is a treasure of history and craft an exquisite view of America through the handiwork of its knitters Saint Germain Elizabeth Clare Prophet,1990-03 Love in America Francesca M. Cancian,1990-08-31 In the last twenty five years Americans have gained considerable freedom in thier personal lives Relationships are now more flexible and self development has become a primary goal for both men and women Most scholars have criticized this trend to greater freedom arguing that it undermines family bonds and promotes selfishness and extreme independence Francesca Cancian is more optimistic In this book she shows that many American couples succeed in combining self development with commitment and that interdependence not independence is their ideal In interdependent relationships love and self development do not conflict but reinforce each other Love in America compares traditional forms of marriage with these newer forms of close relationships Starting with the nineteenth century Cancian shows how gender roles became polarized with love which was identified with emotional expression no practical help being the responsibility of women while self development was regarded as a masculine concern These traditional images of love and relationships are still held by many Americans today even though as Cancian points out this can lead to marital conflict and individual stress and illness By contrast new images of love emphasizing self development for men and women and flexible androgynous roles began to emerge around 1900 accelerating in the 1960s She concludes that this trend to self development and androgyny will continue but that whether it will lead to more interdependent relationships or to more independence and isolation depends partly on economic and political changes in the wider society The evidence for Cancian s argument comes from sociological historical and psychological sources Her book will interest readers in these disciplines as well s appeal to a wide general audience **The Billboard Book of Number One Hits** Fred Bronson,2003 Provides lists of hit songs by date with information on the artist songwriter producer label and offering interviews with popular artists Authentic American Indian Beadwork and How to Do It Pamela Stanley-Millner,2012-08-08 This start to finish guide enables even beginners to create beautiful beadwork based on authentic Native American designs Step by step instructions include diagrams for 71 patterns for bead weaving and applique weaving **Woman's World** ,1927 *The JOY of Giving: Prosperity Politics in America and Why Evangelicals Have Not a Clue* Philip Ellerbrock,2010-07-12 Have you tried purpose driven life styles after Y2K prayed the prayer of Jabez and still find yourself empty and dissatisfied come credit crisis in 9 08 or oil spilling off the Casino Coast We have Our journey takes us back to Christ from Protestant workaholic righteousness even from Mother Teresa s revelations how she lost the presence of Jesus in her life over sixty six years of serving the poor in Calcutta India Could we find ourselves alienated from Christ too Oh yes Where s the JOY and satisfaction we once knew Is tithing by Law what God wants Join us in finding out what Jesus Christ really has to say about trusting in ourselves America and easy step What works for me theology Patterns of Love Robin Lee Hatcher,2001 In rural Iowa life is both the planter and the uprooter of dreams As love long delayed springs to life in the heart of a young Swedish immigrant one man struggles with his withered ambitions and new
