In this eye-opening guide, Zen monk Thich Nhat Hanh offers timeless insight into the nature of real love. With simplicity, warmth, and directness, he explores the four key aspects of love as described in the Buddhist tradition: lovingkindness, compassion, joy, and freedom, explaining how to experience them in our day-to-day lives. He also emphasizes that in order to love in a real way, we must first learn how to be fully present in our lives, and he offers simple techniques from the Buddhist tradition that anyone can use to establish the conditions of love.

True Refuge Tara Brach, 2016-01-12 From the award-winning author of *Radical Acceptance* comes a healing and helpful meditation and a gracefully written spiritual gem on awareness, refuge, and presence. *Spirituality Practice*: This is a precious gift filled with insight shared from heart to heart. Thich Nhat Hanh: How do you cope when facing life-threatening illness, family conflict, a faltering relationship, old trauma, obsessive thinking, overwhelming emotion, or inevitable loss? If you're like most people, chances are you react with fear and confusion, falling back on timeworn strategies: anger, self-judgment, and addictive behaviors. But there is another way. Beneath the turbulence of our thoughts and emotions exists a profound stillness, a silent awareness capable of limitless love. Tara Brach calls this awareness our true refuge because it is available to every one of us at any moment. Based on a fresh interpretation of the three classic Buddhist gateways to freedom—truth, love, and awareness—*True Refuge* shows us the way not just to heal our suffering but also to cultivate our capacity for genuine happiness. Through spiritual teachings, guided meditations, and inspirational stories of people who discovered loving presence during times of great struggle, Brach invites us to connect more deeply with our own inner life, one another, and the world around us.
