

# 3

## NARRATIVE INTERVIEWS

- The Narrative Interview is a qualitative method that encourages and stimulates interviewees to tell a story about some significant event in their life. *These are usually called unstructured interviews.*
- Its basic idea is to reconstruct social events from the perspective of the researcher.

# Narrative Interviews Narrative Interviews

**Kathleen Wells**

## **Narrative Interviews Narrative Interviews:**

**Research Interviewing** Elliot G. Mishler, 1991-04-01 Mishler presents a powerful critique of current views on research interviewing and offers a new approach He sees traditional interviewing as suppressing discourse and argues that an interview is actually a type of narrative in which respondents should have a more extensive role as participants and collaborators

**Narrative Inquiry** Kathleen Wells, 2011 This pocket guide presents a reader friendly introduction to narrative inquiry It addresses major aspects of the design and implementation of a narrative research project emphasizing established and emerging approaches to the analysis of narrative data

The Routledge International Handbook on Narrative and Life History Ivor Goodson, Ari Antikainen, Pat Sikes, Molly Andrews, 2016-10-04 In recent decades there has been a substantial turn towards narrative and life history study The embrace of narrative and life history work has accompanied the move to postmodernism and post structuralism across a wide range of disciplines sociological studies gender studies cultural studies social history literary theory and most recently psychology Written by leading international scholars from the main contributing perspectives and disciplines The Routledge International Handbook on Narrative and Life History seeks to capture the range and scope as well as the considerable complexity of the field of narrative study and life history work by situating these fields of study within the historical and contemporary context Topics covered include The historical emergences of life history and narrative study Techniques for conducting life history and narrative study Identity and politics Generational history Social and psycho social approaches to narrative history With chapters from expert contributors this volume will prove a comprehensive and authoritative resource to students researchers and educators interested in narrative theory analysis and interpretation

**Narrative Interview and Documentary Interpretation** Arnd-Michael Nohl, 2010

**Intercultural Experience in Narrative** Michał Wilczewski, 2019-11-28 This book systematically investigates intercultural experiences of Polish managers and specialists delegated by their multinational company MNC on an international assignment to China The book employs narrative inquiry to explore language intercultural communication collaboration learning and expatriate adjustment in the MNC This approach offers new insights into intercultural experiences communication and cultural challenges faced by an under researched group of professionals exposed to intensive collaborations with the local managers and employees The findings also illustrate how the expatriates learned to better navigate the multicultural and multilingual business context and what factors facilitated and inhibited their learning and adjustment Encouraging the qualitative context sensitive examination of expatriate local personnel interactions the book will be an invaluable source for scholars and practitioners interested in among others novel approaches to investigating language and intercultural communication in international business cross cultural management qualitative cross cultural research as well as for lecturers and students interested in Central Europe and China

**Evaluation of Narrative Interview as an Assessment Method** Bijal Mavji Bharti Chheda, University of Hull, 2004 *ECRM 2018 17th*

*European Conference on Research Methods in Business and Management* Prof. Michela Marchiori, 2018-07-12 These proceedings represent the work of researchers participating in the 17th European Conference on Research Methodology for Business and Management Studies ECRM which is being hosted this year by Universit Roma TRE Rome Italy on 12 13 July 2018

Entrepreneurial Strategies of Professional Service Firms Andreas B. Günther, 2019-02-19 Over the past years knowledge intensive industries have gained significant importance as economic factor giving rise to professional service firms PSFs such as law firms accounting firms or consultancies Following this development the research interest especially in the strategies pursued by PSFs has grown substantially However past research focused mainly on strategies of established mature PSFs leaving academics as well as potential entrepreneurs without guidance on what newly founded entrepreneurial PSFs should pay attention to in order to ensure lasting competitive advantages Based on an explorative grounded theory analysis of two outstanding commercial law firm spin offs in Germany this work advances the research in this field In addition to a detailed case study report it offers a comprehensive theoretical framework and argues that PSFs have to employ a set of seven specific entrepreneurial strategies including for example servicedelivery people development and client acquisition strategies in order to successfully manage the entrepreneurial phase In providing examples for the growing PSF industry the findings on commercial law firm spin offs also inform entrepreneurship research in other professions

**Making Meaning of Narratives** Ruthellen Josselson, Amia Lieblich, 1999-04-05 The sixth volume in this series provides guides for doing qualitative research analysis of several autobiographies hints on how to interpret what is not said in narrative interviews discussion on how cultural meanings and values are transmitted across generations and illustrations of the transformational power of stories

**The Problem-Centred Interview** Andreas Witzel, Herwig Reiter, 2012-07-06 Andreas Witzel and Herwig Reiter present the first English book about this popular and widely recognized method and introduce it to the international research community The comprehensive and hands on introduction to methodology principles and practice of this particular technique is organized along the logical steps of preparing doing and processing PCIs The authors use many practical examples from their own problem centered research to illustrate each stage as well as common interviewing pitfalls and errors The Problem Centred Interview also demonstrates how to work with sensitizing prior knowledge in the context of interview research

*Making Meaning of Narratives* Ruthellen Josselson, Amia Lieblich, 1999-04-05 The sixth volume in this series provides guides for doing qualitative research analysis of several autobiographies hints on how to interpret what is not said in narrative interviews discussion on how cultural meanings and values are transmitted across generations and illustrations of the transformational power of stories

*Handbook of Longitudinal Research Methods in Organisation and Business Studies* Melanie E. Hassett, Eriikka Paavilainen-Mäntymäki, 2013-01-01 This Handbook is a very timely contribution to organization and business studies Most calls for longitudinal research are made in sections of published work that deal with limitations of the study or suggestions

for further research This book places longitudinal research methods at center stage With its practical hands on approach it guides us how to design a longitudinal study in and around organizations whether qualitative or quantitative and how to implement it I warmly recommend this Handbook to ambitious senior and junior researchers It makes the commonly presented excuses for not undertaking longitudinal research completely redundant Rebecca Piekkari Aalto University School of Business in Helsinki Finland This is a very timely book that fills an important gap in the field of research methods So far very little attention has been paid to longitudinal research methods while the usefulness of this type of research has often been discussed in many papers and conferences Insights provided by scholars who have been doing this type of research provide useful guidelines for anyone interested in research methods from senior scholars to young researchers and PhD candidates This volume will serve as an excellent complement to the existing range of books on research methods Pervez Ghauri Kings College London UK This innovative Handbook demonstrates that there is no single best approach to conducting longitudinal studies At their best longitudinal research designs yield rich contextualised multilevel and deep understanding of the studied phenomenon The lack of resources in terms of time funding and people can pose a serious challenge to conducting longitudinal research This book tackles many of these challenges and discusses the role of longitudinal research programmes in overcoming such obstacles This book shows how longitudinal research methods enable the understanding of dynamics mechanisms causalities and interrelationships of organizational and business concepts in context and in relation to time It discusses the richness and versatility of longitudinal research and offers to students and experienced scholars alike numerous viewpoints reflections and personal accounts about conducting longitudinal research from planning and fieldwork to reporting and managing of research projects

**Emotion and Narrative** Tilmann Habermas, 2019 The way we tell stories influences how others react to our emotions and impacts how we cope with emotions ourselves

*Participatory Research with Children and Young People* Susan Groundwater-Smith, Sue Dockett, Dorothy Bottrell, 2014-12-01 This book sets out a clear framework for conducting participatory research with children and young people within a discussion of the rights of the child Through extensive case studies and a close review of contemporary literature in relation to early childhood through to late adolescence the book serves as a critical guide to issues in participative research for students and researchers The book includes chapters on Designing your research project Ethical considerations Innovative methods Publication and dissemination

**Exploring Career Trajectories of Men in the Early Childhood Education and Care Workforce** David L. Brody, Kari Emilsen, Tim Rohrmann, Jo Warin, 2020-11-25 The role of men in early childhood education and care is crucial for the future of all children growing up in a gender sensitive world Achieving greater diversity and gender balance in the workforce has proved a challenging goal despite concerted efforts on the part of individuals institutions and governments around the world Many men remain reluctant to enter the profession and once they choose this work many leave This book explores how men in the field make their career decisions to remain in or leave the profession Taking a broad international

perspective and exploring the role of gender in these career decisions contributors from around the globe unpack how gender concepts influence men's career trajectories Through their collaborative research the team of 17 gender and early childhood researchers investigate various critical and relevant factors such as professionalisation workplace environment leadership day to day interactions in the workplace societal considerations internal motivations agency masculinities and critical moments in career decision making Using cultural racial ethnic and social class lenses to examine men's career decisions over their professional lives the contributors unique approach uncovers the complexity of the issue and offers evidence based recommendations for policy both on national and local levels These include practical suggestions to directors and managers who care about achieving a gender mixed workforce Accessible and enlightening this is a unique resource for scholars policymakers and any others in the education community who support boosting the inclusion of men in early childhood education

**Succeeding at Succession** Peter Bunton, 2023-06-09 By providing case studies of Christian organizations and networks which have recently undergone succession and drawing upon perspectives from leadership theory psychology organizational development and theology this work shows multiple overlapping aspects of succession These facets include plans processes gender implications theologies of leadership successor origins relationship between outgoing and incoming leaders selection methods and organizational beliefs manifested in succession ceremonies An analysis of the various successions studied reveals the need for the organization or network to reflect on its own understandings and theologies of leadership without so doing organizational succession could be impaired While exploring the complexities of leadership succession particularly founder succession this book provides clear lessons and guidance for those navigating such transitions in leadership

**Narrative Methods for the Human Sciences** Catherine Kohler Riessman, 2007-12-13 The research literature on narrative has grown exponentially over the last 20 years No longer the province only of literary study the narrative turn has penetrated almost every human science anthropology sociology psychology history and others However although insights about individual lives may be compelling it does not mean that the story can speak for itself and still be a useful procedure Is there a way that researchers can explain their analytic procedures or representational choices when they present a narrative study Narrative Methods for the Human Sciences attempts to provide guidance on this situation Aimed at providing the rigor needed to advance applied narrative analysis Catherine Riessman provides an explanation and guideline to readers on Presentation of and reliance on detailed transcripts of interview excerpts Methods for analyzing the structural features of discourse Analysis of the co production of narratives through the dialogic exchange between interviewer and participant After completing this book readers will be able to perform a narrative study that can be defended as a systematic form of inquiry and provide a criteria for validation of their narrative study

**The Palgrave Handbook of Critical Social Psychology** Brendan Gough, 2017-04-11 This handbook is the first to bring together the latest theory and research on critical approaches to social psychological challenges Edited by a leading authority in the field this

volume further establishes critical social psychology as a discipline of study distinct from mainstream social psychology The handbook explains how critical approaches to social processes and phenomena are essential to fully understanding them and covers the main research topics in basic and applied social psychology including social cognition identity and social relations alongside overviews of the main theories and methodologies that underpin critical approaches This volume features a range of leading authors working on key social psychological issues and highlights a commitment to a social psychology which shuns psychologisation reductionism and neutrality It provides invaluable insight into many of the most pressing and distressing issues we face in modern society including the migrant and refugee crises affecting Europe the devaluing of black lives in the USA and the poverty ill health and poor mental well being that has resulted from ever increasing austerity efforts in the UK Including sections on critical perspectives critical methodologies and critical applications this volume also focuses on issues within social cognition self and identity This one stop handbook is an indispensable resource for a range of academics students and researchers in the fields of psychology and sociology and particularly those with an interest in social identity power relations and critical interventions

**Israeli and Palestinian Collective Narratives in Conflict** Adi Mana, Anan Srour, 2020-09-16 Examining the social laboratory of the Israeli and Palestinian societies to better understand social conflicts and the construction of diverse and conflicting collective narratives this book gives readers a window into Professor Shifra Sagy's unique approach to intergroup conflicts and peace education With a focus on both theory and practice it describes the model of perceptions of collective narratives that she developed with her colleagues The contributions here offer insight into the intergroup conflicts between Israelis and Palestinians Palestinian Muslims and Christians Jewish National Religious and people of ultra Orthodox faith and Palestinians living in Israel and those living in the West Bank Perceptions of collective narratives help crystallize social identity a sense of community and national coherence and a culture of conflict Often this creates obstacles to peace and conflict resolution This book instead looks at how we can use these constructions to promote reconciliation

**Constructing Narratives of Continuity and Change** Hazel Reid, Linden West, 2014-08-27 In this volume academics and researchers across disciplines including education psychology and health studies come together to discuss personal political and professional narratives of struggle resilience and hope Contributors draw from a rich body of auto biographical research to examine the role of narrative and how it can be constructed to compose a life story considering the roles of significant others inspirational educational and fictional characters and those in myth and legend The book discusses how personal narrative often neglected in social and psychological enquiry can be a valuable resource across a range of settings Reference is made to the evolving role of narrative in education and health care medicine and psychotherapy This includes how particular narratives are hardwired into culture in ways that stifle personal and social understanding Rather than providing a how to guide the book illustrates the range and power of narrative including poetry to re awaken senses of self and agency in extremis Each chapter draws on

specific research describing the context explaining the methodology and illuminating important findings Discussing implications for research and practice this book will be key reading for postgraduate and doctoral students in auto biographical and narrative studies and across a range of disciplines including education health and social care politics counselling and psychotherapy It will be of interest to academics teaching research methods and those developing biographical and auto biographical narrative research
