Chasing Rumor Cameron Chambers,2015-06-09 A blip of prosperity at the turn of the 20th century brought American trout to Patagonia then for a half century they were forgotten to fight wars and build a nation Rediscovered by fishermen a half century later the fish had grown to epic proportions In Chasing Rumor Cameron Chambers chronicles his modern day pilgrimage to the rivers of Patagonia in pursuit of these legendary 20 pound trout What started as a trip focused on catching fish became a love affair with the Patagonian landscape environment and mostly the people From a business mogul turned B B owner to a kid determined to save a local trout population Chasing Rumor is at times the story of a handful of fishermen and at other times a tale of enormous trout

A Fresh Cup of Tolerance Dr. Tom Norris,2015-09-29 With over seven billion people on the planet and a lot more coming learning to get along and live love together is essential to our survival In a crisis our best nature surfaces but we seem unable to sustain a sense of true community and remain in the heart of compassion for more than a few CNN weeks at a time Understanding this A Fresh Cup of Tolerance offers a revolutionary theory of Universalism providing a pathway of hope for a troubled and divided world In doing so it addresses some of the foremost dilemmas of our time Environment Globalization Feminist and gender issues Religious strife Oppression Poverty War Prejudice Theologically it systematically explores Our worlds multi layered views of God Our place in the world Good evil sin and suffering Ongoing revelation Spirituality in the digital age Love and community Spiritual liberation Nevertheless A Fresh Cup of Tolerance is not just a pleasant vanilla treatise on love its a living breathing dynamic faith in action theology free from rigid words scriptures beliefs dogma or practices rituals Pulling from centuries of global religious tradition including teachings from Native American Asian pagan and neo pagan Goddess Judeo Christian Islamic ways of life and more this truly Universalist theology serves as a call to action for those individuals desperately seeking a world full of loving relationships and respect

Disreputable Women Christina Jessica Carney,2025 Disreputable Women is a deeply transdisciplinary study of how black women use sex work and place making to claim economic bodily and sexual autonomy in a militarized city that is intent on displacing and caging them Christina Jessica Carney distills the production of these disreputable women during two major twentieth century urban development processes in downtown San Diego where municipal police public health officials and even activists designated street involved sex workers and the places they congregated as blight Carney documents how some black women reconceptualized the public and private spheres by using residential hotels and multiuse commercial spaces for housing and work controlling their erotic economies and their sexual cultural lives She marks how discrete and explicit intellectual economic and political practices by

black women complicate a dominant understanding of red light areas and black sex workers as undesirable contaminants to be cleaned out. Instead, her intuitive framework of disreputability offers a more ethical and workable approach to imagining the built environment and its inhabitants developing a rich and robust grammar for understanding black women's lives amid scenes of militarization and gendered anti-blackness.

Conspiracies and Conspiracy Theories in American History

Christopher R. Fee, Jeffrey B. Webb, 2019-05-24. This up-to-date introduction to the complex world of conspiracies and conspiracy theories provides insight into why millions of people are so ready to believe the worst about our political, legal, religious, and financial institutions. Unsupported theories provide simple explanations for catastrophes that are otherwise difficult to understand, from the U.S. Civil War to the Stock Market Crash of 1929 to the terrorist attacks on the World Trade Center in New York. Ideas about shadowy networks that operate behind a cloak of secrecy, including real organizations like the CIA and the Mafia and imagined ones like the Illuminati, additionally provide a way for people to criticize prevailing political and economic arrangements while for society's disadvantaged and forgotten groups, conspiracy theories make their suffering and alienation comprehensible and provide a focal point for their economic or political frustrations. These volumes detail the highly controversial and influential phenomena of conspiracies and conspiracy theories in American society. Through interpretive essays and factual accounts of various people, organizations, and ideas, the reader will gain a much greater appreciation for a set of beliefs about political scheming, covert intelligence gathering, and criminal rings that has held its grip on the minds of millions of American citizens and encouraged them to believe that the conspiracies may run deeper and with a global reach.
