

**College and Career Readiness Assessment: Mathematics Program  
 Grade 8 Item Specifications: Sample Questions  
 Use of Multiple-Choice Item Specifications  
 Item Specifications: 1.1.1-1.1.10 (sample questions included)**

In this assessment, the students identify the appropriate operations skills as a critical thinking strategy to solve equations and inequalities, when performing with one sign terms. When students use guess-and-check to solve and simplify skills, always make multiple guesses for those the first and correct the next answer. They will determine how to solve the

Additional Equations are complex equations for critical thinking. When students have been provided a list of one or two equations, they will determine in their own words how to solve them. The student will identify which operations they should use to solve the equation. The student will determine which operations they will use to solve the equation.
