Path Of The Sacred Masculine Contemplation Tools For Your Journey:

Path of the Sacred Masculine Karen Kiester, 2014-11-30 At a time when the patriarchy is diminishing and goddesses abound what of the sacred masculine As confusion about masculinity and what it means to be a man seems to muddy the water further it is time for a simple yet profound tool to offer some assistance a contemplation card deck and guide book These cards are a gift from Josef the earthly father of the Christ You know the Josef and Mary Josef betrothed of Mary mother of Jesus Christ That man who clearly played a major role in the life of an extraordinary being offering wisdom and guidance to this child who would grow to be a man and have a profound effect on the world Who better to offer information and guidance about the Sacred Masculine than Josef The purpose of this book which supports the contemplation card deck is to offer the opportunity to reflect upon and embrace the sacred masculine It is my hope that the cards and book will be used to affirm what is wonderful and needed from the sacred masculine as well as to offer guidance to broaden one's view of the sacred masculine If you are looking for an answer book this is not it This book and separate card deck are meant to be a guide to help you find your own answers You are the expert All of the answers you seek are within you The core premise is that the sacred masculine is energy rather than gender It is not about having answers or being the expert It is about posing questions that will lead one to self discovery It encourages you to question your perceptions and your belief systems and to be open to new possibilities The book is aimed towards men yet women will also find value in its pages and images for we all have both masculine and feminine energy and tendencies The cards are tools to bring balance into one's life May this book and card deck assist you on your journey
