Deweese, 2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life Most Baptist individuals and churches have strongly opposed women deacons Some Baptist associations have even disfellowshipped churches that have approved women deacons And women in general have been suppressed by many recent actions of the Southern Baptist Convention thereby affecting women deacons However thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions The book presents arguments on both sides of the topic but lands squarely in support of women deacons      **The Premarital Counseling Guide** O Randall Jenkins DEdMin, 2024-04-11 Marriage includes everything a man and a woman desire in life love hope thrills security peace comfort family rest and joy The conversations they have prior to marriage are vital to their future success and perseverance through the hard seasons of life The Premarital Counseling Guide offers the counselor a comprehensive starting point for the couple to begin candid conversations to help them establish a strong foundation to build their marriage Ministers counselors and officiants will benefit from this small volume as a resource      **Engaging Exposition** Dr. Daniel L. Segler, 1960 The pages of this book capture the sustaining and unique ministry of Franklin Segler to the teaching and practice of the pastoral ministry He brings forth from his treasure things both new and old to give perspective and depth to the work of the Christian pastor and the church The content is addressed primarily to students pastors and other church vocation leaders and also teachers in the field of theological education interested in training students for the ministry It is believed that the layman too may find it helpful in understanding his own role in the church in relation to that of the minister **Journal of the South Carolina Baptist Historical Society**,

**The American Baptist Evangelization Work in the Naga Hills, Nagaland, 1839-1955** Joseph Puthenpurakal, 1982 Sixth grader Cat tries to hide the fact that she is a good student in order to make friends with Cassidy but when a third girl who likes the same music and fashions as Cassidy comes on the scene Cat is afraid she will lose her new friend **The Eclipse of Heaven** A. J. Conyers, 1999 We live in a World no longer under heaven At least in most people's minds and imaginations that vision of reality has become little more than a caricature conjuring up the saints and angels of baroque frescoes And in the church only a hint remains of the power it once exercised in the hearts of believers So begins A J Conyers in this provocative book and suggests that the eclipse of heaven has resulted in a shallower view of life and death in a loss of cultural and individual purpose and in moral disarray This is a powerful persuasive plea to stop blocking heaven from our sight and so to regain hope meaning and richer lives in this world and the one to come *Here at Thy Table*, Lord Alton H.
