that such an institution be established somewhere in Southern California near Redlands and Riverside She also predicted properties would become available that were far below their initial price Fellow Adventist pioneer John Burden found a property that had failed in two previous business ventures first as a hotel then as a sanitarium The asking price was already well below the property s value and the buildings were already fully furnished and stocked Make an offer White told him With his own money as down payment Burden set in motion what has become a network of multiple hospitals and professional schools Miracle upon miracle was needed to keep the fledgling organization afloat Be inspired by the way the hand of Providence has and continues to work on behalf of Loma Linda **Yearbook of International Organizations** ,1990
