Crew,2015-09-16 The Ku Klux Klan has received much attention for its violent activities but comparatively little research has been done on its musical legacy The printed music that still exists is spread throughout the nation in both public and private collections This work presents chronologically the music associated with the Klan from 1867 to 2002 thus enabling readers to sense the arguments and attitudes of the Klan as they developed and changed over time Because of the relative scarcity of Klan related music non Klan music that mentions the word Klan is included These obscure references help place the Klan in a larger social perspective and are very important in documenting anti Klan musical reaction In instances where a song merely mentions the Klan usually in only one verse or in the chorus then only that verse containing the Klan reference plus appropriate context is included The catalogue also includes Klan related music that does not have lyrics such as marches waltzes two steps and several Klan related pieces that were published in Europe Sheet music was virtually nonexistent after the 1930s so in order to capture a feeling of Klan related music today a limited discography of Klan related recordings from 1920 to 2002 is also included **Voices of World War Two** Sue Elliott,Steve Humphries,2016-05-19 In association with the flagship BBC2 series This is the story of the men and women of a truly remarkable generation Born into a world still reeling from the earth shattering events of the Great War they grew up during the appalling economic depression of the 1930s witnessed the globe tear itself apart again during the Second World War and emerged from post war austerity determined to create a new society for their children It is the story of people who raised their families during the immense social upheaval of the Fifties and Sixties as the world in which they had grown up changed inexorably It is the story of the people who shaped the way we live now Britain s Greatest Generation tells this multi faceted story through the eye witness accounts of those who were there from Japanese prisoner of war Fergus Anckorn to
