Gilbert, 2003-04-30 Although Calvin Coolidge is widely judged to have been a weak and even an incompetent president this study concludes that he was a leader disabled by a crippling emotional breakdown After an impressive early career Coolidge assumed the presidency upon the death of Warren Harding His promising political career suffered a major blow however with the death of his favorite child 16 year old Calvin Jr in July 1924 Overwhelmed with grief Coolidge showed distinct signs of clinical depression Losing interest in politics he served out his term as a broken man This is the first account of Coolidge's life to compare his behavior before and after this tragedy and the first to consider the importance of Coolidge's mental health in his presidential legacy Gilbert carefully documents the dramatic change in Coolidge's leadership style as well as the changes in his personal behavior In his early career Coolidge worked hard was progressive and politically astute When he became Vice President in 1921 he impressed the Washington establishment by

being strong and activist After Harding s death Coolidge took control of his party dazzled the press distanced himself from the Harding scandals and showed ability in domestic and foreign policy His son s death would destroy all of this Gilbert documents Coolidge s subsequent dysfunctional behavior including sadistic tendencies rudeness and cruelty to family and aides and odd interactions with the White House staff [Research of Martial Arts](#) Shifu Jonathan Bluestein,2014-07-27

Jonathan Bluestein s [Research of Martial Arts](#) is a book about the true essence of martial arts It includes neither instruction on deadly killing techniques nor mystical tales of so called super human masters Rather it is a vast compilation of seriously thought out observations made on the subject by the author as well as many other martial artists and scientists with a slight touch of history and humour The goal of this project had from the start been to surpass the current standard in the martial arts literary market and offer readers worldwide something which they have never seen before In essence a book in which are found countless answers for martial arts practitioners which they cannot be read elsewhere which address commonly discussed martially related topics with breadth and depth unparalleled in other works to this day in any language It holds among its pages no less than 220 000 words containing knowledge which would be coveted by many The aim of this book is to present the reader a coherent clear cut and in depth view of some of the most perplexing and controversial subjects in the world of martial arts as well as providing a healthy dose of philosophical outlook on these subjects from various individuals At its core is the author s aspiration to build a stronger theoretical foundation for the discussion of martial arts while addressing matters in innovative ways which I have come to believe would help people to better grasp the nature of these arts There are books by authors who will tell you that some aspects of the martial arts are too complex for concrete coherent and defined explanations Others have used ambiguous terminology to explain what they could not pronounce otherwise This is no such book This book was written to provide you with the solid applicable answers and ideas that you could actually understand and take away with you This book is mainly comprised of three parts Part I From the Inside Out External and Internal Gong Fu This is essentially mostly a very long thorough discussion of martial arts theory and practice Traditional and modern concepts and methods are discussed through the mediums of Physiology Biology Anatomy Psychology Philosophy Western and Oriental alike sports science and the author s personal experiences The Internal Martial Arts of China receive a special lengthier treatment in this part of the book Part II Contemplations on Controlled Violence This one is of a Philosophical and Psychological nature and contains the author s thoughts on the martial arts and their manifestation in our daily lives with guest articles by various martial arts teachers Part III The Wisdom of Martial Spirits Teachers and the Things They Hold Dear This part includes various interesting and comprehensive interviews with distinguished martial arts masters spanning dozens of pages each Every one of the interviewees is a person whose views and ideas are thought provoking and well worth reading The teachers interviewed in this book are Master Chen Zhonghua Chen Taiji Quan Master Yang Hai Xing Yi Quan Bagua Zhang and Chen Taiji Quan Shifu Strider Clark Tongbei Quan Wu style Taiji Shuai Jiao and more Shifu Neil Ripski

Traditional Drunken Fist and many others Sifu James Cama Buddha Hand Wing Chun and Southern Praying Mantis Itzik Cohen Sensei Shito ryu Karate No matter the age rank status or experience this book was written for everyone who see themselves part of the martial arts community It is my sincere hope that any person who reads this book will benefit from the time he or she had spent doing so May this work encourage others to continue intelligent writing and research in the field as I was pushed forth and built upon the knowledge others have shared before me May you have a pleasant reading experience

Adieu to God Mick Power,2012-01-06 *Adieu to God* examines atheism from a psychological perspective and reveals how religious phenomena and beliefs are psychological rather than supernatural in origin Answers the psychological question of why in the face of overwhelming scientific evidence to the contrary do religions continue to prosper Looks at atheism and religion using a fair and balanced approach based on the latest work in psychology sociology anthropology psychiatry and medicine Acknowledges the many psychological benefits of religion while still questioning the validity of its supernatural belief systems and providing atheist alternatives to a fulfilling life **The Empowerment Approach to Social Work**

Practice Judith A. B. Lee,2001-03-07 First published in 1994 this book was hailed as a cutting edge theory driven report from the front line trenches in the battle for social justice Both clinical and community oriented and written from a global perspective it presents clients speaking for themselves alongside reports of prominent social work educators This new edition puts greater emphasis on how to skills in working with people toward their own empowerment and stresses multiculturalism A new chapter identifies worldwide issues of oppression such as abuse of women and children and neglect of the mentally ill

Cultural Assessment in Clinical Psychiatry Group for the Advancement of Psychiatry,2008-08-13 Culture permeates human activity the world over In today's technological global village people from very different cultures are interacting more closely and more often than ever making it critical for clinicians to understand and incorporate cultural dimensions into their daily practices This volume offers a contemporary pragmatic understanding of how culture is inextricably intertwined with mental health and mental illness In Chapter 1 the 17 member GAP Committee on Cultural Psychiatry begins by discussing the history particularly within the last two decades and scope of culture in clinical psychiatry In Chapter 2 the authors describe 11 selected cultural variables that strongly influence clinical work ethnic identity race gender and sexual orientations age religion migration and country of origin socioeconomic status acculturation and acculturative processes

language dietary influences and education In Chapter 3 the authors present a brief history and detailed analysis of the Cultural Formulation the newest instrument for ensuring thorough clinical assessments explaining its clinical use based on DSM IV guidelines In Chapter 4 the authors integrate the 11 cultural variables described in Chapter 2 with the use of the Cultural Formulation described in Chapter 3 producing an extraordinary cross section of case vignettes How the son of Irish Catholic immigrants struggles to reconcile old country traditions with life in modern American society The sometimes painful and always complex process and outcomes of acculturation for a Pakistani Muslim family who had come to the United States for only a temporary period but ended up staying permanently Diagnosing social phobia in an Asian American whose traditional reticence must be viewed within the context of Asian culture Loss of country of origin and family ties as catalysts leading to significant behavioral changes and severe depressive symptoms in an African immigrant tribesman from Kenya and the cultural context of his recovery The interplay of gender age and religion with developmental issues personality organization and symptom development for a good Catholic girl The existential interpersonal and clinical experiences of a Protestant minister from predominantly Catholic Ecuador who came to the United States as pastor of an Hispanic church in a predominantly white city In Chapter 5 the authors conclude with a summary and suggestions regarding the complex issues raised by a thorough cultural assessment Enhanced by a detailed index this powerful work meets the significant and rapidly growing need for psychiatrists and other mental health professionals to understand the role of culture in psychiatry and to integrate this knowledge into their practice so that they can provide the most comprehensive and useful care to their patients
