## **Pattern Making Portfolio Skills:**

*The Graphic Designer's Guide to Portfolio Design* Debbie Rose Myers, 2013-10-21 Landing a job in graphic design or multimedia starts with the creation of a portfolio that showcases a student's best work. With sample portfolios, interviews with leaders in graphic design and advertising industries, and step-by-step instruction for creating professional print and digital portfolios, this book helps students successfully transition from design student to design professional. Now fully updated, it is the only guide to creating job-winning print-based and digital portfolios specifically for graphic designers. **Pattern**

**Making** Dennic Chunman Lo, 2011-10-19 An introduction to the basic principles of pattern cutting, this practical book shows students how to interpret the human form and look at clothing through the eyes of a designer rather than a consumer. As well as explaining the proportions of human anatomy, the book introduces key tools and then takes the reader from simple pattern cutting ideas to more advanced creative methods. Finally, the book looks at the work of fashion designers who are masters of pattern cutting, such as Comme des Garçons, John Galiano, Yohji Yamamoto, and Issey Miyake. With photographs of final and dissected garments along with CAD/CAM diagrams to explain how those pieces were cut, the book will gradually build an understanding of pattern cutting and enable students to experiment and create exciting patterns for their own designs.

*Fashion Design: The Complete Guide* John Hopkins, 2021-09-23 From the first sketch to handling a prototype, *Fashion Design: The Complete Guide* is an all-inclusive overview of the entire design process. This second edition begins with an exploration of fashion in the context of different histories and cultural moments before fashion designer and educator John Hopkins walks you through fashion drawing, colour, fibres, research methods, and studio must-knows such as pattern making, draping, and fitting. You'll also learn how to develop your portfolio and practice as a professional designer. Each of the six chapters ends with activities to help you hone your skills. Interviewees include Stefan Siegel, founder and CEO of Not Just A Label; Maggie Norris, founder of Maggie Norris Couture and former designer at Ralph Lauren; Samson Soboye, creative director and founder of Soboye Boutique; and Jessica Bird, a fashion illustrator whose clients include Vivienne Westwood and matchesfashion.com. With discussion of the evolving role of social media and the practicalities of incorporating sustainability at the centre of the design process, this is an essential text for any aspiring fashion designer.
