Walter Lippmann Mark Thomas Edwards, 2023-05-12 Walter Lippmann was arguably the most recognized and respected
political journalist of the twentieth century His Today and Tomorrow columns attracted a global readership of well over ten
million Lippmann was the author of numerous books including the best selling A Preface to Morals 1929 and U S Foreign
Policy 1943 His Public Opinion 1922 remains a classic text within American political philosophy and media studies Lippmann
coined or popularized several keywords of the twentieth century including stereotype the Cold War and the Great Society
Sought out by U S Presidents and by America s allies and rivals around the world Lippmann remained one of liberalism s
most faithful proponents and harshest critics Yet few people then or since encountered the real Walter Lippmann That was
because he kept crucial parts of himself hiding in plain sight His extensive commentary on politics and diplomacy was
bounded by his sense that America had to adjust to the loss of a common faith and morality in a post Christian era Over the
course of his life Lippmann traded in his fame as a happy secularist for the stardom of a grumpy Western Christian
intellectual Yet he never committed himself to any religious system especially his own Jewish heritage Walter Lippmann
American Skeptic American Pastor considers the role of religions in Lippmann s life and thought prioritizing his affirmation
and rejection of Christian nationalisms of the left and right It also yields fresh insights into the philosophical origins of
modern American liberalism including liberalism s blind spots in the areas of sex race and class But most importantly this
biography highlights the constructive power of doubt For Lippmann the good life in the good society was lived in
irreconcilable tension the struggle to be free from yet loyal to a way of life to recognize the dangers yet also necessity of a
civil religion and to strive for a just and enduring world order that can never be In the end Lippmann manufactured himself
as the prophet of limitation for an extravagant American Century **Books in Print Supplement** ,2002 **Books in
