the kings and princes he conquered vied with each other in doing him homage and the greatest part of the civilised world joined in the chorus of eulogy He suddenly fell and a violent reaction set in in France the floodgates of calumny were let loose against him the Coalition of old Europe denounced him as an outlaw and he became the mark of incessant passionate and most foul obloquy About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
