen I have wished for the book that might guide me over untraveled roads till I have come to believe that he who writes the book leaves a legacy to him who comes after The Guide and Descriptive Book of Mexico is written after the experiences of a decade of travel in that country and an exploring expedition made expressly to secure a better acquaintance with the country these have given a knowledge of its cities and towns of its mountains valleys and spreading plains and of its history and legend impossible from reading or hearsay The Historical and Clerical data have been carefully culled from the best authorities and from the records of Church and State The Legends are from the country s books and from the fascinating folklore of its people Statistical and tabulated information is compiled from the latest data and from the most reliable sources The Maps are from the latest surveys comprising the extension of railways and routes of travel to the year of the date of the book

Campbells Reau Campbell,1907 *Campbell's New Revised Complete Guide and Descriptive Book of Mexico* Reau Campbell,1908 *Campbell's Complete Guide and Descriptive Book of Mexico* Reau Campbell,1904 **CAMPBELLS COMP GD & DESCRIPTIV** Reau Campbell,2016-08-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you
