Tension, Dilemma and Conflict in Party-Candidate Campaign Strategies Lukas Hohendorf, 2025-06-30 This book examines the campaign communication of political candidates in parliamentary democracies set within the broader trends of globalization and political personalization It explores how district candidates balance local voter preferences national party demands and personal beliefs in their campaigns Using Germany as a case study and drawing on a wide range of data sources the book reveals how situational factors such as electoral rules candidate experience and local party organization influence campaign strategies It demonstrates how campaign positions in parliamentary democracies often deviate from national party stances with implications on party unity and democratic representation Framed by the pressing challenges of regional divergence and the rise of political personalization the book shows why studying individual candidate behavior rather than simply focusing on party leaders is crucial for understanding modern democratic systems This book will be a key resource for scholars students and practitioners in the fields of political parties and elites electoral studies political communication and more broadly comparative politics

Placing Parties in American Politics David R. Mayhew, 2014-07-14 This work on the structure of American parties combines the breadth that has been characteristic of voter analyses and the richness found in case studies of local party organizations Originally published in 1986 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Oxford Handbook of Public Choice Roger D. Congleton, Bernard Grofman, Stefan Voigt, 2019 This two volume collection provides a comprehensive overview of the past seventy years of public choice research written by experts in the fields surveyed The individual chapters are more than simple surveys but provide readers with both a sense of the progress made and puzzles that remain Most are written with upper level undergraduate and graduate students in economics and political science in mind but many are completely accessible to non expert readers who are interested in Public Choice

research The two volume set will be of broad interest to social scientists policy analysts and historians **The ^AOxford Handbook of Public Choice, Volume 1** Roger D. Congleton, Bernard N. Grofman, Stefan Voigt, 2018-12-07 The Oxford Handbook of Public Choice provides a comprehensive overview of the research in economics political science law and sociology that has generated considerable insight into the politics of democratic and authoritarian systems *Smoking under the Tsars* Tricia Starks, 2018-09-15 Approaching tobacco from the perspective of users producers and objectors Smoking under the Tsars provides an unparalleled view of Russia's early adoption of smoking Tricia Starks introduces us to the addictive nicotine soaked Russian version of the cigarette the papirosa and the sensory medical social cultural and gendered consequences of this unique style of tobacco use Starting with the papirosa's introduction in the nineteenth century and its foundation as a cultural and imperial construct Starks situates the cigarette's emergence as a mass use product of revolutionary potential She discusses the papirosa as a moral and medical problem tracks the ways in which it was marketed as a liberating object and concludes that it has become a point of increasing conflict for users reformers and purveyors The heavily illustrated Smoking under the Tsars taps into bountiful material in newspapers industry publications etiquette manuals propaganda posters popular literature memoirs cartoons poetry and advertising Starks frames her history within the latest scholarship in imperial and early Soviet history and public health anthropology and addiction studies The result is an ambitious social and cultural exploration of the interaction of institutions ideas practice policy consumption identity and the body Starks has reconstructed how Russian smokers experienced understood and presented their habit in all its biological psychological social and sensory inflections providing the reader with incredible images and a unique application of anthropology and sensory analysis to the experience of tobacco dependency Japan Rearmed Sheila A. Smith, 2019-04-08 Modern Japan is not only responding to threats from North Korea and China but is also reevaluating its dependence on the United States Sheila Smith shows No longer convinced they can rely on Americans to defend their country Tokyo's political leaders are now confronting the possibility that they may need to prepare the nation's military for war **The Rise of Nationalist Populism** Daniel Rueda, 2024-10-03 The Rise of Nationalist Populism explores the intersection between populism and nationalism conducted through the discursive analysis of three Populist Radical Right parties that have gained prominence during the 2010s Rassemblement National France Lega Italy and Vox Spain Due to its rise in Europe the United States and further afield there is a growing interest in right wing populism an exclusionary and illiberal form of populism that has been able to attain success in several countries This book contributes to the analysis of how populism understood as a way of constructing the political is shaped by the ideologies that permeate it It examines how a certain form of nationalism is shaped by populist dynamics that is by a certain form of identity building The book analyses the intersection between nationalism and populism in right wing populist parties by using a discourse analysis methodology based on Ernesto Laclau's works thus conducting an examination similar to the ones presented by the Essex School of

Discourse Analysis The empirical analysis focuses on party literature and carefully selected candidate speeches at a national level for its three case studies as well as providing an overarching comparison The book shows how the economic crisis and the irruption of issues related to sovereignty and national identity arising in France Italy and Spain paved the way for the emergence of their respective right wing populist forces The book will appeal to researchers and students of political science especially those with an interest in populism discourse analysis identity and the far right *Ideological Flexibility of Political Parties in the Era of Transnational Cleavage* Alessio Scopelliti, 2025-02-04 This book provides a comprehensive analysis of how the parties of Lega and Rassemblement National have adjusted their ideologies over a four decade period to adapt to the new transnational cleavage in Western Europe the conflict between pro EU and anti EU sentiments It sheds light on their ability to change ideological positions policy stances and adopt strategic shifts in response to the evolving political landscape Drawing from a rich array of sources the book challenges the perception of established radical right parties as inflexible revealing their significant ideological adaptability As such it offers a richer understanding of the dynamics within the radical right party family This book is of key interest to scholars and students of Euroscepticism the Radical Right party politics and more broadly to European and comparative politics

The Point of No Return Thomas Byrne Edsall, 2023-04-11 How Donald Trump laid waste to American politics culture and social order After Donald Trump s rise to power after the 2020 presidential election after January 6 is American politics past the point of no return New York Times columnist and political reporter Thomas Byrne Edsall fears that the country may be headed over a cliff arguing that the election of Donald Trump was the most serious threat to the American political system since the Civil War In this compelling and illuminating book Edsall documents how the Trump years ravaged the nation s politics culture and social order He explains the demographic shifts that helped make Trump s election possible and describes the racial and ethnic conflict culture wars rural urban divide diverging economies of red and blue states and the transformation of both the Republican and Democratic parties that have left our politics in a state of permanent hostility The Point of No Return brings together a series of Edsall s columns bookended by a new introduction and conclusion which show how we got to this dangerous point These dispatches from our new political landscape chronicle the emergence of what Edsall calls the not so silent white majority and show how Trump deployed fears about race and immigration to appeal to voters Edsall examines Trump s construction of an alternate reality discusses why we don t always vote according to our own self interest and explores the Democrats calibrated response Considering the 2020 election and its violent aftermath Edsall looks at the Capitol insurrection and warns that American democracy is under siege The forces behind Trump s election and the stop the steal true believers have pushed the nation to the brink

The assassination of Patrice Lumumba Dr Ley G. Ikpo & Miss Jackline Seka Sahlberg, Congo a former Belgian colony at the beginning of the independence of the territory a brave and dedicated leader Patrice Emery Lumumba won the election and was appointed Prime Minister As the first Prime Minister of a democratic Congo the newly elected representative of the country filled with devotion had in mind to providing Congolese with a better future He therefore fought on behalf of Congolese His methods were disliked by the former colonizers for whom he became a danger to their interests in Congo after his speech on independence day on June 30 1960 Since then various plots were arranged against him to be killed Those conspiracies never succeeded against him since they were unfortunately aborted for the most The country fell into a state of incredible disrepair due to recurrent oppositions since September 14 of that year Soon Mobutu's forces backed by the CIA arrested Lumumba on December 1 1960 and he was guarded by the UN troops Later Lumumba was sent to Elizabethville in the Katanga the territory of his rival Moise Tshombe At his arrival he was beaten by both Katanga's and Belgians forces to death On January 17 1960 Patrice Emery Lumumba the first Prime Minister of the Democratic Republic of Congo was assassinated in cold blood by various perpetrators After 61 years in Belgium the remaining teeth were sent back to the DRC for burial on June 30 2022

Cigarettes and Soviets Tricia Starks, 2022-11-15 Winner of the Southern Conference on Slavic Studies Book Award Enriched by color reproductions of tobacco advertisements packs and anti smoking propaganda Cigarettes and Soviets provides a comprehensive study of the Soviet tobacco habit Tricia Starks examines how the Soviets maintained the first mass smoking society in the world while simultaneously fighting it The book is at once a study of Soviet tobacco deeply enmeshed in its social political and cultural context and an exploration of the global experience of the tobacco epidemic Starks examines the Soviet antipathy to tobacco yet capitulation to market the development of innovative cessation

techniques and clinics and the late entry into global anti tobacco work the seeming lack of cultural stimuli alongside massive use and the expansion of smoking without the conventional prompts of capitalist markets She tells the story of Philip Morris's Mission to Moscow campaign for the Soviet market the triumph of the quintessential capitalist product the cigarette in a communist system and the successes and failures of the world's first national antismoking campaign The interplay of male habits and health against largely female tobacco producers and medical professionals adds a gendered dimension Smoking developed continued and grew in the Soviet Union without mass production intensive advertising seductive industrial design or product ubiquity The Soviets were early to condemn tobacco and yet by the end of the twentieth century Russians smoked more heavily than most other nations in the world Cigarettes and Soviets challenges interpretations of how tobacco use rose in the past and what leads to mass use today

The Presence of God in the Works of William Wordsworth Eliza Borkowska, 2020-11-29 Approaching Wordsworth's writings from perspectives which have not been considered in critical literature this book offers a multiangled reflection on the technicalities of the poet's religious discourse including the methodology of *The Prelude* revision or Wordsworth's patent art of pious postscripts The book constitutes a self contained whole and can be read independently Simultaneously it creates an unusual duet with *The Absent God* in *The Works of William Wordsworth* whose six chapters follow this book's eight chapters like a sestet which complements the octave becoming thus a tribute to Wordsworth as one of the most prolific sonneteers in history Both monographs build their theses on Wordsworth's entire oeuvre and embrace the whole of his wide lifespan Their completion in 2020 coincides with several round anniversaries the 250th anniversary of Wordsworth's birth the 200th anniversary of *The River Duddon* and the 170th anniversary of the publication of his autobiographical masterpiece *The Prelude*
