Naked Faith Elaine A. Heath, 2009-01-01 Now and then through the history of the church a great light appears a prophet who calls the church back to its missional vocation These reformers are lovers of God mystics whose lives are utterly given to the divine vision Yet as Jesus noted a prophet is often without honor among her own people In the case of Phoebe Palmer 1807 1874 honor was lost posthumously for within a few decades after her death her name all but disappeared Palmer s sanctification theology was separated from its apophatic spiritual moorings even as her memory was lost Throughout most of the twentieth century her name was virtually unknown among Methodists To this day the Mother of the Holiness Movement still awaits her place of recognition as a Christian mystic equal to Catherine of Siena Teresa of Avila or Th rase of Lisieux This book locates Palmer s life and thought within the great Christian mystical traditions identifying her importance within Methodism and the church universal It also presents a Wesleyan theological framework for understanding and valuing Christian mysticism while connecting it with the larger mystical traditions in Catholic Anglican and Orthodox communions While Palmer was a powerful revivalist in her own day in many ways she could be the patron saint for contemporary Methodists who are drawn to the new monasticism and who long for the renewal of the church Saint Phoebe is precisely the one who can help Methodists envision new forms of Christian community mission and witness in a postmodern world

Pentecostalism as a Christian Mystical Tradition Castelo, Daniel, 2017 Informed reassessment of Pentecostalism as a mystical tradition of the church universal Pentecostalism says Daniel Castelo is commonly framed as evangelicalism with tongues or dismissed as simply a revivalist movement In this book Castelo argues that Pentecostalism is actually best

understood as a Christian mystical tradition Taking a theological approach to Pentecostalism Castelo looks particularly at the movement s methodology and epistemology as he carefully distinguishes it from American evangelicalism Castelo displays the continuity between Pentecostalism and ancient church tradition creating a unified narrative of Pentecostalism and the mystical tradition of Christianity throughout history and today Finally he uses a test case to press the question of what the interactions between mystical theology and dogmatics could look like Handbook for the Christian Faith James M. Dawsey,2023-08-15 Is religion disappearing from American life Less than 50 percent of Americans now hold membership in any religious institution and even fewer attend worship services The decline in Christian churches is especially pronounced among the young and cuts across all denominations But for Methodists and like minded Protestants concerns are deeper than shrinking denominational membership Polls show disconcerting ignorance about religious and spiritual matters even among churchgoers Our values as a society are in large measure molded by religion What shape will Protestant Christianity take in the twenty first century And of Methodism And beyond that what kind of community will we be Dawsey proposes returning to the roots of Christianity And with anecdotes and stories and a sweeping grasp of church history he examines those essential practices and beliefs necessary to revitalize American churches Key he argues is rediscovering Christianity as a philosophy of living John Wesley characterized the practice of religion as first doing no harm second doing good and third keeping the ordinances of faith Loving God and God s creation the doing of Christianity marks the path for becoming the churches and individuals Christians were called to be *The 1857 Hamilton, Ontario Revival* Sandra L. King,2015-07-07 Hundreds of people were converted leading to significant church growth in an 1857 revival led by Phoebe Palmer in the city of Hamilton Ontario Canada that contributed to the beginning of the Second Great Awakening This book explores the 1857 setting in the world and in Hamilton including the key churches and people involved in the revival What happened was not typical for revival meetings led by the Palmers as this account shows The book continues with a summary of the impact of the Hamilton revival around the globe linking it to other revivals and the Second Great Awakening as a whole The account ends with what subsequently unfolded in the Hamilton area and the churches involved Many of the primary sources are in the Appendix and the book includes numerous pictures and maps Scholars ministers and lay people alike will appreciate this exploration of a chapter in Canada s spiritual history New Sacred Writing and Charisma Claudia Jetter,2025-03-10 Mid nineteenth century America was a vibrant period marked by charismatic leaders who produced new sacred writing This book explores the lives and works of Mormon founder Joseph Smith Jr Methodist revivalist Phoebe Palmer and Transcendentalist Ralph Waldo Emerson focusing on how their textual productions contributed to a diverse discourse community grappling with a perceived loss of religious authority It identifies shared motifs and practices these modern prophets employed to establish new carriers of religious authority Claudia Jetter examines the concept of religious authority highlighting the dynamic ascription processes between charismatic leaders and interactive social communities within the historical context of

nineteenth century America *Old or New School Methodism?* Kevin M. Watson, 2019-03-04 Old or New School Methodism argues that the expulsion of preacher B T Roberts from the Methodist Episcopal Church and the subsequent formation of his Free Methodist Church represent a crucial moment of transition in American Methodism Kevin Watson contends that more emphasis should be given to the theological commitments that have made American Methodism distinctive and have been the cause of divisions over the past century and a half This book fills a major gap in the study of American Methodism from the 1850s to 1950s Trinitarian Theology after Barth Myk Habets, Phillip Tolliday, 2011-01-01 The most outstanding theological thinker of the twentieth century is proving to be the most pivotal theological figure of the twenty first century as well It is no wonder some have referred to Karl Barth as a Father of the Church Karl Barth widely acknowledged as the most influential theologian of the modern era continues to provoke and inspire Christian theological reflection in a distinct and enduring way His work has occasioned appreciation critique and rejection but however one responds to Barth one must reckon with him in pursuing the theological task This volume draws together scholars whose essays exhibit work after Barth in engaging the doctrine of the Trinity and its related themes Barth s thought as evidenced amongst his most expert commentators allows for a variety of interpretations the details of which are being hammered out on the pages of academic journals and volumes such as this one It is this variety of responses to and interpretations of Barth s theology that gives such vibrancy to the essays in this volume by seasoned Barth scholars and voices new to the conversation Contributors Ivor J Davidson Bruce L McCormack John C McDowell Paul D Molnar Murray A Rae and a Foreword by John B Webster From Aldersgate to Azusa Street Henry H. Knight III, 2010-08-11 Historians have noted the connections between the Wesleyan Methodist movement that began in the eighteenth century the emergence of African American Methodist traditions and an interdenominational Holiness movement in the nineteenth century and the birth of Pentecostalism in the twentieth century This volume written by historians theologians and pastors builds on that earlier work The contributors present a diverse array of key figures denominational leaders and mavericks institutional loyalists and come outers clergy and laity who embodied these movements The authors show that in spite of their differing historical and cultural contexts these movements constitute a distinct theological family whose confident and expectant faith in the transforming power of God has significant implications for the renewal of the contemporary church and its faithfulness to God s mission in the world today Contributors Corky Alexander Estrela Alexander Kimberly Ervin Alexander Leslie D Callahan Barry L Callen Douglas R Cullum Dennis C Dickerson D William Faupel Philip Hamner David Aaron Johnson J C Kelley Henry H Knight III William C Kostlevy Diane K Leclerc Joshua J McMullen Rodney McNeill Stephen W Rankin Harold E Raser Douglas M Strong Matthew K Thompson Wallace Thornton Jr L F Thuston Arlene Sanchez Walsh Steven J Land Laura Guy John H Wigger The Madman and the Assassin Scott Martelle, 2015-04-01 Union cavalryman Boston Corbett became a national celebrity after killing John Wilkes Booth but as details of his odd personality became known he also became the object of derision Over time he was largely

forgotten to history a minor character in the final act of Booth's tumultuous life And yet Corbett led a fascinating life of his own a tragic saga that weaved through the monumental events of nineteenth century America Corbett was an English immigrant and devout Christian who long struggled not only with poverty but also with mental illness which was likely caused by the mercury he used in his job as a silk hat finisher He was one of the first volunteers to join the US Army at the outbreak of the Civil War a path that would in time land him in the notorious Andersonville prison camp Eventually released he ended up in the squadron that cornered Lincoln's assassin in a Virginia barn After the war he headed west as a homesteader to the plains of Kansas where his shaky mental health led to his undoing **The Madman and the Assassin** is the first full length biography of Boston Corbett a man thrust into the spotlight during a national news event and into an unwelcome transformation from anonymity to fame and back to obscurity

Living in Bible Times Christopher J. Richmann, 2020-01-09 F F Bosworth was the only major living link between the late nineteenth century divine healing movement that gave birth to Pentecostalism and the post World War II healing revival that brought Pentecostalism into American popular culture At once on the fringes and in the mainstream of American Pentecostalism Bosworth has largely been ignored by historians Richmann demonstrates that Bosworth's story not only draws together disparate threads of the Pentecostal story but critiques traditional interpretations of speaking in tongues Azusa Street denominational affiliation divine healing the relationship to fundamentalism the Word of Faith movement and eschatology In this critique Richmann provides a much needed critical biography of Bosworth as well as a fresh interpretation of Pentecostalism Longing for Spring Elaine A Heath, Scott T Kisker, 2011-05-26 Delving into the widespread contemporary longing for a more serious and communal experience of Christianity this book provides important theoretical underpinnings and casts a vision for a new monasticism within the Wesleyan tradition Elaine Heath and Scott Kisker call for the planting of neo monastic churches which embody the Wesleyan vision of holiness in postmodern contexts This book also points toward some vital shifts that are necessary in theological education in order to equip pastors to lead such communities Longing for Spring helps Wesleyans of all stripes understand the theory and praxis necessary for planting neo monastic communities as a new model of the church that is particularly important in the postmodern context The authors write in an engaging conversational style that is conversant with postmodern culture yet thoroughly informed by critical research Heath and Kisker boldly challenge the imagination of the church both within and beyond Wesleyan traditions to consider the possibility of revitalizing the church through the new monasticism

The Anointed Son Myk Habets, 2010-01-01 Spirit Christology complements Logos Christology in the same way in which Christ and the Spirit are mutually constitutive Or at least this should be the case The history of Christian thought shows that Logos Christology has dominated resulting in both an eclipse of Trinitarian doctrine and a diminution of pneumatology Recently there have been calls to reclaim a theology of the Third Article in order to present a Trinitarian theology that is faithful to Scripture the Great Tradition and one that is existentially viable While studies

examine various aspects of Spirit Christology there has yet to appear a work that introduces the doctrine examines the various mutually exclusive proposals and offers a constructive trinitarian proposal The present work does just this introducing the constituent features of a Spirit Christology that is Trinitarian orthodox and contemporary The current work proposes a model of Spirit Christology that complements rather than replaces Logos Christology and does so in a robustly Trinitarian framework Within contemporary theology a pneumatically oriented approach to Christology is being advanced across denominational and traditional lines Those wanting to navigate their way through the many competing proposals for a Third Article theology will find a comprehensive map here **Joseph Tuckerman and the Outdoor Church** Jedediah Mannis, 2009-09-01 Joseph Tuckerman and the Outdoor Church is about the Rev Joseph Tuckerman a Unitarian minister who created and led a street ministry in Boston Massachusetts between 1826 and 1839 at the behest of his friend and college roommate William Ellery Channing Because of Tuckerman s innovative approach to encountering and helping the poor people he met near the Boston wharves he is considered the father of American social work as well as a prescient dedicated and socially active minister whose work led directly to the Social Gospel Movement The book examines and interprets Tuckerman s theology and ministry of outreach in light of the author s experience as pastor of the Outdoor Church of Cambridge Inc an outdoor ministry to homeless men and women in Cambridge Massachusetts The Outdoor Church offers prayer services and pastoral assistance outdoors in all seasons and all weather in order to be accessible to chronically homeless men and women who because of shame or embarrassment hostility or illness cannot or will not enter conventional churches Joseph Tuckerman and the Outdoor Church is a unique and gripping look at a radically innovative nineteenth century minister through the prism of the actual application of his thinking and his example to an ongoing ministry to the chronically homeless men and women of Cambridge
