Miriam Jiménez

Party Politics In America Longman Classics In Political Science 14th Edition:

Party Politics in America Marjorie Randon Hershey, 2017-02-17 The seventeenth edition of *Party Politics in America* continues the comprehensive and authoritative coverage of political parties for which it is known while expanding and updating the treatment of key related topics including interest groups and elections Marjorie Hershey builds on the book's three pronged coverage of party organization party in the electorate and party in government and integrates contemporary examples such as campaign finance reform party polarization and social media to bring to life the fascinating story of how parties shape our political system New to the 17th Edition Fully updated through the 2016 election including changes in virtually all of the boxed materials the chapter openings and the data presented Explores increasing partisan hostility the status of voter ID laws and other efforts to affect voter turnout young voters attitudes and participation and the role of big givers such as the energy billionaire Koch brothers in the 2016 campaigns Critically examines the idea that Super PACs are replacing or can replace the party organizations in running campaigns New and expanded online Instructor's Resources including author written test banks essay questions relevant websites with correlated sample assignments the book's appendix and links to a collection of course syllabi

Guide to the Presidency and the Executive Branch Michael Nelson, 2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president's relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama's healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy

Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president's role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions

Party Politics in America Marjorie Randon Hershey, 2011 Updated in a new 14th edition this book has been long considered the gold standard of political parties texts It covers the historic 2008 Presidential campaign and election while looking ahead to assess what the shifting political winds have in store for the future of the major political parties and Americans political views

The Politics of Place and the Limits of Redistribution Melissa Ziegler Rogers, 2015-10-14 Numerous scholars have noticed that certain political institutions including federalism majoritarian electoral systems and presidentialism are linked to lower levels of income redistribution This book offers a political geography explanation for those observed patterns Each of these institutions is strongly shaped by geography and provides incentives for politicians to target their appeals and government resources to localities Territorialized institutions also shape citizens preferences in ways that can undermine the national coalition in favor of redistribution Moreover territorial institutions increase the number of veto points in which anti redistributive actors can constrain reform efforts These theoretical connections between the politics of place and redistributive outcomes are explored in theory empirical analysis and case studies of the USA Germany and Argentina

Guide to U.S. Political Parties Marjorie R. Hershey, 2014-04-01 This one volume reference presents the major conceptual approaches to the study of U S political parties and the national party system describing the organization and behavior of U S political parties in thematic narrative chapters that help undergraduate students better understand party origins historical development and current operations Further it provides researchers with in depth analysis of important subtopics and connections to other aspects of politics

Key Features Thematic narrative chapters organized into six major parts provide the context as well as in depth analysis of the unique system of party politics in the United States Top analysts of party politics provide insightful chapters that explore how and why the U S parties have changed over time including major organizational transformations by the parties behavioral changes among candidates and party activists and attitudinal changes among their partisans in the electorate The authors discuss the way the traditional concept of formal party organizations gave way over time to a candidate centered model fueled in part by changes in campaign finance the rise of new communication technologies and fragmentation of the electorate This book is an ideal reference for students and researchers who want to develop a deeper understanding of the current challenges faced by citizens of republican government in the United States

The Presidency, the Public, and the Parties, 2008-03-05 The Presidency the Public and the Parties considers how presidential leadership depends on its ability to gain the support or acquiescence of key constituencies outside government It discusses both historical and current

relationships including the presidency and political parties the presidency and mass media the presidency and the public and the presidency and interest groups A new chapter in this edition looks at the presidency in popular culture Politics, Parties, and Elections in America John F. Bibby, 2000 This comprehensive text that incorporates the latest research concerning what political parties do how they are organized how party leaders behave the limitations of political parties and their evolving nature This text also discusses the mechanics of elections and how American politics have come to be controlled by political parties Does American Democracy Still Work? Alan Wolfe, 2008-10-01 DIV The past few decades have brought a shift in the nature of American democracy an alarming shift that threatens such liberal democratic values as respect for pluralism acceptance of the separation of powers and recognition of the rights of opposition parties In this insightful book political scientist Alan Wolfe identifies the current political conditions that endanger the quality of our democracy He describes how politics has changed and he calls for a democracy protection movement designed to preserve our political traditions not unlike the environmental protection movement s efforts to safeguard the natural world Voters who know little about issues leaders who bend rules with little fear of reprisal and political parties that are losing the ability to mobilize citizens have all contributed to a worrisome new politics of democracy Wolfe argues He offers a brilliant analysis of how religion and morality have replaced political and economic self interest as guiding principles and how a dangerous populism promotes a radical form of elitism Without laying blame on one party or ideology and without claiming that matters will improve with one party or the other in office Wolfe instead suggests that Americans need to understand the danger their own indifference poses and take political matters more seriously div **Inventive Politicians and Ethnic Ascent in American Politics** Miriam Jiménez, 2013-11-07 This innovative book investigates the process through which ethnic minorities penetrate into higher echelons of political power specifically how they succeed in getting elected to the U S Congress Analysts today see ethnic politicians largely in relation to their collectivities but by actually studying what ethnic minority politicians do and the issues they have faced Jim nez s book offers an original perspective of analysis Jim nez utilizes a ground breaking comparative dataset of elected members of Congress organized upon the basis of national origin the first available Using the cases of Mexican Americans and Italian Americans Jimenez analyzes and compares the different ways that these ethnic politicians have been elected to the national legislature from the beginning of the 20th century until the present Her study examines Italian and Mexican American politicians actions and interactions with local political parties identifies various layers of political power that have influenced their successes and failures and uncovers the strategies that they have used Jimenez argues that the politically active segment of an ethnic group matters in the process of political incorporation of a group She also asserts that regular access of ethnic groups into upper levels of political office and the full acceptance of new ethnic players only occurs as a consequence of an institutional change Jim nez s pioneering documentation and analysis of the strategies of ethnic minority politicians and the ways that political institutions have

influenced these politicians is significant to scholars of political incorporation race and ethnicity and congressional elections Her book demonstrates the need to reconsider several standard ideas of how minority representation occurs and deepens our understanding of the role that political institutions play in that process *Cozy Politics* Peter Kobrak,2002 Kobrak public administration and political science Western Michigan U distinguishes the traditional corruption of pork barreling from cozy politics which he says directly impacts the very nature of the political system and the relationship of citizens to their government By cozy politics he means the reliance of politicians on big money campaign contributions and the political favors the contributors receive in turn His solution is widespread citizen participation encouraged by a restructuring of political parties and a more modest reworking of the government Annotation copyrighted by Book News Inc Portland OR

Principles and Practice of American Politics Samuel Kernell,Steven S. Smith,2018-04-03 Principles and Practice of American Politics is a well balanced reader covering all the major topics of an American Government course Blake Jones Ohio Valley University Combining timeless readings with cutting edge articles and essays Principles and Practice of American Politics Seventh Edition enriches students understanding of the American political system by examining the strategic behavior of key players in U S politics This collection of classic and contemporary readings brings concepts to life by providing students with real examples of how political actors are influenced by the strategies of others and are governed by the Constitution the law and institutional rules Carefully edited by award winning authors Samuel Kernell and Steven S Smith each reading is put into context to help students understand how political actions fall within a major national political forum New to the Seventh Edition Nine new and updated essays encourage students to reflect on the continuing debates over the polarization of the American electorate and Congress the role of social media and fake news in influencing public views of politicians and issues the fragile Trump coalition the efficacy of polling in tracking public opinion and other issues more relevant than ever in the wake of the 2016 elections Additional essays challenge students to think more carefully about alternative institutions and political arrangements The new essays present institutions of majority rule the nature of racial discrimination and the proper role of the court as less settled issues that provide students an opportunity to think through and discuss their views on the future direction of American civic life Each selection is artfully framed by Kernell and Smith s contextual headnotes to make them appropriate for classroom use Original readings written specifically for the volume give the book a coherent treatment of the performance of U S political institutions *City Politics*, Pearson eText Dennis R. Judd,2015-09-16 This text provides a foundation for understanding the politics of America s cities and urban regions Praised for the clarity of its writing careful research and distinctive theme that urban politics in the United States has evolved as a dynamic interaction among governmental power private actors and a politics of identity City Politics remains a classic study of urban politics *The American Election 2012* R. Holder,P. Josephson,2016-01-13 Elections capture a sense of national identity and imply a future direction for the nation The book seeks to unravel how elections and policies act together

dynamically by analyzing parties strategies foreign and domestic policies and the role of religion in political dialogue

Congress Reconsidered Lawrence C. Dodd, Bruce I. Oppenheimer, 2016-12-16 For almost four decades the editors of Congress Reconsidered Lawrence C Dodd and Bruce I Oppenheimer have delivered the best contemporary work from leading congressional scholars in a form that is both analytical and accessible The tradition continues in this Eleventh Edition as contributing authors focus on the many ways Congress has changed over time and examine the conditions that foster these developments Some of the most noted names in congressional studies address topics from broad dynamics affecting the institution elections and constituencies parties and internal organization inter branch relations and policymaking This new edition also ends with a capstone chapter on the milestone 2016 elections Simply put this bestselling volume remains on the cutting edge of scholarship identifying patterns of change in Congress and placing those patterns in context *The Web of Democracy* Michael C. Gizzi, Tracey Gladstone-Sovell, William Richard Wilkerson, 2002 Students will find many current faces and issues in the written and visual illustrations of this textbook from the Bush vs Gore ruling in Florida to Brittany Spears to Columbine The text is meant to be up to date in its design incorporating frequent signs in the margins of the text that direct t

Party Politics in America Paul Allen Beck, 1997 Party Politics in America now considerably revised and updated is a longtime leading text on American political parties Its coverage is comprehensive including the American party system and its third parties and independents all three parts of the parties the party organizations the party in the electorate and the party in government and the interaction among these parts especially during election campaigns Professor Beck integrates academic research on the parties with contemporary and historical examples of party politics in the U S The eighth edition incorporates new research and political events through the beginning of the 1996 presidential election campaign employs more comparisons with other democratic party systems than before and addresses directly the question of the changing role of the parties in American politics **Presidential Elections** Nelson W. Polsby, Aaron Wildavsky, Steven E. Schier, David A. Hopkins, 2019-08-05 Polsby and Wildavsky s classic text argues that the institutional rules of the presidential nomination and election processes in combination with the behavior of the mass electorate structure the strategic choices faced by politicians in powerful and foreseeable ways We can make sense of the decisions made by differently situated political actors incumbents challengers Democrats Republicans consultants party official activists delegates journalists and voters by understanding the ways in which their world is organized by incentives regulations events resources customs and opportunities *Voters, Elections, and Parties* Gerald M. Pomper, Democratic theory promises that government will protect the interests of the citizenry and follow majority will in its policies To put theory into practice voters must be capable elections must be meaningful and parties must be responsible For over two decades Gerald Pomper has explored the empirical realities of contemporary democracy The book features a comprehensive introductory essay stating the major themes of this work Each of the three major sections is preceded by Pomper s reappraisal of previous writings both published

and unpublished *Principles and Practice of American Politics* Steven S. Smith, 2024-08-28 Combining timeless readings with cutting edge current selections *Principles and Practice of American Politics* effectively animates today's institutions and political arrangements in the study of American Government and politics Each selection is artfully framed by contextual headnotes and many of the readings are written specifically for the volume The Eighth Edition includes readings that present institutions of majority rule the nature of racial discrimination the proper role of the court and other issues that provide students an opportunity to think through and discuss their views on the future direction of American civic life *Reforming Health Care in the United States, Germany, and South Africa* Susan Giaimo, 2016-04-29 As countries confront new health care challenges in the 21st century their health care systems reflect the problems and political settlements of an earlier age Meeting these new challenges requires reform of existing health care system arrangements while reconciling the goals of equitable access to quality care at an affordable price This book compares health care reforms in industrialized nations and the Global South to uncover the similarities and differences in their problems and solutions It examines the struggle over the Affordable Care Act and its alternatives in the United States major health care reforms in Germany in the new century and South Africa's efforts to combat AIDS and construct a comprehensive health care system for all These particular reforms reflect the underlying configuration of politics in each country

Party Politics In America Longman Classics In Political Science 14th Edition Introduction

In today's digital age, the availability of Party Politics In America Longman Classics In Political Science 14th Edition books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Party Politics In America Longman Classics In Political Science 14th Edition books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Party Politics In America Longman Classics In Political Science 14th Edition books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Party Politics In America Longman Classics In Political Science 14th Edition versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Party Politics In America Longman Classics In Political Science 14th Edition books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Party Politics In America Longman Classics In Political Science 14th Edition books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization

that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Party Politics In America Longman Classics In Political Science 14th Edition books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Party Politics In America Longman Classics In Political Science 14th Edition books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Party Politics In America Longman Classics In Political Science 14th Edition books and manuals for download and embark on your journey of knowledge?

FAQs About Party Politics In America Longman Classics In Political Science 14th Edition Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities,

enhancing the reader engagement and providing a more immersive learning experience. Party Politics In America Longman Classics In Political Science 14th Edition is one of the best book in our library for free trial. We provide copy of Party Politics In America Longman Classics In Political Science 14th Edition in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Party Politics In America Longman Classics In Political Science 14th Edition. Where to download Party Politics In America Longman Classics In Political Science 14th Edition online for free? Are you looking for Party Politics In America Longman Classics In Political Science 14th Edition PDF? This is definitely going to save you time and cash in something you should think about.
