## **Pastoring With Elders:**

*Pastoring with Elders* Kevin Mahon, 2012-07 Kevin is a preaching elder in an Associated Gospel Church in Canada AGC. Their elders have had a growing influence on other congregations and have frequently been asked to share their effective shepherding elder model. So how do you grow elders? Many pastors are looking for another program or quick fix to accomplish this end. However, the answer is rooted in the theology of ministry and the need to focus on the biblical mandate given to pastors rather than the tyranny of expectations inherent in pastor-led churches. This book is designed to help senior pastors walk through a process of deconstructing their understanding of pastoring and redirect them to a focused ministry within a plurality of shepherd elders. About the Author: Kevin Mahon has been the preaching elder at Peoples Church Sarnia Lambton since 1999. At the age of thirteen, he made a bargain with God and promised to become a priest. He and his wife were born again during their university days and joined the priesthood of all believers. God was faithful in shepherding that youthful promise made by Kevin, who now makes his living from the Gospel as a preaching pastor. Kevin's heart is for the local church for preaching God's Word and for growing men as disciples of the Lord. He has been married to Charlene for twenty-six years and has five children and a daughter-in-law.

*Pastoring with Elders: Together we Make One Really Good Christian* Kevin Mahon, **Church Elders** Jeramie Rinne, 2014-04-30 Effective leadership is important. Nowhere is this more true than in the church. Jeramie Rinne offers readers a concise overview of the Bible's teaching on spiritual leadership, setting forth an easy-to-understand job description for elders that is focused on enabling pastors and church leaders to effectively shepherd their congregations. Giving practical guidance to new elders and helping church members better understand and support their spiritual leaders, this conversational book emphasizes purposeful ministry rather than project management. It will also bolster leaders' confidence by encouraging them to embrace their pastoral calling with grace, wisdom, and a clarity of vision.

**Pastors and Elders** Timothy J. Mech, 2012-02 Who is in charge? What are elders responsible for? How can we build trust between the pastor and elders? How can we hold one another accountable? If these questions sound familiar, it's because every church struggles at times with knowing how to foster a healthy relationship between pastors and elders. The relationship between leaders in the congregation is an important factor in the well-being of the church. A twenty-one year veteran of the pastoral office, author Timothy Mech defines the roles and responsibilities of each position, outlines where authority should lie, and provides recommendations of how to build trust and accountability within the congregation. This training manual includes discussion questions at the end of each chapter along with helpful resources such as sample meeting agendas, reports, templates for congregational letters, and much more. Together with the companion DVD *Pastors and Elders*, provides the Lutheran congregation with strategies for leaders to work effectively as a team for the sake of the Lord and His Church. **Elders in Congregational Life (Newton)** Phil A. Newton, **Workers for Your Joy** David Mathis, 2022-07-14 David Mathis Examines the Qualifications and Calling of Church Leaders for a New Generation of Congregants and Leaders We live in an age increasingly cynical about leadership some of it for good reason much of it simply the mood of our times Still the risen Christ continues the counter cultural work he s done for two millennia he appoints leaders in his church not as a burden but as a gift to his people He gave the shepherds and teachers to equip the saints for the work of ministry Ephesians 4 11 12 What is the nature calling and work of local church leadership Pastor and seminary professor David Mathis considers the elder qualifications in 1 Timothy 3 and Titus 1 not only as prerequisites but as daily necessities to carry out joyfully This accessible guide aims to serve current and aspiring pastors and elders as well as church members who want to know the

expectations for their leaders and how to pray for them From the words of Christ to Peter and Paul and Hebrews the New Testament casts a vision for church leaders that is good news to churches and leaders alike joyful workers for the joy of their people Great Training for Current and Aspiring Pastors and Elders Expands on the nature and work of local church leadership through the framework of its qualifications in 1 Timothy 3 1 7 Titus 1 5 9 and other passages Useful for the Whole Church Aims to help full time pastors lay elders deacons and seminary students as well as church members eager to explore the true nature of leadership in the church and to pray intentionally for their own pastors Explains 15 Virtues Church Leaders Should Pursue Mathis shares Spirit given competencies that Christian leaders can draw upon week in and week out to do the work to which Christ has called them

**The Pastoral Epistles** Christopher Palmer, 2019-02-15 An essential course of study on the pastoral epistles for church leaders and candidates for Christian ministry Pay close attention to yourself and to your teaching 1 Tim 4 16 This course is a study of the three New Testament Epistles traditionally attributed to the apostle Paul The Pastoral Epistles 1 and discuss of the principles of early church theology practice and governance described within them This course is meant to help the student discover how we can apply these principles to the 21st century Church and so equip the student for Christian ministry as they lead the church of God in a modern context The Lutheran Pastor George Henry Gerberding, 1902

*Elders Lead a Healthy Family* J. R. Miller, 2017-04-20 Elders Lead a Healthy Family explores the biblical paradigm for shared leadership elders as the spiritual big brothers and shepherds to the family of God This book is a fresh biblical alternative to the standard fare of pragmatic church leadership Delivered in a winsome and irenic style the book addresses the key concerns of our day including pastoral burnout women as elders women and the pastoral gift power in leadership abuse of power in ministry ministerial pay and fostering missional leadership structures The answer to so many of the problems facing the church is not more coaching or better education The answer requires our churches to change the very structures that foster abuse isolation and burnout If we hope to save our pastors then we need our pastors to abandon the pastor as CEO model of leadership If we want to reach the lost we need a systemic change in the way we plant grow and maintain our churches Instead of putting a solo leader at the top of Church Incorporated we need to build teams of elders doing ministry together as they lead the family of God

**Should Women Be Pastors and Leaders in Church?** Dr. Bill Rudd, 2018-07-12 What if you had been deceived about an important Bible teaching that has huge impact on peoples openness to the gospel and on the reputation of Jesus's church Would you want to know What if your church could double the number of teachers and leaders and experience revitalization by implementing one Bible teaching Would you want to know how Discover the following What God's creation intent was for the roles of men and women How the Fall radically changed male and female relationships and impacts us every day An interpretive key with transformative potential for every marriage How misinterpretation of the two primary gender role passages in the Bible has deceived millions and caused great harm How a major emphasis of scripture has been stifled or ignored How to implement a

Bailey,2007-04-01 Servants in Charge is a training guide for elders and deacons with a study guide included Servants in Charge define the roles of elders and deacons and offers practical suggestions for selecting these important leaders And for servants who find themselves in charge there are guidelines toward effective and fruitful ministry Have you ever been in an office or a place of business when someone walked in and asked Who's in charge here Can it be that the people who enter your church ask the same question but it is important to realize the answer is not a mystery In a beautiful parable about His second coming Jesus made it clear that His servants are in charge These people are known not so much for their position or power but for their attitude of true servant hood In Servants in Charge we find that Dr Bailey deals with the topics of who a deacon and elder are to be to what their qualifications are from a scriptural basis He also goes on to explain their biblically based ministries and their spiritual gifts as laid out in the New Testament He completes this short study with a guide for preparation for them and their election and consecration A great must have for the church today      **A Pentecostal Commentary on the Pastoral Epistles** William K. Kay,John R. L. Anyabwile,2012-01-31 Any church leader knows the qualifications for elders and deacons are articulated in the Bible but that same leader also knows that actually finding other leaders who fulfill the biblical qualifications is difficult While many books analyze and debate the finer points of church government few have been written on both elders and deacons and fewer still successfully show how to identify and reproduce legitimate leaders and willing servants throughout the ranks of the church body Thabiti Anyabwile writes from his expertise as a pastor and an elder as well as from his experience of being led by faithful men men who saw in him the fundamental qualities listed in Scripture and invested their time energy and love into grooming him to take their place Balancing thoughtful analysis of pertinent passages with thorough application for practical

use in a contemporary context Anyabwile answers the questions Who should we look for to lead and serve in the church and What should they do to fulfill their calling Most helpful perhaps are the lists Observations to make and Questions to ask which are provided for each characteristic described Rather than exacerbating the controversial questions surrounding these issues this book provides meaningful action points that will prove effective for a wide range of interpretations *Elders and Deacons and Saints, Oh My!* James Kirkland, 2015-11-12 Elders and Deacons and Saints Oh My shares the Bibles teachings on leadership and organization It offers members of todays churches the insights needed to fulfill the five purposes God gives to love Him love others evangelize identify new followers and make them faithful disciples Author James Kirkland a pastor and theologian with deep experience as a business owner and CERTIFIED FINANCIAL PLANNERTM Professional weaves together organizational wisdom and biblical teaching Through a study of the Scriptures Elders and Deacons and Saints Oh My defines the roles of the churchs leaders and presents the Bibles model for organizing congregations It paints a picture of servant leaders grounds their authority in biblical teaching and guides them in assembling faithful teams of ministers who practice loving care for others following the model of Christs love for all people If you find yourself listening to Gods call to the church but then growing disappointed at how your congregation answers that call then Elders and Deacons and Saints Oh My can help you become a stronger leader It combines scripturally inspired teaching about leaders and church administration with practical methods for building and leading teams You will gain understanding about the strengths of clearly defined roles for elders deacons and church members and the power for mission that comes when leaders organize Gods people around those roles In the end your disappointment can turn to joy through encouraging members toward Christian maturity and equipping them to share Christs love with others
