Patagonia Julian Wicksteed, 2013 *Chasing Rumor* Cameron Chambers, 2015-06-09 A blip of prosperity at the turn of the 20th century brought American trout to Patagonia then for a half century they were forgotten to fight wars and build a nation Rediscovered by fishermen a half century later the fish had grown to epic proportions In *Chasing Rumor* Cameron Chambers chronicles his modern day pilgrimage to the rivers of Patagonia in pursuit of these legendary 20 pound trout What started as a trip focused on catching fish became a love affair with the Patagonian landscape environment and mostly the people From a business mogul turned B B owner to a kid determined to save a local trout population *Chasing Rumor* is at times the story of a handful of fishermen and at other times a tale of enormous trout **Fly-Fishing in Patagonia** Barrett Mattison, Evan Jones, 2008 Although Patagonia is becoming an increasingly popular world destination for fly fishermen there is a conspicuous lack of information available to anglers on this remote area Until now Barrett Mattison and Evan Jones have spent several seasons independently fishing and exploring the entirety of Argentine Patagonia an area roughly the size of Montana and California combined and in this book they share everything you need to know before embarking on the adventure of a lifetime Fly Fishing in Patagonia includes a general overview a brief history of fishing in Patagonia a breakdown of each fishing region an in depth description of over 100 waterways best seasons to fish logistics for travel outstanding photographs and much more If you have always dreamed of fishing Patagonia but weren't sure where to start you now have all the information you need to have a safe and successful trip
