## **Michael O'Leary A Life In Full Flight:**

**Michael O'Leary** Alan Ruddock, 2007 Michael O'Leary is a business giant a man Fortune and Wired magazines describe as one of the most influential business leaders of this generation He transformed Ryanair from a loss making joke of an Irish carrier into the most valuable airline in Europe and the second most valuable in the world His formula of low fares and no frills or flights to destinations most people had never heard of before has created a generation of travellers who jump on planes as if they were buses His face and his often outrageous views on national governments on the EU and on his rivals are rarely out of the papers But for all the publicity little is known about Michael O'Leary beyond the carefully constructed image that he chooses to present of the plucky little Paddy in jeans who is sticking it to the big boys In this the first biography of O'Leary the distinguished business journalist Alan Ruddock portrays the man in three dimensions from his unsettled middle class childhood to his meteoric rise to the top of Ryanair when still in his early thirties

**An Economic History of Ireland Since Independence** Andy Bielenberg, Raymond Ryan, 2013 This book traces the evolution of the Irish economy since independence looking at how the state sought to shape regulate and deregulate economic activity to deal with the challenges posed by the wider international environment

The Economist, 2007 Tony Ryan Richard Aldous, 2013-08-30 In this authorised biography of one of the most remarkable Irishmen of the twentieth century Richard Aldous is independent in his judgements and frank in his examination of his subject's shortcomings and eccentricities But most of all he writes with verve and pace Tony Ryan was born in a railwayman's cottage and rose to enormous success overseeing the spectacular making of two business fortunes and the dramatic loss of one After an early spell in Aer Lingus he set up an airline leasing company Guinness Peat Aviation GPA which had its headquarters in Shannon and quickly became the largest such enterprise in the world Ryan was a hard taskmaster and the company reflected his ferocious work ethic Yet despite a stellar board of directors a botched and poorly timed Initial Public Offering in the 1990s saw GPA crash and burn Ryan lost almost everything All that remained was a little airline running massive deficits Ryan set about turning Ryanair around putting in one of his assistants Michael O'Leary to help knock it into shape The rest is history Ryan remade his fortune lived lavishly and elegantly was a generous patron of the arts and in every respect larger than life His spirit is one that Ireland needs more than ever today As the nation strives for its own recovery it can find inspiration in the story of how one of its most famous sons rose and fell and then rose again Not one to stand still or lament mistakes Tony Ryan's determination never to give up is the real lesson of this story He was in so many ways Ireland's Aviator
