Pastor Appreciation Sunday Responsive:

The Responsive Marriage Donald W. Welch Ph.D. M.S. LMFT, 2023-11-20 When you marry your heart overflows with enthusiasm exhilaration and optimism You can't wait to start a new life with this one whose mere presence or voice causes an abundance of feel good neurotransmitters to flood your brain But soon after differences in temperament gender family of origin and marital expectations collide You discover that the characteristics and behaviors you once found attractive in your mate are now sources of irritation and frustration Conflict erupts causing reactivity in your temperament to surface more often Before long your dialogue degrades with frequent accusations and debates about perspective In *The Responsive Marriage* Dr Donald W Welch shows you the enemy in this fight isn't your spouse Unmanaged reactivity those involuntary and unregulated reactive messages you inadvertently send your spouse when you're triggered is the culprit Using practical tools and methods sound biblical principles and scientifically verified practices he teaches you to recognize reactivity understand its origin and work together to eliminate it Imagine a marriage with these characteristics No fights Full choice and voice expression Being fully understood Constant positivity and thanksgiving Too good to be true Come discover that this kind of marriage is within your reach

Sunday School Times, 1893 Who Shall Lead Them? Larry A. Witham, 2005-07-01

The clergy today faces mounting challenges in an increasingly secular world where declining prestige makes it more difficult to attract the best and the brightest young Americans to the ministry As Christian churches dramatically adapt to modern changes some are asking whether there is a clergy crisis as well Whatever the future of the clergy the fate of millions of churchgoers also will be at stake In *Who Shall Lead Them* prizewinning journalist Larry Witham takes the pulse of both the Protestant and Catholic ministry in America and provides a mixed diagnosis of the calling's health Drawing on dozens of interviews with clergy seminarians and laity and using newly available survey data including the 2000 Census Witham reveals the trends in a variety of traditions While evangelicals are finding innovative paths to ministry the Catholic priesthood faces a severe shortage In mainline Protestantism ministry as a second career has become a prominent feature Ordination ages in the Episcopal and United Methodist churches average in the 40s today The quest by female clergy to lead from the pulpit meanwhile has hit a stained glass ceiling as churches still prefer a man as the principal minister While deeply motivated by the mystery of their call to ministry America's priests pastors and ministers are reassessing their roles in a world of new debates on leadership morality and the powers of the mass media *Who Shall Lead Them* offers a valuable snapshot of this contemporary clergy drama It will be required reading for everyone concerned about the rapidly shifting ground of our churches and the health of religion in America
