Oxford Desk Reference: Oncology Thankamma Ajithkumar, Sarah Jane Jefferies, 2021 This easy to read practical guide distils and compiles all the disparate literature on cancer into one succinct volume. It includes the essential evidence based clinical guidelines needed for the safe and effective management of patients with cancer and has a clear layout to allow for quick reference whilst on the ward. All aspects of cancer and its management are covered including prevention screening diagnosis and treatment. The text begins by outlining the clinical approach to suspected cancer and the principles of multidisciplinary prevention and management. It then progresses through site specific cancer management including head and neck CNS thoracic breast gastrointestinal system genitourinary system female genital system skin musculoskeletal system haemopoietic system and endocrine. Later chapters cover oncological emergencies and acute oncology and special situations such as cancer in younger and older people and pregnancy and fertility. The guide also offers information about coping with the lifestyle and social issues that may arise with a diagnosis of cancer such as insurance travel and support and includes a chapter dedicated to palliative care for the cancer patient. A unique appendix of clinical management flowcharts assists fast appropriate decision making. Oxford desk reference Thankamma Ajithkumar, 2011 **Oxford Desk**
