The Anit Christ Version Proverbs 22:6. It is not what these serial killers have horribly done to so many others that is so trumpeted in the headlines that Jim Davis recognizes in this work, but what was done to them by parents and many others as innocent children that inevitably led to their tragic ends. Bon Appetite! After profiling Jaden, then the author showcases how these characteristics were demonstrated in the lives and deeds of The Top 60 Serial Killers of our age. Through these factual historical examinations, these 60 are listed from maximum body count to the least, detailing the mixed-in ingredients, characteristics which formed their destinies and deeds. As a final twist to this twisted tale, Jaden is diverted from the probable outcome of his crockpot of horror development by a dynamic meeting
